

THE HAILEYBURIAN

Issued every Thursday from The Haileyburian Office, Broadway Street, Haileybury

The Cemetery Road

For a year past there has been talk of building a better road to the new Haileybury Cemetery, one that would connect with the main highway.

It appears from discussions of the council that it is a question of financing. It has been stated that the funds will not permit of the new road being built this year.

Bathing Beach Needed

The past few weeks of warm weather has again shown the great need for some improvement to the beach, in order that both visitors and residents, and particularly the children, might have better facilities for enjoying the bathing in the lake during the comparatively short season while the water is fit.

Temiskaming & Northern Ontario Railway TRAIN SERVICE

The CONTINENTAL LIMITED, Trains Nos. 1 and 2, between Montreal and Vancouver, daily, operating through Sleeper between Cochrane and Toronto.

See current Time Table or apply to any T. N. O. Rly. Agent for full particulars. A. J. PARR, Gen. Frt. and Pass. Agt., North Bay, Ont.

a meeting of those interested to at least talk the project over once more. It has been stated that very little expense need be involved, and that a small amount of work would so improve the section of beach now used for bathing that it would attract many to this healthy form of summer sport.

FIRST AID LESSONS PROVE VALUABLE TO INJURED SCHOOLBOY

Instruction in "First Aid," received at the public school, proved valuable to little Jack Roger, aged 8, who got a rather bad cut on his leg while playing at camping with other boys near the upper end of Main Street.

The training the boys receive in the school, under the supervision of Principal J. H. McFarlane and the Public Health Nurse, Miss Clark, is of the greatest importance. They are taught what to do in an emergency and this was only one example of what first aid training can do, even with small children.

Town Office Has Been Moved Into the Clutchey Block

(Continued from Page 1)

When he left Haileybury for Timmins, the place remained empty for some time, until it was decided to make it the town's headquarters. It is a substantial building of brick and tile, fronting directly on the street and is fairly central.

For many years the town has rented offices in the downtown section. Before the fire in 1922, the Liggett Block was the location and after the fire a temporary building was erected near the fire hall. This was found not

satisfactory and in 1925 the offices were moved to the Legris building. It is believed that a saving will be effected through the move and there will be little or no inconvenience experienced, once the public becomes familiar with the new location.

The Kirkland Lake Pipe Band, which made a recent visit to Haileybury, is now equipped with proper uniforms, kilts in everything that go to make a regular Scottish organization. The uniforms are of the Royal Stewart tartan, were made in Glasgow and cost around \$150 each.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria Harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.
