WEDDING BELLS

Herron—Austin

A lovely autumn wedding had its setting at the home of Mr. and Mrs. Wm. Robb, Moore's Cove, on Wednesday afternoon, September 28th, when Norma Jane, elder daughter of the late Mr. Norman Austin and Mrs. Austin was married to Lloyd Wilson, only son of Mr. and Mrs. Frank Herron of New Liskeard.

A profusion of Fall flowers made the house very attractive for the ceremony at which the Rev. W. A. Beecroft of Hailey- bury officiated. The bride wore a youthful gown of lettuce green pebble crepe with black velvet jacket and turban. The bridal bouquet consisted of butterfly roses and lily-of-the-valley.

The bridesmaid, Miss Vera Austin, sister of the bride, wore a frock of pale pink flat crepe, and carried a nosegay of roses. The groom was supported by Mr. John England of New Liskeard.

Immediately after the ceremony a dainty lunch was served. Relatives and immediate friends were present to express their best wishes and goodwill to the young couple. Mr. and Mrs. Herron left later to make their home in Rouyn, Quebec.

MOTHERS ARE INVITED TO BRING THEIR BABIES TO WELFARE CONFERENCE

The mothers of infants and children of pre-school age are invited to attend the Child Welfare Conference which is held every Thursday afternoon in the public health office at the Knights of Columbus Hall. The public health nurse in attendance there will advise mothers regarding the care of infants and children. Literature dealing with numerous phases of infant and child life is available, printed in both English and French. The nurse will be glad to discuss any problems with mothers.

Bring the baby—and watch his weight—is he making a gradual gain? Come to the Conference any Thursday afternoon at any time between two and five o'clock.

To Hold Series of Dances During Fall and Winter Months

The Haileybury Chapter, I. O. D. E., has made plans for a series of dances to be held during the fall and winter months in the Armories Hall, the first of which will take place on Monday evening, October 17th. The ladies, who have done so much splendid work of a public service nature in town during past years, find that their funds are running low and, as they have several problems facing them for the winter, have decided that the best way to replenish the treasury is by the means of entertainments of this nature. It is well known that they always provide good entertainment at their social affairs and the success of the coming series of dances may be taken as assured.

Hold Meeting of Children's Aid Society on Tuesday Next

The regular monthly meeting of the Children's Aid Society of Temiskaming will be held on Tuesday afternoon next, October 11th, in the Masonic Temple, Haileybury, at 3 o'clock. This is one day later than usual, the delay caused by the Thanksgiving holiday falling on Monday, which is the regular date. It is requested that all members of the Society, and any others interested will make a special effort to attend as there are several important items of business to be attended to.

Relief Committee Extends Thanks for Help Received

The Haileyburian has been asked this week to publish a few words of thanks from the town relief committee for the response which has been made to the appeal for clothing for the families of the unemployed in town. Generous donations of used clothing have been received and several families in reduced circumstances will profit from this. Those in charge are grateful to all citizens who have helped and wish also to extend thanks to the churches and other organizations which have come to the assistance of the ones in distress. There will be further calls made, it is feared, and even now there is still need of clothing, which will be gratefully received.

OBITUARY

Alfred Olson

Mr. and Mrs. August Olson, residents of the district a mile west of Haileybury, received a message yesterday morning to the effect that their son, Alfred, had died that morning in Montreal, where he has spent the past three years, following his occupation of plasterer. They had received a letter written on September 22nd last, to the effect that he was suffering from an attack of pleurisy, but as no further word came they had hoped that he was recovering. No particulars were contained in the telegram received.

Mr. Olson was 24 years old and was unmarried. He was well known to a large circle of friends in this neighborhood where he had spent his boyhood and where he was a general favorite. He had completed his apprenticeship in the plastering trade here before going to the city and was a steady, industrious young man. His body will be brought home for burial, but the funeral arrangements had not been completed late yesterday. The Olson family has the sincere sympathy of all their friends.

ber 30th, at his home in North Cobalt, where he had been ill for the past year, suffering from a bronchial affection. He was 77 years of age and had been a resident of Temiskaming for the past 27 years.

Mr. McAnaul, who was born in Ardway, Que., came to the district in 1905, making the trip up Lake Temiskaming from Mattawa by boat, with his wife and young family. At that time the T. & N. O. Railway had been built through this part of the district, but travellers were still using the water route. He settled on a farm in Dymond Township where he continued for some years, later moving into New Liskeard when his health failed him. Since leaving the farm, he had followed various occupations, chiefly as a carpenter, and some four years ago moved to North Cobalt. He is survived by his widow and a family of eight. There are two small boys, aged 5 and 10 years, and the others all grown to man-

hood and womanhood. The funeral was held on Monday afternoon, with the service in North Cobalt United Church, conducted by Rev. F. S. Milley, and interment in Silverland Cemetery. A large number of friends and neighbors gathered to pay their last respects and to extend sympathy to the sorrowing widow and family.

Next Monday, October 10th, will be Thanksgiving Day and will be generally observed as a holiday throughout Canada.
