**Rain Yesterday Evening Interfered With Street Fair**

Heavy showers yesterday evening interfered with the annual street fair held by the local Chapter of the I.O.D.E., but in spite of the wet conditions some of the booths were doing business and there was quite a crowd on the streets. No attempt was made to hold the outdoor dance, as the pavement was entirely too wet and slippery.

**Boy Loses Hand From Explosion of Dynamite Cap**

**Gordon Ruttan Worst Sufferer in Serious Accident Among Four Children**

Gordon Ruttan, aged 11, son of Mr. and Mrs. J. A. Ruttan, Blackwall Street, Haileybury, lost his left hand when a dynamite cap exploded as he tried to remove the contents with a pin last Thursday afternoon.

Elsie McClanahan, four years old, daughter of Mr. and Mrs. R. J. McClanahan, was slightly injured in the same explosion and Albert Belec, nine, and Joyce Ross, 11, escaped injury, although they were quite close to the others when the accident took place on the verandah of the Belec home. The children all live in the same neighborhood and it was after the Belec boy had tried in vain to remove the contents of the cap that Gordon Ruttan had made the attempt with a pin, which brought the explosion.

The Ruttan boy's hand, in which he held the cap, was so badly torn that it was found necessary to amputate it at the wrist. He is still in the Misericordia Hospital, where he was rushed immediately after the accident, and is making progress towards recovery, although the severity of his injuries, which included cuts to his left leg and the severing of the top of his right thumb.

The little girl was also taken to the hospital, but her injuries were not found serious. Dr. W. C. Arnold was summoned immediately and rendered first aid, finding it necessary to amputate the mangled hand on Friday morning.

Mr. Ruttan had just arrived home from work, bringing Gordon with him, on Thursday evening. The family had planned to start the following morning on a two weeks' trip by motor to Southern Ontario points, and were preparing when the boy went to the Belec home and within a few minutes the explosion occurred. The injured children were rushed to the hospital by Mr. Ruttan and Mr. Hugh Ross, father of the fourth child in the party. Mr. Ross paid a high tribute to the courage of the Ruttan boy after the accident, relating how the lad had sent a message to his mother telling her he was all right and not to worry. To his father, Gordon said that he had spoiled the holiday for which he was truly sorry, and throughout has been doing his very best to suffer uncomplainingly and bravely.

The detonator which caused the trouble is said to be one from a box that some of the children had found in an unoccupied house on the same street, owned by Duncan Hurley, a Firstbrook Township farmer, who has not lived in town for some time.

Chief of Police MacGirr and Mr. Ruttan went to the farm and made enquiries from Mr. Hurley, who stated that he was not aware of any caps being in the house and that he had left none there. He stated that he had purchased some in May to use in blasting stumps, but they were of a different size. A search of the homes of the children involved brought to light the tin box in which the caps had been packed and what was believed to have been all that it contained when the children are said to have discovered it on a back window of the empty house. Up to the present, nothing definite has been learned by the chief as to how the caps came to be left there or who owned them. They are of an old type, Chief MacGirr says, and of a larger size than those commonly used for blasting operations in land clearing.

**Visitors from England Making Tour of the North Country**

A party of four visitors from England relatives of Mrs. C. C. Farr, have been in Haileybury for some days now, guests at Mrs. Farr's home on Brewster Street. They are visiting various points of interest in this part of the North Country and are having an enjoyable time.

Mr. George Wigelsworth of Hull, Mr. Edward Wigelsworth, Brighton, Mrs. Lowther, of Hastings, and Mrs. Frank Wigelsworth, of Bromley, Kent, are the members of the party. Mrs. Lowther and Mrs. Wigelsworth are the daughter and daughter-in-law, respectively, of Mr. Edward Wigelsworth.

This picture of Mrs. Elvira Barney, former wife of an American singer, who is charged with the murder of Thomas William Scott Stephen in her London apartment, was made recently as she posed with her mother, Lady Mullens, wife of Sir John Mullens. Mrs. Barney is said to have been entertaining a Bohemian party at her flat just prior to the fatal shooting.

**VISITOR FROM NORTH DROPS CAR INTO HOLE AT THE MARKET WHARF**

J. M. Woods, formerly of Haileybury, who came to town on Sunday from Schumacher for a few days' visit, had the bad luck to have his car drop into a hole at the edge of the market wharf immediately on his arrival, with some slight damage resulting.

He drove down Main Street and backed onto the edge of the wharf, where it appeared to him that there was a nice piece of grass to park on. When the wheel of the car struck the hole the door, which was open, came in contact with the cement railing, twisting it to some extent, but no other damage resulted, although it was necessary to bring a wrecking car from a garage to extricate the machine.

Mr. Woods, familiarly known as "Happ" spent a few years in Haileybury before going north. He is now making a tour of the country for the purpose of collecting landscapes and views of the beauty spots in Northern Ontario.

One mining man in town informs us that the Galatea has made a further payment on its property, news that will be welcomed by local men interested.

**Glorious Twelfth Will Be Celebrated Here Tuesday**

Next Tuesday the Orangemen of this district will assemble at Haileybury for the annual celebration of the Glorious Twelfth of July, when it is expected that all lodges from Temagami to Kirkland Lake, comprising South Temiskaming County, C 60, will be out in full force. A monster parade with life and drum bands will be formed at the Orange Hall on Browning Street at 1.30 p.m., and the brethren will march in procession to the grounds of the public school, where the main celebration will be held.

There will be a program of field sports, which will include a softball tournament between teams from the various lodges, races and other events for old and young, besides other attractions which will help to make up a full day's enjoyment. A program of addresses by prominent speakers is being arranged and there will be plenty of amusement on the grounds in the afternoon.

Lodges from the north will come by motor bus from Kirkland Lake and by train from the Elk Lake branch, while those from the south will use the regular trains.

**NEW TRAIN SERVICE ELK LAKE TO COBALT COMMENCED ON MONDAY**

The new train service between Elk Lake and Cobalt, designed to overcome the shortage which has followed No's. 17 and 18 being placed on a tri-weekly run, was inaugurated on Monday and bids fair to prove satisfactory to the residents of this part of the district. The train leaves Elk Lake at 7.15 a.m., arriving in Cobalt at 10.00 o'clock. On the return trip it leaves Cobalt at 3.45 p.m. and arrives in Elk Lake at 7.45.
