For Baby's Bath

More than that of any other member of the family, baby's tender, delicate skin needs the greatest care and attention. The soft soothing oils in Baby's Own Soap make it specially suitable for babies, and its clinging fragrance reminds one of the roses of France which help to inspire it.

"Is best for you and baby too"

Haileybury Girl Is Honored by Friends In Northern Town

Haileybury people will be interested in the following clipping from the Cochrane Northland Post. Mrs. Rogers was for many years a resident here and her many friends will join in wishing her every happiness in her new home:

"Mrs. Wilfrid E. Rogers (nee Miss Marjorie Gregg) is leaving shortly for Bruce Mines, where she will in future reside. Her many friends have taken the opportunity of holding showers during the past week or so, at which she was the happy recipient of many beautiful and most useful wedding presents. Last week a party was held at the home of Miss Ruth Burton, where a delightful evening was spent by quite a large gathering. On Tuesday morning, Mr. J. A. Clermont, on behalf of the staff of the Land Titles Office, presented her with a handsome silver casserole with pie plate to match. Mrs. Ed. Caswell held a party this week, at which further presents were received by Mrs. Rogers. These many gatherings testify to the popularity which the bride enjoys.

Snores of Angler Mistaken For Bear

Fishing Party on Holiday is Alarmed; Snorer Has the Worst Scare

At least one fishing party which went out for the holiday had some excitement, in addition to a nice catch of pickerel, according to reports freely spread around town on Monday. This bunch, which consisted of about 12 men, went up the Montreal River from Latchford to the Mattawapika Falls, one of the favorite spots among local anglers, and camped there over the holiday. They had a good trip up in a launch piloted by Capt. McCarthy Burns, form-

erly of Haileybury, but a snow-storm on Saturday morning had a tendency to spoil the holiday to some extent.

The excitement came, it is reported, when a member of the party mistook the snores of a fellow angler, who was taking a nap in the afternoon, for growls of a bear and raised an alarm. It is claimed that the "bear" was seen by a couple of members of the party, but all agreed that the originator of the weird sounds which caused the alarm was the most frightened one of the lot. From the reports it is difficult to know just whether there were any wild animals in the vicinity, but all had a good time anyway and they brought home some fish.
