MINING INCREASES FLYING OPERATIONS

According to word from the Trade Commissioner's office increased flying in northwest Canada will result from the opening of the new Coppermine River district. This is indicated by the report that one mining company is contemplating to equip a fleet of planes at a cost of more than \$1,000,000 to aid in prospecting the area.

Other commercial operators are also expected to operate in the district which extends from the 105th to the 116th longitude and northward to the North Pole from the 65th parallel, with the exception of the Thelon Game Sanctuary.

FRED MARR ELECTED TO COBALT COUNCIL BY MARGIN OF 5 VOTES

Fred Marr, a newcomer to municipal politics in Cobalt, was elected as a member of the council in the Silver Town on Thursday last, defeating O. Chenette, whose unseating by Judge Hartman on the ground of non-payment of taxes at the time of nomination caused the by-election.

There were 826 votes polled, which is said to be a record number for a mid-season election there. Marr's majority over his opponent was just five votes.

In three polling places in the northern part of the town Chenette had the best of the running, but in the other four the victor was away ahead. The vote polled was considerably larger than that of the regular election in December last.

NORTH WINS TROPHY OF LIFE INSURANCE CO. AGAINST ALL COMERS

Northern Ontario made another record during the past year, when this division of the Manufacturers' Life Insurance Company was awarded the company's trophy for the largest progress made by any branch in the organization. This was in competition with the branches of the company throughout the world, the trophy for 1928 having been won by Cuba division.

The trophy was presented to Chas. Laurent, district manager, at a banquet held last week in North Bay, when about 25 representatives of the company were present. Among those from this section of the district who attended the function were A. W. Lang, Timmins; F. H. Todd, Cobalt and W. C. Thuerck, Haileybury. Mr. Laurent was the host at the banquet and later entertained the men of the district at his home in North Bay.
