

# Kirkland Lake Again Victors In Haileyburian Relay Race

Carry Off Silver Shield For Second Successive Year After Breaking Previous Record in Six-Mile Run; Rain Slows Up Last Relay; Four Teams Compete

Kirkland Lake boys repeated their victory of last year in The Haileyburian relay race, held on Saturday afternoon last, and also broke the record for the distance by 58 seconds. Their time for the six-mile run was 30 minutes, 21 seconds.

Englehart lads again copped second place, 44 seconds back of the winners, while Haileybury, through an excellent last lap run by Keith (Spud) Valentine, captured third place, and North Cobalt had to be content with fourth. Haileybury's time was 31.52, 47 seconds behind Englehart, and leading the North Cobalters by 9 seconds.

The race was late in starting, not getting under way until nearly three o'clock, but the large crowd which had gathered to witness the event took the delay good naturedly, and waxed enthusiastic as starter Joe Isherwood put the boys on their marks and sent them away.

Kirkland led by two seconds at the end of the first mile, Walter Zaluski coming in a few yards ahead of Norman McPherson, North Cobalt, who in turn beat Harold Glassford, Haileybury, by four seconds. The Englehart runner, George Woods, was eighteen seconds behind the leader, Kirkland, though G. Davis, increased their lead in the second lap, with Aimo Wirta, their fifth runner reeling off the mile in 4.54 for the best time prize. Haileybury captured second best time when Keith Valentine running the final mile in the rain, marked up a 4.58 effort to win thunderous applause.

Other good times were made by W. Zaluski, G. Davis, Johnny McKeown, Kirkland Lake, Sid Edwards, R. Pilsworth and L. Sullivan, Englehart; N. McPherson, North Cobalt, and Harold Glassford, Haileybury.

The home boys had a very young team, and had only been in training a short time prior to the race, and their showing was very encouraging. The boys are determined to have a team next year, which will cause new records to be made to keep their names of the big shield.

H. Byberg of North Cobalt, a 12-year-old youngster, was the baby of the race, but he will make the others step in a year or two, as he has a nice style and seems tireless. His size was all that was against him on Saturday.

Another boy who is going to surprise the folks is Robert McArthur, who ran for Haileybury. This boy has quite a number of years ahead of him in which he will still be eligible for the race and will be heard from surely.

At the close of the event, the boys who competed, with their trainers and others accompanying them, were given a lunch at Hotel Haileybury, where they all apparently enjoyed a good plate of beans, cooked in the good old-fashioned way, and where the prizes which go to the first and second teams were presented. Each boy on the winning team

received a silver medal, suitably engraved, while bronze medals of the same size and style were awarded to those in second place. In addition to the shield and medals, a prize to the value of \$5.00 in goods was given by Chief of Police MacGirr to the boy who made the fastest time for the mile. This went to A. Wirta, of Kirkland Lake, who completed his lap in 4 minutes and 54 seconds. He had a close rival for this honor in Keith Valentine, of the Haileybury team, who made the mile in 4.58.

In presenting the shield and medals, J. T. Leishman told the visitors that he hoped that they had enjoyed the event as much as those who sponsored it and promised that it would again be held next year so far as could be seen at the present. Mr. C. H. Danard principal of the Kirkland Lake Public School, who accompanied the team from the gold camp, spoke briefly of the pleasure and satisfaction which they had enjoyed in competing and declared that the boys would again try to clip a few seconds from the time in the event.

The Haileyburian wishes to again extend thanks to the good sports of the town who assisted in carrying out the race. The town council cheerfully gave permission to close the street for the time required, F. L. Fleming, Joe Police, A. P. Knechtel, Bert Terrill, Dunc. Carmichael, Frank Lendrum, Joe Isherwood, Joe Marcella, Chief MacGirr and others gave their services to help handle the race and a large gathering of citizens witnessed the contest. The rain towards the end of the race caused little inconvenience.

## Sport Notes

J. A. Dewar's Cameronian, the favorite in the betting, won the great Epsom Derby yesterday from a good field, with Orpen second and Sandwich third.

The Toronto Maple Leaf baseball team in the International League seem to have hit a winning stride, having taken five in a row now. The team has had godo pitching all spring, but the hitting has been weak, and this latter defect seems to have been remedied by Manager O'Neill.
