

Give Trophy to Bowling Club in Father's Memory

Sons of Late John L. Maltby Provide Prize for Singles; Monthly Contests

A new trophy will be presented this season to the Haileybury Lawn Bowling Club by the sons of the late John L. Maltby, the club executive learned at a meeting this week. Mr. Maltby was a charter member of the club, an enthusiastic bowler and the winner of the first singles competition held after the formation of the club a few years ago. The new trophy will be for annual competition in a series of singles contests played over the period June to September. Each month a round will be completed and the four winners will play off for the trophy at the close of the season.

In accepting the trophy, the executive decided to provide an individual prize to each month's winner, together with a replica of the original trophy to the winner of the final. All members of the club are being included in a draw and they will be notified of the dates of their games, which must be played on the date set or previously. Games will be 12 ends, with the semi-finals and final 14 ends, and players are urged to arrange for a referee.

The first round of the preliminary competition has been completed, with the following results: Austin won from Duncan; Hartman from Joy; Fleming from Hayward; Caldbick from Hull;

No Truth in Report That Mrs. Dionne in Haileybury

A story to the effect that Mrs. Oliva Dionne, mother of the famed quintuplets, had come to Haileybury "as a place of seclusion during the expected birth of her 12th child," which was published in some of the daily papers on Thursday last, had no foundation in fact. It was stated that she was to be a patient of Dr. J. A. H. Joyal here, but on enquiring of him The Haileyburian learned that there was no truth in the story. Dr. Joyal said that it was the first he had heard of it and he concluded that the reporters had got his name mixed with that of his brother, Dr. I. Joyal, of North Bay.

According to the North Bay Nugget on Friday, the story originated from a trip Mr. Dionne made up the Ferguson Highway to procure a dog.

HEAD OF BUS COMPANY RETURNS COMPLIMENT TO BOARD OF TRADE

The secretary of the local Board of Trade has received the following letter this week, in response to a resolution passed by the Board at a recent meeting:

Haileybury, Ont., June 24, 1936
Dear Sir:

Allow me to express to you and to the Haileybury Board of Trade my appreciation for the very kind words in the resolution passed at the recent meeting expressing satisfaction with the operation of the bus service.

It is, indeed, very gratifying to me to know that the buses are giving good service and satisfaction to the general public. In the past I have made every effort to co-operate with all public bodies as well as individuals by giving the maximum service with a minimum charge and in future I shall continue to do everything in my power to merit your approval.

Yours very truly,
N. D. McISAAC

Mining Men Contribute to Cost of Swimming Classes

Two mining men familiar with the advantages of being able to swim have contributed substantially towards the cost of the swimming classes to be held at the local bathing beach this summer. J. W. Morrison and Louis Cohen are the generous-minded men and each contributed the sum of \$50 to the cause, it was announced by Rotarian R. D. Cumming at the weekly meeting of the service club on Monday. With the amount previously appropriated from the club's funds, this will make it possible to keep an instructor for the whole of the summer holidays, so that there is no need for any child in Haileybury to go without the very valuable teaching which has been a feature of Rotary's public service for several years past.

The classes will open on Monday, July 6th.

Rev. Richard Haines, rector of St. Paul's will conduct the service and all visiting brethren of the Order are invited to attend.

Town and Lazy Nine Are Winners in Softball Games

Thursday night's softball league fixture was won by the Town Fathers, who defeated the Lazy Nine in a close game. The score was 18 to 16. On Monday night the Lazy Nine piled up an 18 to 5 count against the Easy Aces, the latter team being at the bottom of the ladder, with a record of three losses.

Tuesday evening a picked team from the local league played a team from Cobalt on the local diamond, winning by seven runs to six. There was a pretty good crowd present and considerable interest in the first inter-town clash of the season.

Unused Mine Buildings Burned Near Latchford

The boiler room and compressor house at the old Crescent Silver mine, eight miles up the Montreal River from Latchford, were destroyed by fire last week. The cause is unknown, but it is thought that lightning may have started the blaze. The property has been idle for the past 10 years and apparently there was no one there at the time of the fire. The machinery in the buildings is said to have been ruined.

Robert Hetherington was fatally burned in a fire in a radio shop at Kirkland Lake on Friday last, which started from gasoline used in washing clothes.
