### PICTURESQUE CONTENDERS FOR WORLD'S SWIMMING CHAMPIONSHIP

Between 350 and 400 grease-covered swimmers will plunge into the waters of Lake Ontario on Wednesday next, August 28th, in front of the Canadian National Exhibition Grounds at Toronto, in the men's section of the fourth Wrigley Marathon. The course is approximately 15 miles, and the cash prizes total \$35,000, of which \$25,000 goes to the winner. The above lay-out shows five of the men who are regarded as likely to make the best showing. No. 1 is George Young, of Toronto, winner of the first Wrigley marathon, who has been in constant training since last summer for this event; No. 2 is Mendell Burditt, of Toronto, who made a splendid showing last year, when no one finished because of the cold water; No. 3 is Ernst Vierkotter of Germany in his coat of black grease. He won the race two years ago and is looked upon as Young's most dangerous opponent; No. 4 is Eddie Keating of New York, who beat Vierkotter in the Lake George marathon in 1927; No. 5 is Maurice Hume, of the American-Canadian Swimming Club of Seattle, Wash., a powerful young fellow with a splendid chance to finish close to the top.

When the British Wightman cup team took their jaunt to the United States they brought the cup with them, but fully hoped to take it back. However, the American combination of Edith Cross and Helen Wills was too strong. The picture shows Mrs. A. B. Covell (at left) captain of British team, giving the trophy into the hands of Mrs. Hazel Wightman, captain of the United States team.
