

Injured Hunter is Recovering From Gunshot Wound

Condition of Jack Caverley is Stated to be Somewhat Improved

An improvement in the condition of Jack Caverley, young married man of Kirkland Lake, and a former resident of Cobalt, who was seriously hurt when his gun went off unexpectedly while he was duck hunting last Friday, is reported in messages from his wife in Toronto to relatives in Cobalt. Mr. Caverley is a patient in the Toronto General Hospital, and Dr. E. W. Mitchell, also formerly of Cobalt, has hopes of saving his right arm if the improvement is sustained.

The young man was in a punt on the Amikougami river, near Kirkland Lake, when the accident happened. He went to draw the 12-gauge shotgun toward him, when the trigger caught and the barrel was discharged. The full force of the shot was received by the hunter in his right shoulder, which was badly shattered. He walked a mile out to the road, was given a lift into Kirkland Lake, and after treatment there by Dr. C. G. Smith, was sent to Toronto by Saturday's train.

On Monday, a message from the city intimated that the patient's condition was serious, as infection had set in, and his wife, his brother, Blake, his sister, Mrs. Watkinson, and Carl Hutt, started for Toronto by car. At the time he went through here last Saturday, there was some doubt if the arm could be saved, but the last reports yesterday are more reassuring on this point.

Jack Caverley is well-known in Cobalt. In his boyhood days he was actively associated with the Y.M.C.A., and one year carried off the shot put championship of Ontario in his class when performing under "Y" colors at a meet held by Broadview Y.M.C.A. in Toronto. For some years past he has been living at Kirkland Lake. Mrs. Caverley is the former Miss Hattie Cameron, daughter of Robert Cameron, who is mine captain at the Barry Hollinger property in Boston Creek.

Don Neelands is Junior and Senior Club Champion

Wins Purchas Memorial Cup by Defeating Dr. R. C. Lyon in Final Last Saturday

Don Neelands, youthful member of the Haileybury Golf Club, who annexed the Junior championship a couple of weeks ago from a small field of youngsters, proved that he was master of the Senior division on Saturday last, when he won the Purchas Memorial Trophy, emblematic of the club title, defeating Dr. R. C. Lyon in the final, 4 up and 2 to play.

Don's game has improved wonderfully this year and he is now shooting the difficult local layout in figures not far removed from par. He had a slump early in August when he attended the Northern Ontario championship tourney at Timmins and did not make the grade to qualify there, but his game is back to normal again and he had a comparatively easy trip to the local title, defeating most of his opponents by comfortable margins.

In the quarter finals Dr. Lyon won from H. E. Cawley, M. C. H. Little won from C. P. Furlong, Don Neelands defeated N. J. Everard and W. A. O'Flynn eliminated D. E. Sutherland.

In the semi-finals Lyon beat Little and Neelands beat O'Flynn

DENTAL ASSOCIATION HEARS LECTURE FROM UNIVERSITY DOCTOR

The South Temiskaming Dental Association met in Hotel Haileybury on Monday afternoon with a full attendance of the members from points between Cobalt and Kirkland Lake, to attend a clinic held by Dr. R. G. Ellis, of the University of Toronto. The subject of the doctor's lecture was "Prosthetic Dentistry," which was made particularly interesting to the gathering through the medium of lantern slides and other illustrations.

At the short business meeting which followed the clinic the dentists arranged for their annual golf tournament, to be held on the Haileybury course in the near future. Dr. Hill, of Kirkland Lake, is president of the Association this year.

COMES THROUGH TWO STRENUOUS GAMES TO WIN SCOTCH DOUBLES

Bill Joy and Charlie Austin came through two strenuous games at the local bowling green on Friday evening last to win the Scotch Doubles in fine form and carry off one of the coveted prizes of the bowling season. The contest had been narrowed down to four rinks on Thursday and in the draw for the semi-finals Joy opposed Jay Gould while J. E. McCuaig and Sheriff Caldbick fought out the other contest. In both of these games there were fairly easy victories, McCuaig having a good lead over the Sheriff and Joy winning his game easily, but in the final there was a stiffer contest. The winners bowled consistently throughout and there was considerable interest shown in the game by a good number of spectators.

The President's Cup, donated by Judge Hayward for annual competition at the local Golf Club, was won this season by R. D. Cumming, with L.H. Ferguson runner-up.

The trophy is for the best three cards in four turned in during the event, a round of which is played in June, July, August and September.

In the Matter of the Estate of Lorne B. Howey, late of the Town of Haileybury, in the District of Temiskaming, Deceased.

NOTICE is hereby given that all persons having any claim or demand against the late Lorne B. Howey, who died on or about the 29th day of May, 1932, at the city of Winnipeg in the Province of Manitoba, are required to send by post prepaid or to deliver to the undersigned Solicitor for Clara B. Howey, Executrix of the Estate of the said Lorne B. Howey their names and addresses and full particulars in writing of their claims and statements of their account and the nature of the securities, if any, held by them.

AND TAKE NOTICE that after the 15th day of October, 1932, the said Clara B. Howey will proceed to distribute the assets of the said deceased among the persons entitled thereto, having regard only to the claims to which she then shall have had notice and that the said Clara B. Howey will not be liable for the assets or any part thereof to any person of whose claim she shall not then have received notice.

DATED at Haileybury, this 14th day of September, A.D. 1932.
R. D. CUMMING,
Haileybury, Ontario,
Solicitor for the said Clara B. Howey.

Seldom Are Substitutes Equal in Quality

INSIST UPON BRANDED, Trade-Marked and Advertised Merchandise. Do not accept a substitute for what you name. Long experience has shown that goods which are widely and steadily advertised in the newspapers are the ones that are worthy of your faith.

Modern Newspaper Advertising does you a great service; it permits you to accept without fear goods you have never tested. What others have believed in and accepted you also may buy with confidence.

Advertisers must be, and remain, honest, if they want to be successful in business today. Their announcements bear their names and signatures. They tell the truth to protect themselves as well as to safeguard you.

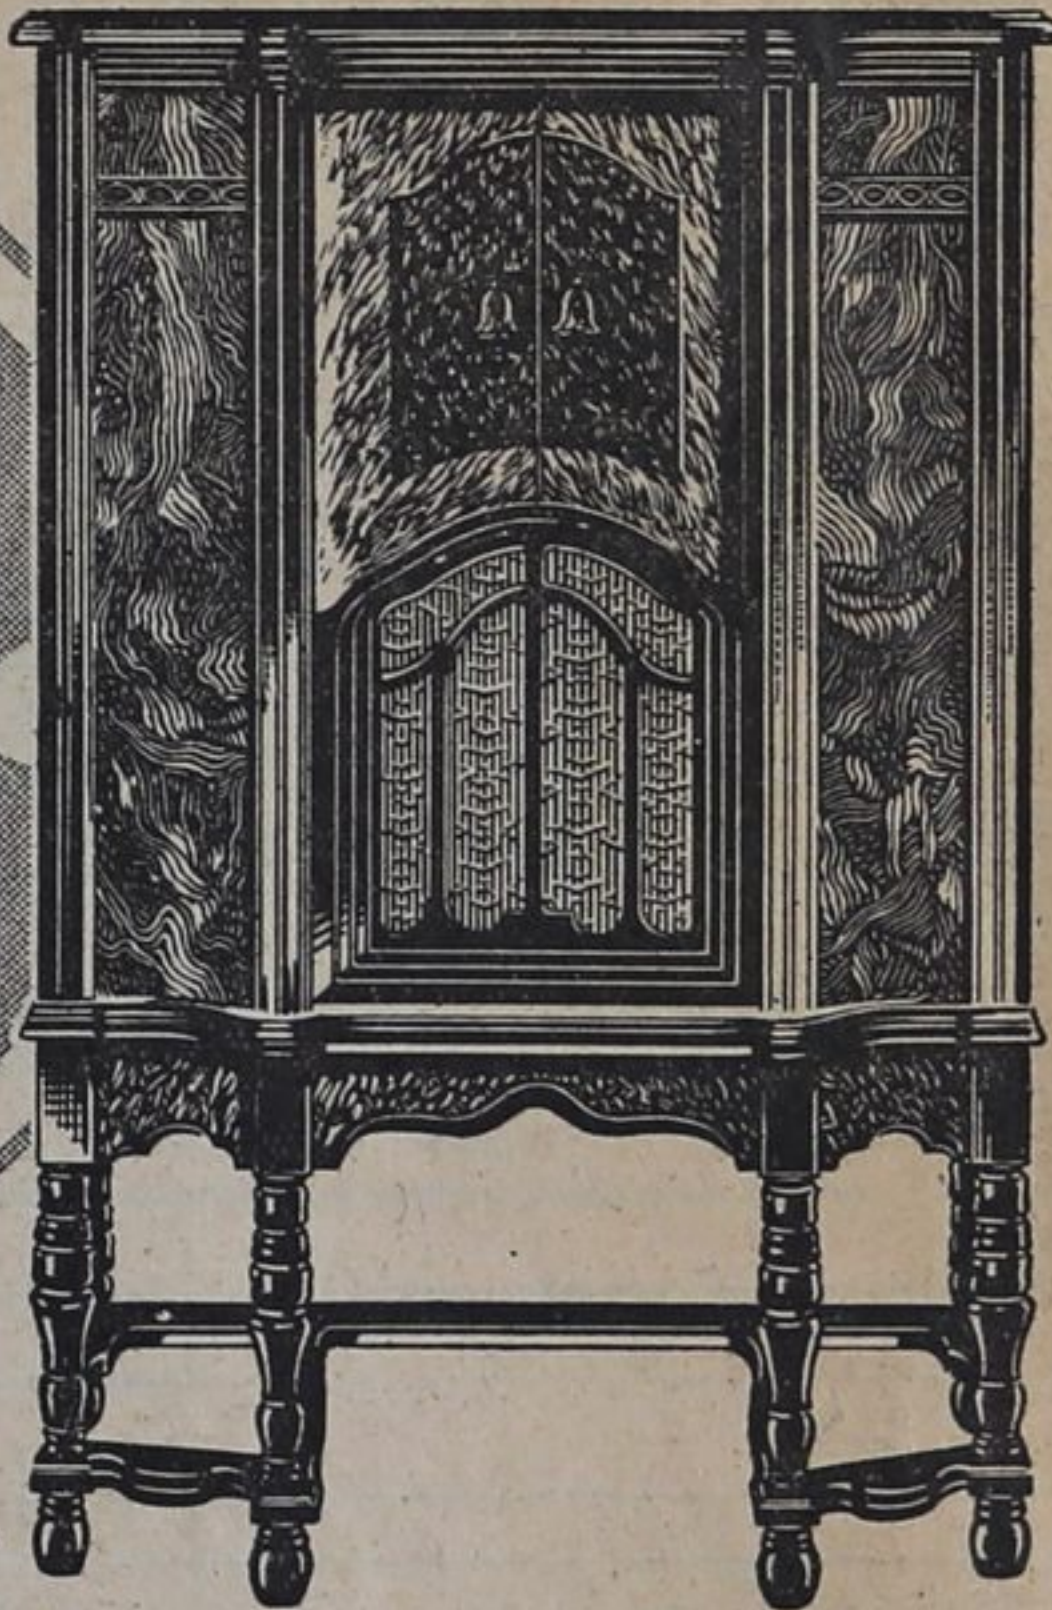

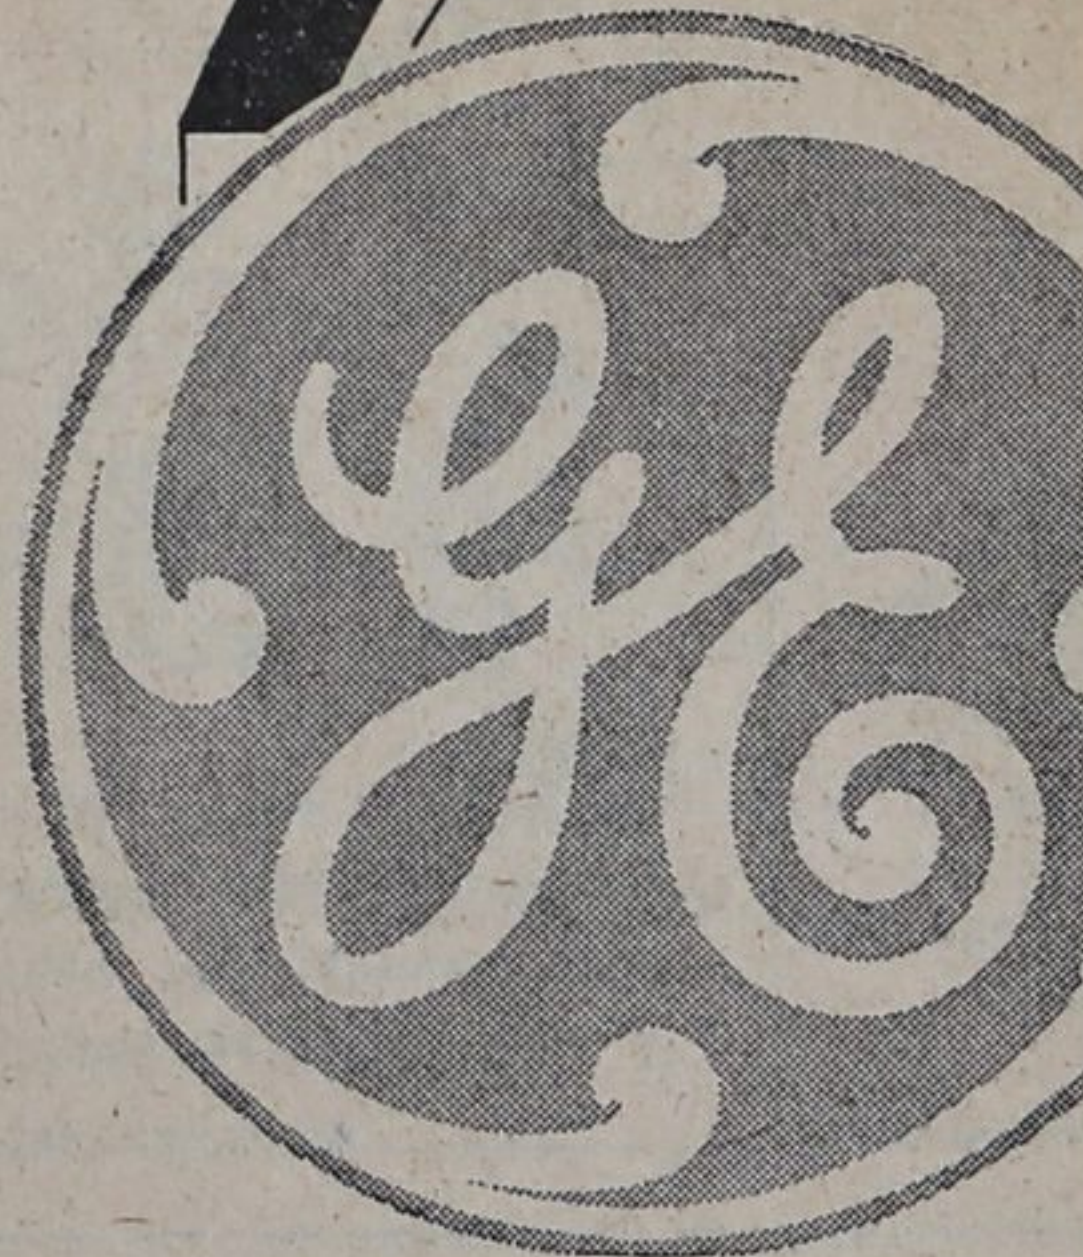

A Newspaper Advertisement is a publicly printed bond between advertising merchants and the buying public. It is the strongest guarantee for goods of honest quality at fair and competitive prices.

Thrifty Shoppers will buy Advertised Goods and refuse to accept any substitutes.

Here is a Message to all Shoppers of both sexes and varying Incomes

Consistent Advertising in The Haileyburian Will Bring Customers. Try Our Want Ads. for Results.

7 MAJOR ENGINEERING ADVANCES

New General Electric Radio beats even the famous Tone-Test Winners!

GENERAL Electric Radio has already earned a continent-wide reputation for realistic tone. During the past twelve months, in a series of unbiased tone-tests with other famous makes, G-E Radios have won again and again.

But now General Electric has bettered its best! A magnificent 12 tube Super-Heterodyne model—the J-125—introduces the amazing new high-power "Twin-Push" Amplification which greatly improves tone at any volume.

This new radio set is re-engineered from end to end. It uses new type tubes, of a higher efficiency than has ever been achieved before.

It has power so boundless that even the "peaks"—the spoken exclamations, the musical crescendos—come through without a trace of distortion.

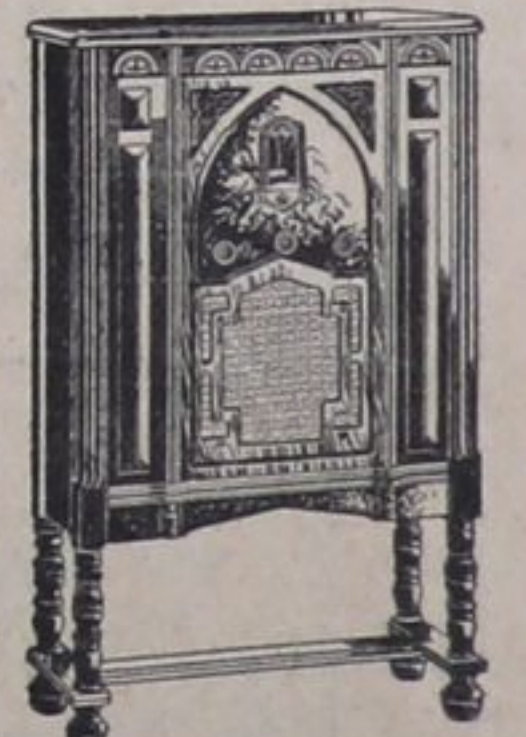

Read over the radical new features of this great General Electric Radio. Then by all means hear it.

MADE IN CANADA

R-52XS

G-E Table Model J-72 (7 Tubes) \$69.50 Complete with New Type G-E Radiotrons

G-E Console Model J-86 (8 Tubes) \$109 Complete with New Type G-E Radiotrons

Believe your Own Ears

1. "TWIN-PUSH" AMPLIFICATION, produces tone of extraordinary power and fidelity.
2. TWELVE NEW TYPE G-E RADIOTRONS, giving purer tone quality and quieter operation.
3. DUAL AUTOMATIC VOLUME CONTROL, acts instantaneously in reducing the effects of fading, and holds all stations to the desired volume.
4. AUTOMATIC LO-TONE COMPENSATOR, giving full rich tone, automatically, at any volume.
5. NEW DYNAMIC SPEAKER.
6. SPECIAL HAND-OPERATED TONE CONTROL, to give any desired shading of tone without loss of essential notes.
7. GREATLY IMPROVED G-E TONE EQUALIZER, with acoustic orifices of G-E design which eliminates cabinet "boom."
