HALLOWE'EN QUIETLY CELEBRATED WITH NO SERIOUS DAMAGE DONE

One of the quietest Hallowe'ens in many years was the way Chief MacGirr described the doings in Haileybury on Monday night. There was practically no damage of a serious nature through the mad pranks of those who observe the festival in that way and, although there were special constables on the job throughout the greater part of the night, they had little or no trouble in keeping the gatherings under control.

The children were out in force as usual during the earlier part of the evening and took the usual toll of "Hallowe'en apples" from householders, but this is an established custom and every one expects it and takes the fun in good part. The evening was marked by a rather heavy fall of snow.

ANNUAL DANCE TO AID CHILDREN'S SHELTER A SPLENDID SUCCESS

The annual dance in aid of the Children's Shelter, held on Friday evening last, was a splendid success and, not only did those attending spend a very jolly evening, but the work of the Children's Aid Society got a good boost and there will be many comforts provided for the little ones at the Shelter as a result. The dance was held this year in the I.O.O.F. Temple, Broadway Street, and there was a large attendance. McKnight's Orchestra from New Liskeard, supplied the music.

The dance was in the nature of a masquerade, prizes being offered for both fancy and comic costume for ladies and gentlemen. When the judging of these was completed, it was announced that Mrs. J. J. MacDonald and Mrs. W. A. Beecroft were the winners among the ladies, while Mr. M. S. Boyd and Mr. R. W. Douglas carried off the men's prizes. The prizes for the dance were donated by Mrs. Erenhaus.

Special Railway Fares for Remembrance Day Week-End

Remembrance Day, November 11th, set apart as a separate holiday this year will provide the last opportunity before Christmas for a long week-end holiday, and for the convenience of their patrons who desire to spend the day visiting friends in distant towns and cities the Canadian Railways have arranged special fares for the week-end, it was announced by C. P. Riddell, Manager of the Canadian Passenger Association. Return tickets, at the rate of one and one-quarter times the regular one-way fare will be on sale, good between stations in Canada, for the occasion. The going portion of these special tickets will be good from noon on Thursday, November 10th to noon on Friday, November 11th and the return portion will be good until midnight on Monday, November 14th.

A report from Shillington tells of the death of two bull moose, apparently after a fight in which they both suffered fatal injuries, although their horns were not locked together as is usually the case when a scrap of this nature is reported.

RIPE RASPBERRIES IN A HAILEYBURY GARDEN NEAR END OF OCTOBER

Haileybury appears to be gradually drawing close to the fruit belt, or perhaps the fruit belt is gradually extending northward. At any rate, J. E. McCuaig picked ripe raspberries in his garden on Georgina Avenue on Thursday last, October 27th. A sample of the fruit was brought to the office of The Haileyburian by Mr. McCuaig, who has been gardening and otherwise taking a part in the beautification of the town for a great many years. This is the first time in his experience that fruit has ripened at such a late date, he says. The berries were of a large size and quite sweet and juicy. There was an excellent crop of small fruit here during the past summer.

Young Peoples' Societies Hold Joint Hallowe'en Party

The United Church Young Peoples' Societies of Cobalt, Haileybury and New Liskeard held a combined Hallowe'en Party in the latter town on Monday evening, October 31st. The event took the form of a masquerade and there were many weird and fantastic costumes in evidence, in which the predominating features were black cats and witches. The fun was fast and furious during the hours spent in games suited to the great festival and refreshments were served at the close, with pumpkin pie having a prominent place on the festive board. There were 26 present from Haileybury, and all report one of the most jolly evenings in their experience.

Curling Club Limited Elects New Board of Directors

At the annual meeting of the Haileybury Curling Club Limited held recently, the following directors were elected for the year: Henry Jemmtt, Jos. Isherwood, H. G. Pickard, Jay Gould and F. R. Gibson. At a subsequent meeting of the board, F. R. Gibson was elected president and R. W. Douglas secretary. At this meeting the chief topic of discussion was the best means of handling the rink this season, as it was stated that the revenue coming in was not sufficient to cover the fixed charges. No definite arrangement was made.

Contrary to the belief of some people, the partridge open season ended definitely on October 26th, and the five-day extension which we read of in the daily papers did not apply to this district.

The marriage of Miss Ivy Buglehole, only daughter of Mr. and Mrs. W. J. Buglehole, of Haileybury, to Mr. John Clifford Foster, son of Mr. and Mrs. W. J. Foster, New Liskeard, was very quietly solemnized in Cobalt on Saturday, October 22nd, 1932.

The ceremony was performed by Rev. E. G. Smith, pastor of the Cobalt United Church, in the presence of immediate friends and relatives of the young couple only. Mr. and Mrs. Foster have taken up their residence in New Liskeard, where they are receiving the congratulations of a large circle of friends.

WILL SELL POPPIES AND HOLD MEMORIAL SERVICE ON REMEMBRANCE DAY

The Haileybury branch of the Canadian Legion has arranged for the sale of poppies on Remembrance Day, November 11th, having obtained permission for the sale, in the form of a tag day, from the town council. As in past years, the entire proceeds, less only the cost of the poppies, will be retained in town for relief purposes among needy veterans and their families.

There will also be the annual Memorial Service held on Friday, November 11th, at 10.45, at the Memorial Plot on Main Street. Everybody is invited to attend this service.

New Bridge Open At Englehart Fine Structure

(Continued from Page 1) sever the ribbon. The entire school population of Englehart, nearly 400 children, were on parade, bearing flags, and sang "The Maple Leaf Forever." The Englehart Pipe Band was out in force and took a prominent part in the ceremony.

In his address, Mr. Finlayson spoke of the delay that had been met with in starting the new bridge, owing to the peculiar for-

Announcement

I wish to announce to the people of Haileybury that there is no truth in the rumor which has been circulated to the effect that the Norfolk & Rochester Hardware Company Limited intends to cease to do business. The only change that is contemplated is that I am taking over the business of the company, which will be continued under the name of S. Norfolk, on the same lines and in the same location as at present.

mation of the river banks, which necessitated careful study in order that the structure might be made permanent and secure. It was the biggest project of its kind attempted by the government this year, but it was justified in his opinion. He was glad for Englehart's sake, and for the sake of the whole district he said, that the bridge had been built and he foresaw greatly increased tourist and settler traffic over it in the future.

As Mr. Finlayson cut the ribbon that opened the new bridge for traffic, he asked that the

school children be given the rest of the day off, and then spent some time snipping the ribbon into small pieces and handing it out to the youngsters as souvenirs.

In the evening a banquet was held by the Englehart Board of Trade, at which there were many prominent visitors in addition to a large gathering of the citizens. Stores and other business places were closed during the afternoon and a majority of the Englehart people attended the bridge opening in spite of a rather chilly temperature.
