Plans for Season Made at Curling Club Gathering

Thirty - Five Members Present are always welcome. and Considerable Discussion Takes Place

Haileybury Curling Club assem- enter the tourney; there is no entrance bled last Thursday evening in the fee. Solutions should be sent to P.O. Matabanick Hotel to partake of Box 475, Haileybury within two weeks the annual dinner and elect offi- of the date of the problem appearing. cers for the coming season. Full In two-move problems, only the key justice was done to the turkey move need be given; in three-movers, dinner prepared by Mr. and Mrs. essential variations must also be sub-Bulger, and the meeting got to mitted. Scoring will be as follows: work at serious affairs.

read and adopted, the balance remaining after the past season's rect or missing variations (up to three operations being turned over to points) at the discretion of the judge. the Curling Club Limited.

J. C. Crawford as president, while vice-president, C. P. Furlong as points between now and June 1st, 1933. 1876. In 1912 he invented one of the North while at the Toronto exhi- Sedan, 1927 model, Serial No. 15575, secretary. Last year's executive to time during the tourney in this col-Messrs. A. P. Knechtel, Lorne H. umn. Competitors may enter under Ferguson, D. E. Sutherland, T. 1 Duncan and Wm. Short were also re-elected.

Directors of the Limited Company were present and made suggestions regarding the operation of the rink for the season, and these were discussed and the whole mater left for the officers of the Club and the Directors of the Company to arrive at an amicable agreement. The amount turned over by the curlers this fall was not sufficient to cover the running expenses of the Company, and some ne. arrangement will have to be made for the season now coming on.

The presentation of prizes to the rinks winning the various Club Competitions last winter was a pleasant feature of the evening, and each winning rink received their due of praise on their achievements.

Several good suggestions were offered to aid in making the approaching season a successful one, and they were passed on to the executive to deal with.

Second Toxoid Treatment to be Given Tomorrow

Will Also Include Children of Pre-School Age; Mothers Invited to Clinic
