LEISHMAN & SUTHERLAND PUBLISHERS

Another Milestone

With this issue The Haileyburian completes its 26th year of publication, a year that has been on the whole, a satisfactory one in spite of the general depression and hard times of which we have heard so much. Founded in 1904 by the late C. C. Farr, who also founded the town of Haileybury, the paper has been carried on with varying fortune ever since that time. It has had its ups and downs; twice the whole plant has been destroyed by fire; it has passed through the hands of several owners; but it has steadily persevered in its own way to work for the best interests of the town and the North Country.

Under the present management The Haileyburian has been conducted for more than 10 years. These have been years of pleasant work in a fine community and have been enjoyed greatly by the publishers. It is their hope that the paper has done something towards keeping alive the community spirit assisting in other ways in promoting the public welfare.

For the past year's business and support generally, we thank all our readers and customers. It will be our earnest aim to continue to carry out the functions of a community newspaper as we see them throughout the year we are entering upon and we trust that the pleasant relations we have had with you are only an evidence of what we may expect in the future.

Benefit Held By Oddfellows Was Great Success

Large Crowd Enjoyed Dance and Card Games and a Good Sum Realized

The benefit dance, bridge and euchre, held on Thursday night last in the I. O. O. F. Temple, resulted in a splendid evening from a social point of view and in the receipt of a substantial sum of money to be devoted to relief in a specific case. There were about 190 people present and all thoroughly enjoyed the evening. There was dancing for those who wished to join in that form of amusement, both euchre and bridge games for those who preferred cards, and a general good time for all. The proceeds amounted to \$150.

Those in charge of the event

TOWN OF HAILEYBURY

Notice of Application to the Legislature of the Province of Ontario

Notice is hereby given that the Corporation of the Town of Haileybury, will apply to the Legislature at it's present session, for an Act authorizing the said Corporation to raise upon debentures without obtaining the assent of the electors thereto, a sum of money not exceeding Seventy Thousand Dollars (\$70,000) to consolidate the floating debt of Seventy Thousand Dollars (\$70,000) now outstanding against the said Corporation of the Town of Haileybury.

Also to authorize said Town to borrow sums of money not exceeding in the aggregate One Hundred and Eighteen Thousand Five Hundred and One Dollars and Thirty-four Cents (\$118,501.34) by the issue of debentures, payable in not more than thirty years from the respective dates of issue thereof, for the purpose of retiring or redeeming certain debentures of the said Town.

The existent Debenture Debt of the Town of Haileybury, is the sum of One Hundred and Thirty-four Thousand Dollars (\$134,000) exclusive of local improvement debentures, and no part of the said debt is in arrears for either principal or interest.

Dated the 25th day of February, 1931.

H. CLIFFORD,
Town Clerk,
Haileybury, Ontario

T. N. O. to Reach Moose Factory By August 15

Work on Extension is Well Up to Schedule; Piers of Bridge Now Completed

Geo. W. Lee, Chairman of the T. & N. O. Railway Commission, returned on Tuesday from an inspection trip over the extension north of Cochrane and stated that the work was well up to schedule planned. The 19 piers for the monster bridge over the Moose River have now been completed, he stated, and work of erecting the steel structure would commence on April 5th. Equipment and material for this part of the work will be taken north this week, and in the meantime, the trestle erected to facilitate the putting in of the piers and the erection of the steel structure is being strengthened in order that the large derrick required may be safely used.

Mr. Lee, who was accompanied on the trip by Mr. C. L. Burton, prominent Toronto business man said that if nothing untoward occurred, the bridge would be completed and the steel laid across by June 1st, and in any case not later than June 15th. Then the laying of the steel on the northern section would commence. This section consists of forty odd miles, through level country, where it is possible to lay steel at

wish to thank all who attended or otherwise assisted in making it such a great success. They acknowledge with thanks the donations of prizes for the card games, and ask that the names of the donors be included in this report. The winners were as follows:

Euchre, Ladies—First, Mrs. Burton; second, Mrs. Walsh; prizes donated by K. M. Stephen and O. J. Thorpe.

Gentlemen—First, A. J. Peacock; second, W. Paul; prizes by Nipissing Central Shop Employees and N. Abraham.

Bridge, Ladies—First Mrs. N. J. McAulay; second Mrs. G. Poppleton; prizes by Mr. and Mrs. Clow and A. P. Knechtel.

Gentlemen—First, C. R. McLean; second, K. Benner; prizes by Assaf & Co., K. M. Stephen.

Canadiens won the National Hockey League title by defeating the Boston Bruins last night at Montreal, in the fifth game of their series. Canadiens now play Chicago for the Stanley Cup.

the rate of one to one and a half miles per day. The first 25 miles of this stretch has already been graded and the work will be speeded up immediately the bridge is finished. As an example of what the country is like towards the end of the extension, Mr. Lee cited the fact that there will be only two curves in the last 46 miles of roadway. There appears to be nothing likely to prevent the completion of the railway to Moose Factory by August 15th, according to Mr. Lee.

The building of the bridge over the Moose is the largest single operation in the whole extension. It is about one third of a mile in length, the spans having a length of 110 feet each. The piers rise 50 feet above the level of the river and are specially constructed to resist the breaking up of the ice in the spring. It is very gratifying to the Commission to see the work on the extension being carried out within the schedule set at the commencement and it will be still more gratifying to all the people of Ontario when the provincially owned railway reaches the shores of the Bay.

Mr. Lee and Mr. Burton visited both Porcupine and Rouyn during their trip up over the week-end.

Public Accounts Outline Expenditure in the North

(Continued from Page 4)

spent on the Cochrane-Hearst road, \$40,675.06 on the Ferguson Highway and the balance on various other roads in the district, chiefly in the interests of settlers.

The complete figures for the district in which Haileybury is located are given below. Engineer D. J. Miller, of New Liskeard is in charge of this section. The figures are:

Ferguson Highway	\$226,542.00
N. Lisk-Elk Lake Rd.	17,226.82
Kruger Road (for Highway diversion)	16,923.40
Gowganda Road	9,986.77
Old Mission Road	9,273.43
Haileybury-West Rd.	8,172.45
North Road	7,366.22
So. Mindoka Road	7,704.83
So. Lorrain Road	6,907.31
Elk Lake Matachewan Road	6,800.96
Milberta Road	4,196.38
Elk Lake-Charlton Road	3,378.50
Casey-Brethour Rd.	3,211.96
Dixon Creek Bridge	3,304.19
Charlton Bridge	2,989.48
Crozier Bridge	2,783.15
Lowe's Bridge	2,668.64
Robertson's Bridge	2,063.34

McNabb's Bridge	1,948.70
N. Temiskaming Rd.	1,940.25
Equipment & Tools	25,582.80
General Maintenance, Settlers' and other Roads, Sundry expenditure	141,174.83
Total	\$512,136.41

The administration of the Department of Northern Development for the year cost a total of \$98,800.40. This included the salaries of the Deputy Minister, Mr. C. H. Fullerton, the chief engineer and assistant, the district road engineers, clerks, stenographers and other help in the Department, and the salary of W. R. Smyth, supervisor of settlements. With the exception of the payrolls of men employed in the actual construction work carried on by the Department, all expenditures are itemized in the book, so that anyone who has a flare for figures can secure any information he may desire.

WHEN FOOD SOURS

ABOUT two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians for correcting excess acids. 25c and 50c a bottle—any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

A FAMILY DOCTOR'S LAXATIVE IS BEST

Your health is too important! You cannot afford to experiment with your delicate bowels when coated tongue, bad breath, headache, gas, nausea, feverishness, lack of appetite, no energy, etc., warn of constipation. This applies not only to grown people, but more particularly to children. That's why a family doctor's laxative is always the safe choice.

Dr. Caldwell's Syrup Pepsin is prepared today under strict laboratory supervision from fresh laxative herbs and other pure ingredients, and exactly according to Dr. Caldwell's original prescription.

Today, millions of families rely on Dr. Caldwell's judgment in the selection of their laxative. For Dr. Caldwell's Syrup Pepsin, in bottles ready for use, sold in all drugstores, is now the largest selling laxative in the world!

Greet Spring with a SPIC-SPAN

Here is the handiest cleaner you have ever seen... the Premier Spic-Span... for drapes, furniture, stairways, out-of-the-way corners. Light and easy to operate. Get yours in time for spring cleaning. Make the small down payment shown: balance at \$1 a month. Cash price, \$18.75.
