### MRS. PICKARD ELECTED PRESIDENT OF LADIES' GOLF CLUB COMMITTEE

The Ladies' Committee of the Haileybury Golf Club held its organization meeting on Thursday afternoon last at Hotel Haileybury, when officers and committees were elected and the activities of the season planned. So far there has been no official opening of the course, but several of the players have been around and find that the fairways are drying up nicely and believe that there will soon be ample opportunity to enjoy the game to the full.

Mrs. H. G. Pickard was elected president of the Ladies' Committee for the year, with Miss Schmidt, of Cobalt, as vice-president. Miss Helen Caldbick is the new secretary and Mrs. R. D. Cumming is treasurer. Mrs. P. Teare was elected captain and the handicapper manager is Mrs. George Pratt, of Cobalt, while the joint convenors of the entertainment committee are Mrs. (Dr.) Arnold of Haileybury and Mrs. Hugh Park, Cobalt. There was a good attendance at the inaugural meeting.

### PICKS MUDDY FIELD TO LAND PLANE WHEN NO SNOW OR ICE AVAILABLE

Residents of New Liskeard got something of a thrill on Sunday morning when an aeroplane arrived over the town equipped with skis. There was neither ice or snow to provide a landing, but the pilot, who had flown down from Kapuskasing, was not to be outdone and picked out a nice, soft, muddy field at the Demonstration Farm and settled on terra firma without mishap.

The wheels of the machine had been left at New Liskeard last fall and were taken out of storage and attached to the plane, so that the flier was able to continue his journey south the same afternoon. The New Liskeard man who told The Haileyburian of the occurrence did not learn the name of the pilot, but he stated that Tom Montgomery Jr. was a passenger in the plane.

### FORMER STUDENT OF LOCAL HIGH SCHOOL MAKES FINE RECORD

A letter has recently been received in Haileybury from Mrs. Millar, wife of Capt. R. H. Millar. Capt. Millar, it will be recalled, was formerly in charge of the Royal Mounted Police at Haileybury and left about two years ago to take an office with the forces at Nassau, Bahamas.

The many friends of Capt. and Mrs. Millar will be glad to learn that their son, Hugh, recently passed the Cambridge Matriculation with distinction and total exemption from the London Matric. This is reckoned one of the hardest in the world and takes him into any university. He came out on top of all entrants from this side of the water. His parents are justly proud of him and speak very highly of the groundwork which he received at the Haileybury High School.

This is another illustration of the high standards maintained at our High School.

### THREE STUDENTS FROM HIGH SCHOOL HERE ARE QUEEN'S GRADUATES

Three former students of the Haileybury High School are among those who graduated at Queen's University yesterday.

They are Jos. H. Evans, of Cobalt, son of Reeve J. J. Evans, of the Township of Coleman, Miss Emily Hennessy and Fred Greenwood, of New Liskeard.

Mr. Evans took his entire High School course here, while the other two completed their last year. Mr. Evans was graduated with the degree of B.Sc., and Miss Hennessy and Mr. Greenwood are each entitled to write B.A. after their names. Reeve Evans went down to Kingston to be present at his son's graduation.

The local Branch of the Canadian Legion is sponsoring a fishing contest, to be held on May 24th next, when prizes will be awarded for the angler who can get the best results under certain rules, by fishing on the shore of the lake here. Announcement of the conditions of the contest will be made next week.

The Worshipful Master, Officers and Past Masters of Temiskaming Lodge, A. F. & A. M., New Liskeard, paid a fraternal visit to Haileybury Lodge on Thursday night last. The First Degree of the Order was conferred by the visitors and at the close of the Lodge refreshments were served in the banquet room of the Temple, and the visitors entertained with a short program.

Wightman Cup Player

Betty Nuthall, the young English tennis player, who tops the ranks of women court stars in the Old Country, is here seen leaving the court after defeating Mrs. Tucker. She is the outstanding player on the English Wightman Cup team.

### Lacrosse Meeting Saturday Evening

A number of lacrosse enthusiasts have been working quietly for the past few weeks in an effort to get Canada's national game going in Haileybury. These men have been in touch with the Canadian Lacrosse Union and have been assured of support from that quarter, provided they get the boys interested enough to form a Juvenile Town League group consisting of four teams. The Association is ready to donate a trophy for the boys, and also send along certificates to be sold by the lads to friends, the proceeds to go towards equipping the teams. Through this arrangement it is possible to get lacrosse sticks at a reduced price and the initial expenses will not be heavy.

A meeting for the purpose of getting the feeling of the fans will be held in the Writing Room at Hotel Haileybury, on SATURDAY EVENING at 8 o'clock.

All lacrosse fans are expected to be present.

### WILL GIVE RECITALS IN CHURCHES AT COBALT, HAILEYBURY, LISKEARD

Professor John Duxbury, eminent English reciter, will visit this district next week and will hold services in the United Churches of the three towns on Sunday and give a recital in each one during the week. He will be accompanied by his son, Mr. Arthur Duxbury, a tenor soloist.

Professor Duxbury will be in the Cobalt church at the eleven o'clock service on Sunday, and on Tuesday evening will give his recital there, his subject being "Silas Marner." At 4 p.m. on Sunday he will be in the New Liskeard Church and will give a miscellaneous recital on Monday evening. He will speak in the Church here at 7.20 p.m. on Sunday and the recital is arranged for Wednesday evening at 8.00. The subject here will be "Dr. Jekyll and Mr. Hyde", which will be very interesting and instructive. His presentation shows the struggle of two natures within one man and teaches the lesson that sin is only conquered by Divine power.

### FIRST NATIONAL PICTURE SHOWING AT THE CLASSIC

Some of the most advanced and beautiful settings yet photographed in color are seen in the Mars, Holland and Japan numbers of "No, No, Nanette," the First National picture showing at The Classic Theatre, Cobalt, Friday and Saturday, May 9th, and 10th.

## DOES MAN SETTLE UP OR DOWN?

WHEN man reaches that stage in his existence where the urge for "home" dominates his thoughts he is suffering the first stages of the "settling down" process. He begins planning a house and all that goes with it, and realizes that before he can settle down and become a Solid Citizen he must "settle up."

Now this "settling up" business should be indulged in at regular intervals by most of us. There's always some little account that if not paid promptly when notice is sent, will be allowed to stand indefinitely. One of the most unfortunate in this respect is the subscription to the newspaper. The amount is small and comes due but once a year; so it is easily forgotten. But when a thousand subscribers "forget," the publisher is in a bad way and immediately has to put on pressure to collect the \$2.00 accounts.

There is one sure way of keeping "settled up" with your newspaper—watch the label every week. After your name the date on which your subscription expires is printed plainly. Pay it promptly when it comes due. Make sure of it now.
