Large Audience Enjoys Messiah on Good Friday

Choir of 40 Under R. H. Unwin Gave Solos and Choruses in United Church

A large audience in the Haileybury United Church thoroughly enjoyed the rendering of solos and choruses from Handel's "Messiah" by a choir of forty voices under the direction of Mr. R. H. Unwin, on Good Friday evening. It was a special feature of the Easter festival here and one which was in all respects of particular appeal to all music lovers. A long series of rehearsals had brought the singers to a state of near perfection and those who attended have been loud in their praise of the performance.

The recital opened with the chorus "And the glory of the Lord shall be revealed" and closed with the "Hallelujah", and interspersed with the solos were numbers from the famous composition that were exceedingly well given and that greatly pleased the audience. The soloists were Miss R. McCagherty, Mrs. A. P. Knechtel, Mrs. A. Woods, Miss K. Keddie, Miss I. Lang, Miss C. Lang, Miss M. Britten, Mr. C. W. Train, Mr. W. Jones and Mr. A. H. Hull. All these are well known singers of Haileybury and Cobalt and represent the choirs of several churches.

The recital will be repeated tomorrow, Friday, evening in the United Church at Cobalt, when those who missed hearing the performance last week will have an opportunity of enjoying a really high class entertainment.

St. Paul's Congregation Holds Social Evening

Members of the congregation of St. Paul's Church met on Tuesday evening in the parish hall for the first social gathering following the season of Lent and spent a very pleasant time. There were several old fashioned games and contests staged for the amusement of the gathering and at the close refreshments were served. It is the intention to continue these social evenings at intervals throughout the spring.

C. E. Fleming is Re-Elected Canadian Legion President

Poppleton, second vice-president, and the executive committee consists of J. T. Morton, T. Robb and Wm. Short. Jas. Reavell was re-elected as secretary for the year.

The veterans decided to join with other branches under the Provincial Command in a campaign for an increase in membership, to be carried out with the utmost endeavor during the present month. The objective of the Legion in Ontario is 10,000 new members.

South Temiskaming Dentists Held Clinic Here on Monday

The regular meeting of the South Temiskaming Dental Association was held in Haileybury on Monday, when dentists from the various points in the district gathered for a clinic. Dr. C. A. Kennedy, of Toronto, was in charge of the clinic and addressed the members of the profession who were present. The meeting was an interesting one for the men who are practicing in the North Country and who are endeavoring by this means to keep in close touch with all the latest scientific methods which are being discovered and put in use.

HUSBAND: "The doctor said a mustard plaster. Have you got it, Margaret?"
 VERY YOUNG WIFE: "I'm afraid we haven't any mustard, dear. Will you take one of chutney or tomato ketchup?"

SIR GEORGE LEARNS HOW TO FIND OUT WHERE HE IS

Hugh McFayden, first officer of the C.N.S. Prince Robert, explains to Sir George Perley, Canadian Government representative on the Canadian good-will and trade mission to the Argentine, just how he knows where the ship is. The bowl-like apparatus is a gyro compass which spins at terrific speed to assure stability. The diamond-shaped instrument is one of the new compact models of a wireless direction-finder to pick up radio stations and verify position.

BEWARE OF IMITATIONS

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria Harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.
 That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.
