### The Trans-Canada Highway

One question that will undoubtedly be discussed considerably paign, particularly in the North adults who also planned to enter Country, will be the route to be the contest. Not all of the enchosen for the Trans-Canada trants turned out to fish, probably Highway. During the past few months it has been a live issue in wind, which not only made it far the districts of Temiskaming and from comfortable for the fishing enthusiasts but subjected the TIMISKAMING "K" LINE rightly, that the Ferguson High- west shore line to heavy seas, way should form a link in the driving the fish out into deeper larger project. It has been touched upon by visiting cabinet ministers, by speakers at almost all fun and demonstrated that they recent gatherings of a public nature and by all the newspapers in the districts.

### Boats Now Running On Regular Schedule

Navigation is now officially open on Lake Temiskaming, the boats of the Ville Marie Navigation Company having adopted foot of the lake on Tuesday and the regular timetable, which is changed somewhat from last Tuesday, June 3 year, is now in force. A list of the sailings appears in another column.

There will be ample opportunity for both local residents and tourists to enjoy the splendid trip down the lake this year. it makes a fine day's outing and gives the traveller a real glimpse of some of the finest scenery in the North.

### THE HAILEYBURIAN Forty Boys Try Luck in Fishing Contest

Weather Partly Spoiled Sport is anticipated. But Good Catches Made on May 24th

The fishing competition held under the auspices of the local branch of the Canadian Legion, on Victoria Day, May 24th, was well patronized by the younger on account of the dreary cold weather and the strong northeast and calmer water. However, considering the weather handicap the boys reported having lots of are a force to be considered a gainst older and more experienc- 5.45 p.m .\_\_\_\_9.30 a.m.\_\_\_\_VILLE MARIE\_\_\_\_\_10.00 a.m. ed anglers.

# POUTDONT PAY EXTRA FOR THE windshield now

Not so long ago, windshields were "front glass" -an accessory. Today, everything about the automobile is taken for granted. - Especially engine performance, thanks to Shell Motor Oil. Here is one lubricant which is a step ahead of anything you may have tried. Shell low-temperature refining keeps all the strength and vitality of Nature's best-balanced crude . . . makes Shell Motor Oil ready now for next year's cars. [ No wonder so many motorists are changing to Shell. They want the extra margin of protection and the smooth-running, trouble-free performance which Shell Motor Oil provides. Have you tried it?

STOP AT THE SIGN OF THE SHELL . . . MILLIONS DO

SATISFIED LESS THAN 1930 lubrication?

THE SIGN OF THE SHELL IS ON THE AIR ... Every Monday Evening, 8:30 Central Time.
