Front Seats

ISN'T it positively wonderful how

the convention laws of society.

We'll obey these to the letter and think nothing on occasion of

breaking the written law. A man

thinks nothing of disobeying a traffic signal but it would be a

horrible thing to shake hands with a lady without removing his glove.

We're almost universally con-

servative-not politically speaking, of course-in our obedience to

these traditional matters. We

won't get married on the 13th, or

move the broom with the rest of the outfit when we move from one

house to another. And you've

heard the ancient saying, "Buy a

broom in May and you'll sweep a

child away." So one may go on, and on, and on. There is nothing

in it, of course not, but away some-

where in the back of our mind

something tells us that we can do

it just as well on the next day. So

the day is set for the 14th. The

old broom wasn't worth much

anyway, so we'll leave it behind;

or the old broom is in pretty good

shape, leave the purchase of a
