Colonel Malcolm Lang is Unanimous Liberal Choice

No Other Names Mentioned at Convention on Saturday When Party Prepares for Contest; Delegates Express Confidence; Want Senator From North

Colonel Mac. Lang, of Haileybury, who has represented this riding in the Federal parliament since 1926, was again nominated to carry the Liberal banner in the coming contest, when the party convention was held at New Liskeard on Saturday afternoon. No other names were mentioned at the convention and there had been no talk of any other candidate since the election was announced.

The motion appointing Colonel Lang as the official party candidate was made by Henry O'Grady of New Liskeard, and seconded by N. C. Leblance, of Cobalt.

Col. Lang was not present when his name went before the convention, having been detained in Ottawa on Friday night at the closing of the session. He arrived shortly after, however, accompanied by Hon. Peter Heenan, Minister of Labor, and Jos. A. Bradette, the member for Temiskaming North, who, with Hon. Nelson Parliament, Liberal organizer for Ontario, were the chief speakers at the convention. Mr. H. G. Pickard, of Haileybury president of the Liberal Association of Temiskaming South, presided over the meeting.

Two motions were adopted at the convention by unanimous vote. The first, moved by A. D. Campbell, Gowganda, and seconded by A. F. McDonald, Charlton, voiced appreciation of Col. Lang's work, expressed confidence in the administration of Prime Minister Mackenzie King and endorsed his policy, as expressed by the Dunning Budget. The other, sponsored by Mr. O'Grady and W. A. Taylor, New Liskeard, urged representation in the Senate of Canada for Northern Ontario, whose 200,000 people were "justly entitled" to a member in that body, the motion stated. Copies of this motion were to be sent to the Prime Minister, Col. Lang and Hon. Mr. Heenan, and also to all other Liberal conventions in Northern Ontario, who are to be asked to adopt similar motions. Mr. Bradette, in a passing reference to this motion, declared he favored it, declared they had been

working on it at Ottawa and that the principals had been established and recognized by Mr. King. But for the appointment of the first woman to the Senate, Mr. Bradette said, the North would have been recognized.

Machinery For Coming Election Already at Work

Proclamations Are Out and the Enumerators Appointed; No Revision by Judges

Following closely on the dissolution of parliament and the announcement of the coming elections on July 28th, Colonel H. E. McKee, returning officer for South Temiskaming, has started the election machinery to work. On Monday he issued his proclamations and this week enumerators are being named and will be busy immediately on the new voters' lists. There will be over 100 enumerators on the job, and according to Col. McKee, every effort is to be made to have the names of all qualified voters included in the new lists. The proclamations call for the official nomination to be held on July 14th at the court house here, from 12 noon until 2 p.m.

Col. McKee states that all polls in the riding will be classed as rural polls, that there will be no revision of the lists after they are compiled by the enumerators and that every voter who can show that he is qualified on election day will be given a ballot, whether he is on the list or not. The customary oath will be necessary however, for those whose names do not appear. The Returning Officer states that so far as is humanly possible, no one will be overlooked when the lists are being made up. The enumerators will commence work immediately and will be required to turn in their first lists on June 14th.

Northern Rivers Take Toll of Life in Spring Drives

Three Men Drowned Recently in Lumbering Operations; Bodies Not Found

The northern rivers continue to take their toll of human lives. Two accidents in connection with the spring drives now under way in different parts of the district, and involving three men drowned in two rivers, were reported to Inspector W. T. Moore, at provincial police district headquarters over the week-end.

The victims were Uno Ultrainen, Finnish by birth, who lost his life in the Grassy River, 35 miles southwest of Timmins, and Emile Laurin and Godfrey Vailancourt, half-brothers, swept away by the Montreal River when the pointer in which they had been shooting a rapids was upset after striking a rock. These young men came from Mashan Mills, P.Q.

Uno Ultrainen, 32 years of age, had been in Canada for the past four years, and he had been working for the Hawk Lake Lumber Co. for 16 days when he was drowned. Constable Hartlieb, stationed at Timmins, made enquiry, and learned that Ultrainen apparently had been crossing the Grassy River, at a point 400 feet above a rapids with a sharp fall, in a canoe maintained for that purpose, and apparently had been swept down the river and over the falls. At the point where the crossing usually is made the river is stated to be quite calm. Ultrainen was alone at the time.

Three men, fellow-workers on the drive, saw the canoe go over the rapids unoccupied, and the craft was smashed in the turbulent water. The time then was about six o'clock in the evening, and the last seen of Ultrainen was two hours before. It is presumed that he was thrown out of the canoe and drowned. No trace has been found of the body, which would be swept down the swollen stream, but Frank Bounder, manager of the company, states that his men will be engaged on the drive for some time yet and a watch will be kept for the remains. A brother of the victim lives at Monteith.

Inspector Moore learned on Monday from eye-witnesses of the double tragedy in the Montreal River last Friday, meagre details of which were contained in a message from Silver Centre the following day. Eight men were in a new pointer which was shooting Bronson's Rapids, eight miles from the mouth of the river and above Lower Notch, when the boat struck a rock, was swept by the current broadside on to the stream and capsized. All its occupants were thrown into the water, and six of them managed to reach the boat again, but Vail-

Seven Year Term For Dynamiting Kirkland House

Stanley Maldovan Convicted of Outrage; Other Cases at District Court

Stanley Maldovan, the Kirkland Lake man charged with exploding a quantity of dynamite under the house of a neighbor with whom he was said to have had some trouble, was found guilty of the offence by a jury at the District Court here yesterday and sentenced to seven years in the penitentiary. The presentation of evidence occupied the greater part of the day, the case going to the jury in the afternoon.

When the court opened in the morning, Charles Chow, charged with assault, was not present and a bench warrant was issued for his arrest. It is said that he has gone to the United States.

The charge against Mrs. Teresa Brazonia, of Kirkland Lake, is being heard today, a jury having been empanelled yesterday evening. This is the last criminal case to be heard.

The District Court, which opened on Tuesday in the court house here with His Honor Judge Hartman presiding, is still in session, but it is expected that the sittings will be concluded today or early tomorrow. Three civil cases which were listed have been given special dates for hearing and the court proceeded with the criminal cases.

True bills were returned by the Grand Jury in the case of Charles Chow, charged with assault, and Stanley Maldovan, who faced a charge of wilful damage following the dynamiting of a house at Kirkland Lake.

Of the other two criminal cases Norman Bell, of North Cobalt, elected for speedy trial before His Honor and the date was set for June 18th, and the charge against W. B. Nicholson has been traversed to a later sitting, as one of the Crown witnesses was reported ill.

John MacArthur Jr. left on Saturday for Buchans, Newfoundland, where he will again be with the Swedish American Prospecting Company for the summer. He expected to reach the Ancient Colony on Tuesday evening and proceed inland to the scene of operations.

lancourt and Laurin were too far away and could not gain the upturned craft.

They were observed to be swimming for a time, one of their companions said, but were quickly carried downstream in the foaming water of the rapids and were not seen again. The river is fairly high, it was stated, and the men were weighted down with their heavy clothing and boots.

W. A. Gordon K. C. Chosen as Conservative Candidate

Large Gathering Yesterday Unanimous in Choice of Haileybury Barrister; Captain Tom Magladery to Handle Campaign Muskoka M.P. Speaks at Convention

At a convention which packed the Masonic Hall at Engelhart yesterday afternoon, W. A. Gordon, K.C., prominent Haileybury lawyer, was unanimously chosen to carry the Conservative banner in the forthcoming election against Col. Mac. Lang, also of Haileybury, who was chosen by the Liberal party in convention at New Liskeard on Saturday.

There were six other names submitted to the convention yesterday, all of whom withdrew in Mr. Gordon's favor. It had been generally understood previous to the gathering that he would have no opposition. Captain Thos. Magladery, of New Liskeard, former M.P.P., whose name had also been prominently mentioned, will be campaign manager for Mr. Gordon, according to announcement made by the latter at the close of the convention.

The other names placed in nomination were Captain Magladery, Geo. T. Smith, Mayor Homer Sutcliffe, of New Liskeard, Reeve Norman Evoy, of Teck, Dr. E. F. Armstrong, of Cobalt, a former M.P.P., and Mrs. Geo. Mitchell, of Cobalt.

All the nominees were called on to address the convention by Mr. R. D. Cumming, who presided in the absence of Mr. H. D. Bradley, president of the District Association, who is in hospital recovering from an operation for appendicitis.

In withdrawing from the running, Mrs. Mitchell, who is president of the recently formed Women's Conservative Association, foresaw both North and South Temiskaming and Nipissing in the Conservative ranks when the contest is over, while Dr. Armstrong contented himself with a few words of thanks for the support accorded him in previous contests.

Captain Magladery criticised to some extent the representation given the constituency by Colonel Lang, compared the present gathering with that of the Liberals on Saturday last to the detriment of the latter and spoke of a recent vote of \$15,000 for a public building in New Liskeard as something that had not been asked for and would not be very gratefully received.

In accepting the nomination, Mr. Gordon spoke of his hope that the efforts of the Ferguson government to open up the North would be supplemented by contributions from the Federal treasury at Ottawa by a Conservative administration. In the course of his speech he referred to the question of unemployment, which he declared was largely due to the government's policy of unrestricted immigration and

cited Mr. King's now famous "five cent speech" as an example of "pure coercion and bribery." He gave the delegates present a clear idea of his intentions, if he were elected, stating that he would be sure he was making good before he would try to hang on indefinitely to the job. Mr. Gordon made a telling address and at its close he was made the unanimous choice of the convention on motion of J. W. Brown, New Liskeard, and Jos. Sheedy, Casey Township.

Other speakers included A. F. Kenning, M.P.P., for South Cochrane, who stated that there would be a majority in Kirkland Lake for Mr. Gordon equal to that given himself in the provincial election.

Dr. Peter McGibbon, of Bracebridge, member for Muskoka, was the final speaker of the day. He criticised the financial record of the government and dwelt at some length on the Dunning budget, which he declared was "half hypocrisy and half grand larceny." The Conservative party, he said, stood for a policy of protection for all classes alike, a Canadian policy, made by Canadians for Canada.

The meeting closed with the singing of the National Anthem, after cheers for Hon. R. B. Bennett, Mr. Gordon and the Conservative Party.

Louis H. Timmins Dies at Montreal Once Lived Here

Was Identified With Mining in Cobalt Camp; Part Owner of the LaRose

The older residents of Haileybury learned with regret of the death of Louis Henry Timmins, a former resident here and for many years closely identified with the mining development of the Cobalt camp, which took place at his home in Montreal, on Sunday, June 1st. He was 70 years of age and had been ill for several months.

Mr. Timmins was born in Mattawa, a son of the late Noah Timmins, and with his brother, Noah Junior, was interested in mining when Cobalt was first discovered in 1903. They bought the LaRose mine which was operated under their direction for some years and later became interested in the Porcupine district. With their associates in the LaRose, they bought the properties which became the Hollinger Mine, in which Noah Timmins is still a large shareholder.

Mr. Timmins is survived by his widow, two sons and two daughters, and by his brother, Noah, and a sister, Mrs. B. Fitzpatrick, of El Paso, Texas.

SUFFERS BROKEN ARM THROUGH FALL AT HOME

Mrs. J. H. Stitt, Lake Shore Road, had the misfortune to suffer a broken arm on Monday, when she fell at the rear entrance to her home. She was taken to the Mines Hospital, Cobalt, where an X-ray was taken of the fracture and it was found that it was a clean break. Although suffering considerably, Mrs. Stitt is getting along very well.

Liberal and Conservative Chieftains Prepared for Election

The stage is set and Canada is prepared for a General Election. Premier Mackenzie King and Hon. R. B. Bennett, Leader of the Opposition, agreed to permit the dissolution of parliament last week, and the date set for the election is July 28th, so that Canada will be represented at all the sittings of the Imperial Economic Conference in London next Fall. Above are two recent pictures of Rt. Hon. W. L. Mackenzie King (left) and Hon. R. B. Bennett (right).
