

New Liskeard Curlers Win Elliot Trophy

E. Binkley Takes Final from W. Thompson in Big Contest for Shelter Benefit

The Elliott Trophy of the local curling club has gone to New Liskeard, following the final games in the big competition for the benefit of the Children's Shelter, in which curlers from both towns participated.

The final game was played on Friday night between Elgin Binkley and Watt Thompson, on Liskeard ice, after four nights of interesting games in which two draws were played each night. There were 32 rinks entered, representing the greater part of the membership of both clubs, and the fees collected were turned over to the Shelter.

It is usually the custom to close the curling season here with the Elliott contest, but the weather was such that at the week-end it was decided to play a similar contest for the benefit of the veterans' relief funds, and both clubs have joined in this event. Play commenced on Monday night in both rinks, with about 25 rinks entered, and this number was reduced to four on Wednesday, with the semi-finals being played here last night.

The final will be played this evening between Elgin Binkley's New Liskeard four, and Dunc Sutherland's Haileybury quartet. The Binkley boys won from L.H. Ferguson's four last night, in a close finish, while Sutherland's crew just managed to nose out Tom Grills' squad in the final end.

LEAGUE IS PLANNING BIG MOTOR SHOW AND BANQUET NEXT MONTH

On April 7th or 9th it is the intention of the officers of the Temiskaming Motor League to hold a motor show in the New Liskeard Curling Rink during the day, followed by the usual banquet in the banquet hall of the same building in the evening.

The League are endeavoring to have as speakers for the occasion the Hon. Wm. Finlayson, Major Geo. C. King, President of the Ontario Motor League, as well as our own members, A. J. Kennedy and Col. Mac. Lang.

This is something new to this particular part of the district. However, the officers are endeavoring to make it one of the biggest of its kind ever attempted.

The one thing that is asked of every car owner in the district is to attend and learn more about the roads and if there are any grievances this will be the place to express them, and owners will be told just what a motor league means to a community.

To those from outside points who intend to attend the banquet will kindly forward to the Secretary, F. E. Thompson, one dollar and reservation will be made. It is very hard to hold a successful banquet unless you have some idea ahead of time how many are to be accommodated.

ANNUAL MEETING OF HAILEYBURY GOLF CLUB HELD TUESDAY NIGHT

The annual meeting of the Haileybury Golf Club Limited, held in Hotel Haileybury, Tuesday evening, went on record to encourage the younger people of town in the game of golf. New by-law was passed admitting a new classification of membership, non-shareholders up to the age of 25 years.

Mr. Hugh Park was re-elected president for 1930, with Mr. S. J. Mason as Vice-President, and the Board of Directors is composed of the above two with Messrs. H. E. Cawley, Dr. H. H. Abell, L. H. Ferguson, R. D. Cumming and W. A. O'Flynn.

There was a fair attendance at the meeting, but many shareholders were represented by proxy, and considerable business of interest to the club was transacted.

Hec. Kilrea, of the Ottawa Senators, led goal-scorers in group.

Plenty of Information in Government Blue Books

(Continued from Page 1) try through the officers of the provincial force comes heavy during the 12 months. In the four judicial districts under survey there are two inspectors, W. T. Moore, at Cobalt, and C. A. Jordan, at Sudbury. Each is paid \$2400. Then there are three sergeants, Frank Gardner, at Cochrane, and A. R. Knight, at Sudbury, each of whom gets \$2100, while George Delves, at Cobalt headquarters, is paid two thousand dollars. Constables receive from \$1600 to \$1900.

Criminal disbursements in the Cobalt inspectorate were \$20,048.49, and L. C. A. disbursements were \$6,358.21, while costs recovered were \$2906.26. At Sudbury, criminal disbursements were \$15,158.54, L.C.A. disbursements \$8,687.01, and costs amounting to

\$3,177.55 were recovered. Net disbursements at Cobalt were \$23,499.94 and at Sudbury \$20,668.

Under the Lands and Forests Department there are two Crown Timber Agents, located at New Liskeard and North Bay, respectively, and each drawing a salary of \$2500 per annum. Crown Lands agents are stationed at Cochrane, Powassan, Markstay, Mattawa, New Liskeard, Sudbury, North Bay, Matheson, Hearst and Sturgeon Falls. They receive from \$500 to \$1300 each for a total of over \$9,500, while homestead inspectors at Chelmsford, New Liskeard, Callander, Cache Bay, Kapuskasing, Cochrane, Monteith, and Englehart, cost \$13,500 in salaries.

Sport Notes

Canadiens defeated Chicago for the right to meet the New York Rangers in the semi-final round of the Stanley Cup series, 3-2, after 51 minutes of overtime.

Maroons defeated Boston in the third of their five-game series to decide finalist for Stanley Cup play, in Boston Tuesday evening, after 17 minutes overtime, when Wilcox, sub. defence man scored on a lone rush. "Baldy" Northcott, last year with Haileybury, started as a Maroon regular for the first time, and turned in a grand game.

Port Arthur and Montreal A.A. will play the Allan Cup finals in Toronto tonight and Saturday night, with goals to count. The M.A.A.A. are being favored by the wise ones to take the Ports into camp, but they surely will have a battle on their hands.

Davy Kerr, and Al Huggins, last year with Iroquois Falls, are two of the stars of the Montreal aggregation, Kerr being mentioned as the next goalie of the Maroons, while Huggins is sure to get a pro. trial, if he wishes to take the leap.

TWO STORES JOINED IN ONE BUILDING

Abraham & Company, who for several years past have operated two stores on Ferguson Avenue, are this week combining the places of business under one roof. They have secured the store formerly occupied as a restaurant, moved the men's wear department to that location and are moving the stock of ladies' wear and dry goods into the vacant space. This makes one store with two departments and an archway has been cut through at the rear to connect the two. The new arrangement brings all the business together and will make for both convenience and economy.
