Why Envy SLIMNESS?

Instead of envying slim people, do these two things:
1. Cut down on sweet, starchy foods such as potatoes, fat meats and sweet desserts and eat a larger percentage of such muscle and nerve builders as lean meats, greens and cereals.
2. Take a bracing, pleasant glass of Andrews Liver Salt once or twice a week. Andrews will condition your system by correcting incomplete elimination of body wastes—a weakness almost everyone is subject to, even though daily habits may be absolutely regular. When Andrews corrects this condition, Nature does the rest. Gradually surplus fat goes—and new vigour is gained. Get Andrews Liver Salt from your druggist—In tins, 35c and 60c. New, large bottle, 75c. Sole Agents: John A. Huston Co., Ltd., Toronto.

THAT DEPRESSED FEELING IS LARGELY LIVER

Wake up your Liver Bile—Without Calomel

You are "feeling punk" simply because your liver isn't pouring its daily two pounds of liquid bile into your bowels. Digestion and elimination are both hampered, and your entire system is being poisoned.

What you need is a liver stimulant. Something that goes farther than salts, mineral water, oil, laxative candy or chewing gum or roughage which only move the bowels—ignoring the real cause of trouble, your liver.

Take Carter's Little Liver Pills. Purely vegetable. No harsh calomel (mercury). Safe. Sure. Ask for them by name. Refuse substitutes. 25c. at all druggists. 53

THERE ARE 5 GOOD REASONS WHY—

You Should Read Your Local Newspaper

BECAUSE you owe it to yourself and your family to be thoroughly familiar with the news of your town or district and the conditions which exist as reflected in the happenings week by week in The Haileyburian. The Haileyburian gives you the correct account—fairly, impartially—of many local events of which you frequently hear many different versions.

BECAUSE as a citizen you should follow carefully the activities of your Council, School Boards and other governing bodies of public institutions, which are your representatives and are spending your money. Their meetings and programs of expenditures and work are reported fully in the columns of your paper. In order that you may criticize justly and vote intelligently these accounts should be carefully read by you.

BECAUSE your friends, acquaintances and relations and their participation in the industrial, or social affairs; your societies, your churches, your schools, their itineraries, innovations and reports are fully chronicled in the weekly budget of intimate neighborhood news that makes up the greater portion of each week's Haileyburian.

BECAUSE Haileybury merchants and business houses list in The Haileyburian's columns each week their most attractive buys and merchandise, for your selection and perusal in your own home where you can compare them with your needs. Advertised goods must be honest or they defeat, like other forms of dishonesty, their own object. And finally

BECAUSE The Haileyburian is a community institution. While privately owned and financed, its columns and services belong to the public which it serves. The Haileyburian is the mirror in which the world sees reflected Haileybury and district. A token to other communities of Haileybury's success, progress and general condition. Without the sincere interest of those whom it endeavors to serve, no newspaper can properly represent its district. Your interest is evidenced by the manner in which you read your paper each week; by watching your subscription closely and keeping it paid up—for only newspapers with paid up subscription lists are successful—and by offering constructive criticism—Don't tell somebody else—write and tell us.

ARE YOU A SUBSCRIBER? If so, is your subscription paid up? And are you reading your paper properly—thoroughly? And if not—ask yourself—why not? If you are not already a subscriber, The Haileyburian is making a special trial subscription offer to you for a very short time. Clip the coupon below and mail or bring it to The Haileyburian office with 50 cents. This offer lasts for only a limited time. DO IT NOW!
