Reduce the Acid

SICK stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated. Too much acid makes the stomach and intestines sour. Alkali kills acid instantly. The best form is Phillips Milk of Magnesia, because one harmless dose neutralizes many times its volume in acid. For 50 years the standard with physicians everywhere. Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go prove this for your own sake. It may save a great many disagreeable hours. Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians in correcting excess acids.

Dairy By-Law is Finally Passed by Town Council

Measure for Regulating Milk Supply Requires Test or Pasteurization

The proposed by-law governing the conditions under which milk can be sold in the town of Haileybury, which has been in course of preparation for some months, was finally passed by the town council at its regular meeting on Tuesday night. This measure was framed with a view to securing the best possible results and the delay in making it law was occasioned by the efforts of the Medical Health Officer and the council to ensure that it would be satisfactory in every respect, not only from the standpoint of the consumer, but also in a way that would be fair and just to the dairymen who supply the town.

Under the provisions of the new measure all dairy herds must be given a tuberculin test by a competent veterinary surgeon, or failing that, a satisfactory system of pasteurization must be installed. Conditions under which milk is handled in the dairy houses, proper care of stables and many other points in keeping all covered and the by-law was framed after a sample one submitted by the provincial Department of Health, and with the approval of that body. It is very comprehensive and covers all points which are likely to crop up in the future in regard to the milk and cream supply.

When the by-law was being passed the question of the price of milk in Haileybury came up and some of the councillors gave it as their opinion that these prices were higher than in some communities. It was stated, however, that the measure was intended wholly for the securing of a pure milk supply and that no further regulations could be included.

As the new by-law has been discussed at various intervals for some time and its provisions made known to the milk dealers, the main requirements have already been complied with. The larger dairies have all either had their herds tested or installed the pasteurization system and Dr. Arnold, M.O.H., has reported that the stables, milk houses and other premises are being kept in good shape.

3 p.m.—Women's Prayer Meeting.
Women's Missionary Meeting first Wednesday of each month; place of meeting arranged monthly.

Elk Lake News

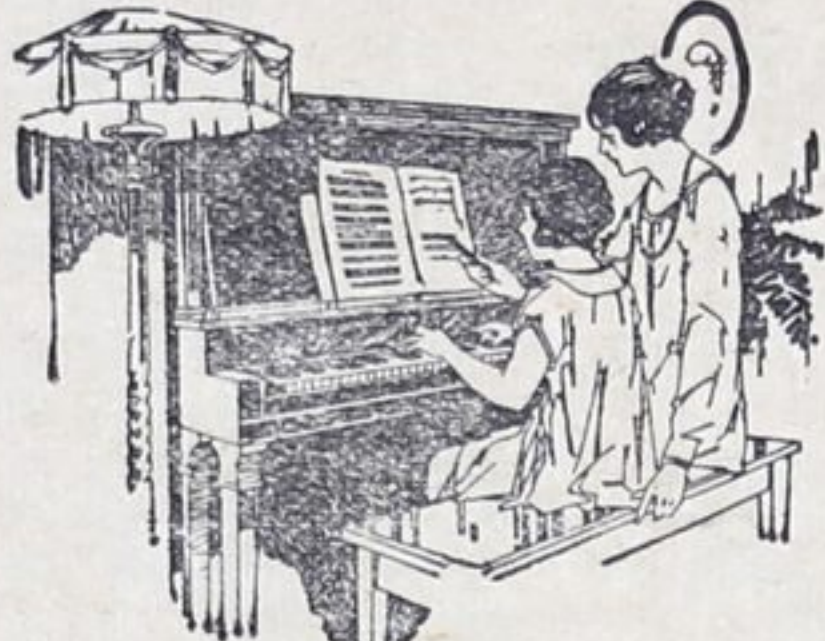

On Friday evening, Dec. 5th, there passed away Thomas Turner in his 79th year, and for 21 years a resident of Elk Lake. Born in London, England, he moved with his family to Canada and like many others, was early attracted by the rapid development of Northern Ontario. He lived quietly in retirement, but maintained till the end the hereditary traits of the fine old English gentleman.

The funeral was held on Sunday afternoon from St. Paul's Anglican Church and was largely attended, voicing in no small measure the respect held for him and his family in the community. His two sons-in-law, Mr. Walter Mallinson and Mr. J. Blundell, together with Messrs. W. Scott, J. Williams, J. McKay and S. McKemans, acted as pallbearers, the chief mourners being his daughters, Mrs. Walter Mallinson, Mrs. J. Blundell, Miss Alice Turner and his two grandsons, Mr. Leonard, Master Gordon Mallinson, his other daughter, Mrs. Fraser, of North Bay, being unable to be present owing to sickness in her home.

Mr. and Mrs. J. Blundell, of North Bay, were in Elk Lake for

the funeral of Mr. Thomas Turner.

The first of a series of social evenings being given under the auspices of Elk Lake Lodge L.O. L. 2084, was held in their hall on Friday eve, Dec 5th, and was largely attended. The acting Master, Bro. Gus Chisholm acted as master of ceremonies, and his genial personality was a contributing factor to the success of the evening. Friendly rivalry at the card tables was followed by an improvised concert, at which the following contributors displayed the excellency of their talent: Bro. J. Kerr, whose solo was accompanied by Mrs. A. Campbell; Bro. V. Walker, whose tuneful voice harmonized Mrs. Hines' playing, while Bro. Clarence Miskemans again proved his skill with the musical saw, aided by the accomplished Mrs. Scott, and Mrs. S. McKee, always delightful in her choice solos, and Bro. Chisholm, whose song and address were both much enjoyed. Before supper, Bro. Craig, the oldest Orangeman in the district, presented Bro. Lloyd Acheson with his Past Master's Jewel, to which the moved recipient made suitable reply. Dancing concluded what promises to be a pre-runner of many popular social gatherings.

Christmas Brings Thoughts of a Piano

Let Your Children Grow up with Music

The Canadian Home deserves the best of Musical Instruments and those who do their homes with the most artistic designs select one of our various styles.
