

C.S.E.T. NEWS

The "Couriers des Bois" showed up their older opponents "The King's Couriers" on Saturday, Jan. 24th, by a score of 3-2. The boys displayed fair hockey and not a penalty was handed out. That's what we want, boys! Play the game!

The "Couriers des Bois" line-up was: Goal, A. Belanger; Right Defence, J. Marshall; Left Defence, R. Little; Centre, James Hughes; Wings, O. Hughes and J. Valentine; alternates, G. McCracken and R. McArthur.

The Pathfinders are looking for something a little higher! They invited Mayor Hamilton to come to their group meeting last week, where he gave them an address on "Lives of Great Christian Leaders."

There will be a "Father and Son" Church Service on February 15th, at the Haileybury United Church. This is an opportunity for any person to come and hear all about what is going on in C.S.E.T. There will be speakers for the occasion. Everybody is welcome. Don't forget it.

Annual Bond-Selling Campaign coming February 7th. Help the boyhood of Ontario through the Boys' Parliament and Provincial Work Board. It is worthy of your support. Watch this column next week.

There are five candidates for the Premiership of Ontario 11th Older Boys' Parliament. One of them is a Chinese boy, Ross Jung. He has already sat in the Boys' Parliament of British Columbia and in the last session of the Ontario Boys' Parliament sat on the Opposition under the leadership of Donald Buchanan. He is the first Oriental to hold such a position, although a negro sits in the present Cabinet.

Oy! Oy! Wild animals! Begorra! Wild women! The Cohens and Kellys in Africa! Screamingly funny! Thrilling dark continent adventure! World's funniest picture!

ENJOYABLE TIME HELD AT BEAN SUPPER AND JOLLY EUCHRE PARTY

A very enjoyable evening was spent in the I.O.O.F. Temple on Thursday last, when the Rebekah Lodge gave a bean supper, followed by a jolly euchre party. There were over 50 present for the supper, which everyone enjoyed very much, and the card games afterwards resulted in some close contests for the prizes. The winners were:

Ladies—First, Mrs. N. J. McAulay; second, Miss A. Hansen; consolation, Miss Tiffin.

Gentlemen—First, M. S. Boyd; second, A. D. McArthur; consolation, Thos. Robb.

Some amusement was caused by the awarding of the consolation prizes, a bottle of catsup to the lady and a tin of shoe polish to the gentleman, with appropriate suggestions as to their conduct in future contests.

Small Child Badly Injured In Fall Through Glass Door

Little Dorothy Ann White, 3-year-old daughter of Mr. and Mrs. P. H. White, formerly of Haileybury, was severely injured last week when she fell from a rocking chair through a glass door, at her home in Newton-Brook, Ont. She received three cuts from the glass, across her forehead, eye and lip and nine stitches were required to close the wounds. She is getting on nicely, although weak from loss of blood.

Mr. and Mrs. White were residents here for a number of years. Mr. White has spent the past two years in a sanitarium at London, but expects to be discharged in the near future and to return to Haileybury.

NOTICE

Take Notice that the partnership formerly existing between J. D. Macdonald and Terence Smith, carrying on business as Insurance Brokers at Haileybury under the name of Macdonald & Smith, was dissolved on November 17th, 1930.

Here and There

Pressure of business and growth of the Canadian Pacific Telegraphs has necessitated the appointment of an assistant general manager of the system. W. D. Neill, assistant manager, western lines, Winnipeg, having been promoted to the position. Other appointments resulting from this are: W. M. Thompson, superintendent, Ontario Division, Toronto, to be assistant manager, western lines, Winnipeg; H. S. Ingram, superintendent, eastern division, Montreal, to be superintendent, Ontario division, Toronto; and W. S. Emery, chief operator, Montreal, to be superintendent, eastern division, Montreal.

Fox Film Corporation during early July took sound records of the wind in the pines, the music of the waterfalls and the rippling of streams around Banff Springs Hotel and into this boxed atmosphere there will be placed actors and actresses who will be shown climbing mountains, walking by the side of lakes or canoeing on water-courses they have never seen.

Beating the world's record in passenger traffic operations, western Canada came into the limelight at the end of June with the 1,252 mile continuous run from Fort William to Calgary performed by Canadian Pacific engine No. 2808, of the H1 class. This locomotive is one of several now in service and under construction for the railway and are the latest type of passenger engine.

Carrying nearly a hundred tourists organized by the University of Montreal, a special Canadian Pacific train left Montreal July 5 for western Canada and the Pacific Coast. This tour is the sixth annual transcontinental trip undertaken and will last for three weeks. The richest industrial, agricultural and commercial districts of Canada, as well as the most beautiful scenery, including the Rocky Mountains, will be visited.

With a five-pound trout taken himself and a four-pounder landed by his son, in the catch, Arthur C. Roche, of Melrose, Mass., has just concluded a ten-day fishing trip down the Cain's River, New Brunswick. He said he had never heard of waters where there were so many trout as in Cain's River.

Change in Policy at Empire Theatre, New Liskeard

Commencing next week, Monday, February 2nd, the feature picture will be shown only once each evening. The program will start with the short subjects as before, but at 7.45 p.m. instead of 7 o'clock. The feature picture will follow immediately after, usually about 8.15 p.m. Owing to the feature pictures being of

different lengths, some may start as early as 8 p.m. In any case, the time the feature picture will start, will be advertised so that none may miss it. The short subjects will be repeated after the feature picture is shown.

This time schedule will be of great benefit to the Haileybury people who have had to catch an early car in the past or otherwise miss part of the program. As it is arranged now, one may catch

the 7.15 car and be in time to see the whole performance and get home on the 9.45 car from New Liskeard.

An epidemic of influenza is reported from the camp of the Dominion Construction Company at Abitibi Canyon this week. About 20 men are down with the disease, but the situation is said to be well in hand.

Will the Labor Government Be Defeated on the Trade Disputes Bill?

The long-heralded fight over the second reading of the trade disputes bill has commenced in the British House of Commons. With the majority of the Liberals abstaining, a government defeat is not expected, but the voting is expected to be very close, and the bill will probably have a rough ride in committees. Above are four of the principal figures in this heated debate. Left: Sir John Simon, prominent Liberal, who will vote against the Government with a small band of Liberals; Centre, top and bottom: Sir William Jowitt, Attorney-General of Great Britain, who moved the second reading of the bill, and Ramsay MacDonald, British Prime Minister who is seriously harassed by attacks from Right Hon. Stanley Baldwin (right), Conservative Leader.
