

## Leads Field in Bowling Club's Tournament

Bill Joy's Rink Undeclared in Two Games; Contest Will Finish August 28

Bill Joy's rink, with two wins in two starts, is leading the field in the Haileybury Bowling Club's tournament which got under way on July 28th and is scheduled to finish on the 28th of August. Leslie McFarlane's rink, with three wins in four games, is close behind Bill's quartet in the percentage column.

On Tuesday night Joe Isherwood's squad went down to a 15-8 defeat before John Maltby's wood-heavers and on the same evening Art Hull's rink took McFarlane into camp by a 14-7 count. Last week, for the first time on the local green, the bowler's dream was realized when Joy's rink, skipped by Tommy Duncan in the absence of his chief, scored an eight end against Charlie Rechin, every bowl hurled by the Joy four counting in one end.

The standing of the rinks at the finish of the games on Tuesday night was as follows:

### Home-Made Harpoons Kill White Whales for Dog Food

Come and get 'em! That is the answer to the white whale question, so far as residents of Churchill and the Hudson Bay region are concerned. There are tens of thousands of these greater porpoises in the Churchill river, the harbor and outer waters, according to information reaching the Canadian National Railways. Trappers take the whales without trouble by using a home-made harpoon made of scrap metal. They go out in a canoe with a piece of board or an empty can for a float, harpoon the animal, and leave the tin can or board attached as a mark which shows them the location of the whale when it is dead. Then they haul it ashore and cut it up for dog feed. People in these regions, however, are satisfied that something should be done to reduce the white whale population. They show that these large animals do away with vast quantities of the small fish that are of value.

This picture, taken in 1906, shows Charles Perry with the ancient statue which he found in 1896. This statue is one of two marble columns which were recovered from the ruins beneath the Olympic Stadium at Athens and decorated with a wreath of living laurel during the 1906 games, recalling the first Olympic Games at Hellas.

## Firemen Meet in Tournament at Liskeard Beach

Seven Brigades Stage Contests on Civic Holiday; Great Crowd Present

In the presence of a large crowd of merrymakers at New Liskeard Beach on Civic Holiday, Monday of this week, seven brigades from the territory of Cobalt and Rouyn contested the various events staged in an invitation tournament arranged by the New Liskeard Department. The weather was fine and holiday makers from the three towns, together with numbers from other places, had a great day. In addition to the firemen's events, there were games of baseball, softball and lacrosse and there were also many other attractions which kept the crowd amused during the afternoon and which were well patronized throughout the day.

The results of the various events were as follows:

- Waggon race—Kirkland Lake, 57 2-5 seconds; Rouyn, 58 4-5 seconds.
- Ladder race—Noranda, 16 3-5 seconds; Cobalt, 17 seconds flat.
- Other brigades taking part were: Swastika, Haileybury and Hill-Clark-Francis, Ltd., New Liskeard, as hosts, did not participate officially.

## Local Boys Win Second and Third in Trophy Swim

Graham Kearney and Melbourne Doyle Cover Three Miles in Good Time

Two Haileybury boys, Graham Kearney and Melbourne "Fat" Doyle, finished second and third respectively in the White Marathon Swim, held on Saturday last in connection with the T. & N. O. picnic at Liskeard Beach. The trophy itself, donated several years ago by George White, went to Donald McMonagle, of New Liskeard, who finished a considerable distance in advance of the local boys. The first report was to the effect that McMonagle had been disqualified, on account of his not covering the proper course, but a later decision of the judges gave him the trophy. Graham Kearney was the winner of the event in 1931.

The course was laid out from Moore's Cove to the beach, a distance of approximately three miles. The lake was rough and there were occasional showers during the time the race was on, which tended to slow the swimmers up to some extent. There were three other swimmers entered.

There was some 500 excursionists who attended the picnic from North Bay, a special train of a

dozen cars bringing them up in the morning and returning in the evening. Although the rain interfered to some extent with the sports program, it was completed before the return trip of the picnickers and all enjoyed the outing. The visitors brought along with them the T. & N. O. band, which from its point of vantage in the grandstand at the beach enlivened the proceedings with a variety of selections. An increased service on the Nipissing Central for the day enabled many of the visitors to call on friends in both Haileybury and Cobalt.

There were two games of baseball, one against a New Liskeard team at the Beach and the other against a team of miners in Cobalt. In the former the visitors won by a score of 13-2, while Cobalt, the home team, defeated the railroaders to the tune of 14-3.

There were also two games of softball by ladies teams played during the afternoon, one between the North Bay Capitols and the Cobalt Minerettes, resulting in a 12-11 victory for the latter. The Capitols had previously eliminated the Vitalitys, also

from North Bay, by 10-5.

In the races several New Liskeard names appear among the winners, among them that of

Mrs. Beach, who won the event for married ladies. The whole day was a pleasant one in spite of the rain.

# Seldom Are Substitutes Equal in Quality

**INSIST UPON BRANDED, Trade-Marked and Advertised Merchandise.** Do not accept a substitute for what you name. Long experience has shown that goods which are widely and steadily advertised in the newspapers are the ones that are worthy of your faith.

Modern Newspaper Advertising does you a great service; it permits you to accept without fear goods you have never tested. What others have believed in and accepted you also may buy with confidence.

Advertisers must be, and remain, honest, if they want to be successful in business today. Their announcements bear their names and signatures. They tell the truth to protect themselves as well as to safeguard you.

A Newspaper Advertisement is a publicly printed bond between advertising merchants and the buying public. It is the strongest guarantee for goods of honest quality at fair and competitive prices.

Thrifty Shoppers will buy Advertised Goods and refuse to accept any substitutes.
