

## McIntyre Finally Wins T.B.L. Championship

McIntyre baseball team, winners of the Northern Group of the T. B. L. finally got the decision over Whight-Hargreaves, of Kirkland Lake, Central Group winners, when they took the final game, played at Iroquois Falls yesterday, by a 1-0 score. The lone run was scored in the first inning.

These two teams had played three tie games, and each club had won two contests, previous to yesterday's battle.

This is the first time that a team from the northern end of the circuit has won the McInnis Trophy, first put up for competition by R. A. McInnis, of the Abitibi Power and Paper Company, in 1925, and won by Haileybury that year. Silver Centre won it in 1926 and 1927. "The" Solomon, of Schumacher has at last realized his ambition, and congratulations are in order.

## Open Mining Property on Lake Near Haileybury

Some mining property on the lake shore near Mill Creek is being opened up by a party consisting of local men who have already done considerable work. Very little information is to hand in regard to the extent of the operations and mining men in town are somewhat in the dark as to the results so far obtained, although it is stated that there are strong indications of the property proving important.

The output of gold from mines in the Province of Ontario for the first six months of this year had a total value of \$15,977,980, an increase of \$224,368 in value over the corresponding 6 months in 1927.

## Not One Finished in Third Wrigley Swim

The Third Wrigley marathon swim, staged yesterday at the Canadian National Exhibition in Toronto, turned out to be a fizzle as not one of the several hundred competitors was able to complete the 15-mile distance. Last year's winner, Vierkotter was taken out about midway in the grind, and Toronto's hope, George Young, when lifted was in serious condition. Georges Michel, French baker, and holder of the record for the swim across the English channel, was the last man to remain in the water last night, he sticking until he had only one more lap of 2½ miles to go.

One by Clarence Stargratt, the 12-pound shot put, was broken by over 5 feet, the North Bay boy putting the shot 41 feet, 4¼ in.

## Banff

and Lake Louise in the heart of America's Alps

"Castle in the air" is Banff's magnificent new hotel, enthroned on a crag overlooking the spectacular Bow Valley.

"Shrine to Beauty" is Chateau Lake Louise, kneeling in golden popples beside the loveliest picture in all the world.

Here the smart and great of two continents come to play in soul-expanding grandeur. Banff has the warm sulphur baths, the newly remodelled golf course. Lake Louise has the glaciers and tea houses in the clouds. Both have tennis, swimming, boating, dancing, thrilling motor and trail trips.

Some prefer Banff, some like Lake Louise. Most people stop at both — that is, they do if they make reservations early enough. It's time now. Full information from
