North Cobalt Notes

Meeting of Unemployed

A meeting of the Buckle Township unemployed was held in the North Cobalt council chambers on Thursday, June 16, at 7.30 and was well attended. Owing to the absence of the Reeve, Councillor Belanger was in the chair and opened the meeting.

It was moved and seconded that J. Allan Ross, of the Ontario Provincial Committee in connection with unemployment and relief, be communicated with. Estimates given showed that between three hundred and fifty and four hundred were unemployed in the township.

Several complaints were made by a number of men who claimed they had applied for work at different times, but were given evasive replies. Another complaint was that a single man, not a taxpayer and living on mining property, had been employed steadily for two years on the government road, while married men with large families were unable to obtain work.

It was unanimously agreed that direct relief be given, instead of meals, to those in need, until such times as work could be obtained.

A committee of five were appointed to act as delegates to interview Hon. A. J. Kennedy in connection with this matter.

This committee will have full power to ask the Council's assistance in the cause. After a vote of thanks was given for their valuable services the meeting was adjourned.

A second meeting was held on Tuesday evening, June 21, and the building was crowded. Letters were read from the Reeve, also Hon. A. J. Kennedy, of New Liskeard. A list of names were taken of all unemployed, married and single. Between two and three hundred signed the register.

It was proposed and seconded that the secretary and Reeve write to Premier Henry and other members of the Government Relief Committee appointed by the Premier.

Between sixty and seventy per cent of taxes collected are used for schools, an dit was doubtful if half the amount would be collected this year. It was stated by best authority that little or no work would be obtained this summer, however, the council will do the best they can about the matter.

OBITUARY

Arthur Bert Cleveland-Iliffe

The death of Arthur Bert Cleveland-Iliffe, which took place in the Toronto General Hospital on Tuesday, June 21st, marks the passing of one of Haileybury's early citizens. He had been a resident here since coming from England in 1908, was 50 years of age and had been ill for several months. Surviving are his widow, one son, John, and one daughter, Miss Dorothy, who have the sincere sympathy of all their friends here.

The late Mr. Cleveland-Iliffe was born in Leicester, England, the son of John Cleveland-Iliffe, who is still living there. He was a grandson of the late Police Superintendent John Cleveland-Iliffe, of Market Harborough, and a nephew of Sir William Bull, of Leicester. Mr. Iliffe followed the profession of chemistry, but previous to coming to Canada had been associated with the Neilson Grand Opera Company and the Osmond Tearle Shakesperian Company, two famous theatrical organizations.

On coming to Haileybury Mr. Iliffe was first employed by the Silver City News, later by the municipality and then by the Curtis Defoe Drug Company, and the Jory Drug Store. For the past few years he has been employed by the Department of Northern Development. For many years Mr. Iliffe took an active part in the work of the Haileybury Horticultural Society and was the first secretary of that organization.

The funeral was held yesterday, interment being made in Mount Pleasant Cemetery, Toronto.

Emile A. Mino

The death of Emile A. Mino, son of Mr. and Mrs. John Mino, of Cobalt, and formerly of Haileybury, occurred at the family home on Lang Street on Wednesday morning, June 22nd. He had been in failing health for some time, but only during the last two months did his illness become acute.

The late Mr. Mino, who was 36 years of age, was born in Fairview, Mass., and came to the North Country with his parents and other members of the family 20 years ago. For a number of years prior to the fire in 1922 he lived in Haileybury, assisting his father and brothers in the shoe repair business on Main Street.

At the age of 18 Mr. Mino suffered an injury to his spine while playing football, resulting in partial paralysis, but in spite of this handicap, he continued actively to work in Cobalt until his fatal illness set in two months ago.

Surviving are his father and mother, four brothers and two sisters. The brothers are George of Roseville, Mich., Albert, Haileybury, Ben D., Kirkland Lake, and Henry, of Rouyn. The sisters are Mrs. E. Gauthier, of Cobalt, and Mrs. John Chalifoux, of Fabre, Que.

were too busy with worthy affairs to think of God." Mr. Reynolds, in commencing his address stated that the warm hospitality of this Northern Country was not unknown to him, having been here on former visits and he always looked forward with great pleasure to a trip into these parts. The climate was the finest on the continent, both in winter or summer. He congratulated Rev. T. E. McAllister on being a resident here and paid a glowing tribute to him for the work accomplished since taking over this charge.

Mr. Reynolds is a splendid speaker and had his subject well in hand. He outlined the serious and dangerous conditions existing in all parts of the world, and although Canada was most favorably placed, there was danger lurking here over which we should be greatly concerned. He urged that the Russian spirit be not allowed to enter if we wished our churches left intact. "Canada needed strong men today to direct her destinies," he said. "We need men in even the most insignificant official position whom the lust of office cannot buy."

Rev. Fred Bennett was the last speaker to address the meeting. He briefly outlined the qualities that constituted a missionary in foreign lands. Some just completing their studies had been called crazy for taking the step when the call came. Their careers would be ruined and opportunities lost, "but the world does not understand," said Mr. Bennett. "Those who take the step, however realize the significance of the great calling."

The Misses Audry and Alice Davidson assisted in the evenings programme by rendering a duet.

The Board of Trade of North Bay will again operate a tourists information bureau this summer.

Three men arrested at Amos last week are believed to have been responsible for a series of burglaries in Cobalt recently.
