

Northern Golf Tourney Will Be Held Here Next Week

Amateur Linksmen from Many Points in North Will Tee Off on Thursday Morning Next; Looks Like Greatest Championship Event in Many Years

Golfers from most of the large centres of the North will gather in Haileybury on Thursday, Friday and Saturday, August 6th, 7th and 8th, to compete in the sixth annual Amateur Championship of the North Country.

The course here is in wonderful shape this year, and it is certain that the club wielders will enjoy touring the tricky nine-hole layout.

It is expected that about sixty of the best will appear to contest for the title now held by Cliff Olliver, of Iroquois Falls, which he captured, under medal play conditions on the Idylwyld Club course at Sudbury last August.

Clubs almost certain to be represented are Timmins, Iroquois Falls, Kirkland Lake, North Bay, Sudbury, and, of course, Haileybury. Chapleau may also send a squad, and New Liskeard lads are likely to get their baptism of tournament play during the week.

The Northern Ontario Golf Association has been in existence for the past several years, but until this summer the various executives have been setting out regulations and carrying on from season to season without a constitution. At the meeting held in Haileybury last month, however, a committee composed of Messrs. Geo. W. Lee, Chairman of the T. & N. O. Railway Commission, and donor of the championship trophy; Hugh Park, the President of the N.O.G.A. and D. H. Millar, Secretary of the organization, were appointed to draft a constitution, which will be submitted to the annual meeting, to be held on the eve of the tournament opening.

The Association executive will also discuss this and other matters pertaining to the championship at a gathering scheduled for Haileybury on Saturday of this week.

The tournament will be conducted this year on the same plan as was followed in tourneys held prior to last summer: 36-hole medal play qualifying round, with the sixteen lowest scorers going into the championship flight at match play. The remaining players will enter the Consolation and play another 36 holes medal.

Prizes will be awarded the title winner and runner-up, the winner and runner-up of the Consolation, lowest score in the qualifying round, team prize to the four players from one club having lowest aggregate in the qualifying round. There will also be a prize for the highest score in the qualifying round, and one for the first golfer to bag an "eagle."

Among those favored to win will be ex-champions Howard Teskey and Bobby Lee of North Bay, Cliff Olliver, the present title holder, Jock Stokes, former of Timmins, but now of Kirk-

land Lake, Ben Merwin and H. Mutz, of Sudbury.

Other prominent golfers who are expected to attend, and from the ranks of whom may emerge the "dark horse" are Wilfred (Shorty) Green and Charlie Langlois, Sudbury; Geo. W. Lee, A. MacKenzie, Billy Brown, Dr. Campbell, Benny Nott, Harry Reynolds and Jack Lee, North Bay; Geo. Lake, G. N. Ross, G. S. (Scorchy) Lowe, W. Macpherson, Jimmy Todd, Timmins; E. M. Little, N. McTaggart, 'Army' Armstrong, B. Little, Iroquois Falls, and many others.

Arrangements for the entertainment of the visiting golfers are being made and it is hoped to make it an enjoyable few days for all. The tourney will end up with a dance in the club house on Saturday evening, and during the night the various prizes will be presented to the winners.

FAMOUS WRESTLERS ARE MATCHED FOR SHOW AT KIRKLAND SATURDAY

Two famous wrestlers, Stanley Stasiak and Jim Maloney, are the headliners for a big show which will be held at Kirkland Lake on Saturday, August 1st. They are two of the world's best and Willie Stevens, who arranges and stages the various athletic events in the gold camp, is to be congratulated on securing them for his next show, which is one of a series being put on throughout the summer. The match between the two big fellows, (Stasiak weighs 255 and his opponent 245) will be two falls out of three, with a two hour limit.

In addition to the wrestling match, there will be three boxing bouts of five rounds each, in which northern boys will meet fighters from other points. Denny Mahoney, of Kirkland Lake, will meet Johnny Kope, Montreal city champion at 135 pounds, Johnny Kellar, the Quebec champion, will box Jim McKenzie, of Kirkland, at 130 pounds and Donat Richards, of Timmins, has been matched with Chester Gabriel, Kirkland, at 135 pounds. It will be some show and will draw crowds from all adjacent points.

Church Union working Well

(Continued from page 1) ranged satisfactorily. At present Bishop Anderson is absent visiting part of the northern portion of his extensive diocese, and on his return it is expected he will visit Smooth Rock Falls for the purpose of administering Communion at a service to be held. Mr. Jones declared here that he felt there was a growing tendency in Canada toward some such scheme as had been worked out in his charge, and he thought it a satisfactory solution of the difficulty of maintaining church services in the smaller communities.

CAWLEY COMPETITION AT LOCAL GOLF CLUB IS WON BY MILLAR-HOUSTON

D. H. Millar and J. C. Houston last Saturday won the Cawley Best Ball and Aggregate Competition at the Haileybury Golf Club, defeating R. D. Cumming and Frank Carnegie on the 18th green, after a thrilling fight.

The winners were eight points up at the end of the first nine holes, but faded for a while in the second nine, and hit off to No. 18 only one point up. Mr. Houston's second shot was a beauty and really saved the day, dropping near the cup for an easy par four, and low ball to make sure of the game, and possession of the handsome leather golf bags, donated by President H. E. Cawley for the event.

The third round of the President's Cup will be played on Saturday afternoon. The draw has been made and posted at the club house. Members drawn should get in touch with partners and arrange starting time.

Latest Novel of Les. McFarlane Now Announced

New York Critic Enthusiastic in Review of Successor to "Streets of Shadow"

Getting away to a head start with an enthusiastic review by Will Cuppy, famous critic of the New York Herald Tribune, publication of Leslie McFarlane's new novel, "The Murder Tree" is announced for tomorrow. Mr. Cuppy, internationally known as one of the most discriminating critics of mystery novels, published an advance review of the local author's new book this week and left no doubt of his opinion that it marked a great advance over "Streets of Shadow", and summing it up as a smoothly written thriller in which "you get a whole flock of interesting riddles, a lot of honest clues to help you on your way, a rattling story and a good moral to keep you straight."

Leslie received a few copies of his book last week and no doubt The Haileyburian will receive one for review purposes at an early date. It is attractively gotten up with a cover illustration that certainly arouses one's curiosity and there is no doubt that it will be on many Haileybury bookshelves in the near future. It has been selected by the publishers, E. P. Dutton & Co., as their prize mystery novel for August.

Soo Plan Called Secessionist By Mayor of Cobalt

Council Will Have Nothing to do With "Unofficial" Legislative Move

The proposal from Sault Ste Marie calling for a meeting of "the Unofficial Legislature of the North" was branded as "a secessionist measure" by Mayor O'Gorman at a meeting of the Cobalt Town Council Monday night and his colleagues voted unanimously with him to have nothing to do with it.

"We are not interested in a secessionist movement," said the mayor, and the Council generally agreed with the contention of Teck township that the use of the phrase "Unofficial Legislature" was unfortunate and savors of secession, to which we are opposed." Council decided the time was inopportune and took no action.

The matter arose here when the clerk read a letter from Teck township, asking what the attitude of Cobalt would be toward the suggestion contained in the circular sent out by J. W. Curran, of Sault Ste Marie. Teck Council considered a meeting of the different mining municipalities more likely to accomplish some good.

Mayor O'Gorman thought that if Northwestern Ontario wanted such a conference, they could go ahead if they wanted to, but he thought this part of the province would have just as little show as at the recent road meeting in North Bay. Councillor Boughton said that, if the North was not represented we do not know what is going to happen. The circular from Mr. Curran was not discussed, and Teck will be told of the Council's view.
