THEY'RE NUMBERING THE CRICKETERS NOW

The fans "from down under" think this new innovation is quite a good idea. Here we see cricketers, wearing numbers on their backs, going out to field in a match at Brisbane, Australia. Now the stranger to the game can pretend that he knows them all by name.

MONUMENT TO ASSASSINATED PRESIDENT

Above is a picture of the monument which is to be rector in memory of President Doumer of France, who was assassinated in May, 1932. A competition was held recently among the best known artists and sculptors with a view to selecting a monument symbolizing Paul Doumer's character. M. Armand Martial, scuptor, and M. Labro, architect, designed the winning model which is to be erected in Doumer's native town of Aurillac.
