CLOSE MOTOR SHOW BY MONSTER BANQUET ON FRIDAY AT LISKEARD

The annual show of the Temiskaming Motor League, held last week in New Liskeard, was closed on Friday evening with a monster banquet at which a large number of members of the league and others were present.

It had been planned to have Hon. W. A. Gordon and Hon. Wm. Finlayson present for the occasion, but neither of them found it possible to come North at that time. Dr. E. P. Doolittle head of the Good Roads Association and a pioneer motorist in Canada, was the speaker of the evening and gave a splendid address, illustrated with lantern slides, on the beauties that are to be found throughout Canada.

Spruce Falls Mill Makes Record Without Accidents

What is believed to constitute a record for Canadian industry was made during the past winter by the mill of the Spruce Falls Power and Paper Company at Kapuskasing, when the plant was run for a total of 124 days without an accident involving loss of time by any workman. The spell was broken, however, on a recent Sunday, when one of the workmen got an arm injured while fooling with an electric loading machine, where it is stated he had

How to train BABY'S BOWELS

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels.

That is one sure way to train tiny bowels to healthy regularity. To avoid the fretfulness, vomiting, crying, failure to gain, and other ills of constipated babies.

Dr. Caldwell's Syrup Pepsin is good for any baby. For this, you have the word of a famous doctor. Forty-seven years of practice taught him just what babies need to keep their little bowels active, regular; keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3500 births without loss of one mother or baby.

DR. W. B. CALDWELL'S SYRUP PEPSIN A Doctor's Family Laxative

no business to be. He was unable to work the following day, thus interrupting the spell of good luck which enabled the mill to set the record, and was immediately discharged, it is reported.
