Leads Way for Canada in Five-Gaited Saddle Horses

These five-gaited Kentucky saddle horses have been imported to New Brunswick by Mr. Angus McLean of Bathurst, and will be shown for the first time in Canada at the Maritime Winter Fair, Amherst, N.S., and the Royal Agricultural Winter Fair at Toronto. This breed traces its origin on one side to the family of

Morgan Canadian pacers and on the other to a thoroughbred running horse named Lexington. The animals are admirably suited to saddle purposes and many have been trained to five distinct gaits: (1) Walk; (2) Trot; (3) Canter; (4) Rock; and (5) Fox Trot. In the circle is shown Mrs. A. E. McLean on "Midnight." At top right is Miss Cooke, niece of Angus McLean, on "High Life." Below, right, is Mr. Crabbe, trainer for Mr. McLean on one of the imported beauties.

The Lake Windermere Bungalow Camp which was the first of its kind established in the Canadian Rockies will this year be transformed into a Ranch-Camp for girls under the direction of Miss Mary E. Cutler, of Minneapolis, and Dr. Harriett E. Cooke, of Chicago, who have had considerable experience in the management of such Camps and have selected this as an ideal spot for girls desiring an active outdoor life, combined with instruction in art. The staff includes instructors in riding, swimming and camp-craft, in addition to teachers of handicrafts and painting, and the course will include participation in the annual four-day cross country ride of the Trail Riders of the Canadian Rockies. Both Miss Cutler and Dr. Cooke have spent several summers in this region and are enthusiastic about the healthgiving value of ranch-camp life in these Alpine regions of Canada for the younger generation. They took part in last year's Trail Ride to the Lake of the Hanging Glaciers which is in the Lake Windermere district, and have engaged Walter Nixon, the well-known hunter and guide to supervise the trail riding expedition which will form part of the course in camp-craft for the girls. The Hon. Randolph Bruce, Lieutenant-Governor of British Columbia, has his summer home in the neighbourhood and is taking a keen interest in the movement.
