

### Bathing Beach Is Busy Spot at Class Opening

**Children Swarm to Lake Front on Monday; Carl Hutt Again on Instructing Job**

The local bathing beach was a busy spot on Monday morning when the annual swimming classes, sponsored by the Haileybury Rotary Club, were opened by Carl Hutt. The children swarmed to the lake front, were all registered and given the necessary information as to what hours their particular course of instruction would be held and enjoyed a dip and a romp along the beach. The classes began regularly on Tuesday and will be carried along during the school holidays.

The schedule is the same as last year and from all appearances the classes will be just as popular as they have been in the past. Hundreds of Haileybury children have been taught to swim through the medium of these classes and parents are urged to take advantage of the instruction, which is provided free to all. There is no red tape, no difficulties of any kind, nothing to worry about. Simply send down the children and they will have the benefit of one of the finest and most healthy sports, and learn the art of swimming, which every child should.

The schedule of classes is as follows.

- 9 to 10 a.m.—Boys and girls who can swim a little.
- 10.15 to 11.15—Boy Beginners.
- 11.30 to 12—Private lessons
- 1.30 to 2.30 p.m.—Girl beginners.
- 2.45 to 3.45—Advanced swimmers and ladies.
- 4 to 6—Private lessons for adults.

### SOFTBALL HONORS GO TO TOWN FATHERS IN FIRST HALF SCHEDULE

Although one game remains to be played to complete the first half of the local softball schedule Bill Bagshaw's team, the Town Fathers, are in first place and cannot be beaten. The last game is billed for tonight, when the Town faces the Lazy Nine, captained by Fred Best, but the latter has no chance of tying the race up. Bill Fleming's Easy Aces dropped the last two games, one on Thursday night to the Lazy Nine by a score of 22-7, and the other on Monday when they succumbed to the Town 16-5.

Another of the inter-town games with Cobalt was played at the latter place on Tuesday night when Haileybury trimmed the Miners by 14 to 8. The Cobalters are still a game or two to the good, however.

The second half of the local schedule will be drawn up this week-end and when it is completed, the winners will play off for the season's honors.

### Former Hockey Player and Haileybury Resident Dead

Charles Devlin, a former resident of Haileybury, died at Ottawa hospital on Wednesday of last week, after an illness of some two years. He was in his 55th year and is survived by his widow and four children.

In his early youth Mr. Devlin lived in Haileybury and was well known in hockey circles. A player himself, he took an active part in the management of the Haileybury hockey team in those days and is well remembered by many of the local residents. He worked in stores here and in Cobalt, but for many years past has resided in Ottawa.

The annual water sports day of the Haileybury Rotary Club will be held this year on Wednesday, July 29th.

### Local Golf Notes

New work on the local golf course has increased the yardage from 2667 to 2800 yards this season, and the course will be in tip-top shape for the Northern Ontario Golf Association title play the first week of August. The new green at No. 5 will be fit for play in a couple of weeks, and some of the club swingers are already trying out the new tee which brings No. 6 to the 573 mark in yardage. Greenskeeper Homewood and his men have been very busy this spring and summer preparing for the season's big event, and it will not be their fault if the course is not in grand shape for the great number of players expected on August 6th, 7th and 8th.

The second round of the Captain's Event will be played on Saturday, July 11th and Wednesday, July 15th. The best card of 18 hole consecutive play with handicap from either day will be credited for qualification for the final. Will gentlemen endeavor to play with ladies as partners in order to encourage further interest in mixed doubles events. The qualifiers for the final from the first round were Mrs. R. P. Teare, Mrs. A. G. Kirkpatrick, Miss N. Bagshaw, Keith Kirkpatrick and H. A. Seymour.

Keith Kirkpatrick and H. A. Seymour qualified for the final in the second round of the President's cup played last week-end. The former had a net 66, while the Captain totalled 72. Others in the even scored as follows: N. J. Everard, 75; W. Holmgren, 76; D. H. Millar, 77; Dr. R. C. Lyon, 79; D. E. Sutherland, 81; H. Barrette, 81; G. Klein, 81; W. E. Sparham 82.

The first of the home-and-home games for the Herbert Trophy donated by A. L. Herbert, for paly between Kirkland Lake and Haileybury, will be staged on Sunday next at the Kirkland club and the return will be staged at the local course the last Sunday in August. It is hoped that quite a goodly number will represent the Haileybury club in this new event. Those desiring to go up will find an entry form posted at the club house, or just get in touch with Captain Seymour or Vice-Captain Holmgren and proclaim your willingness to make the trip.

The North Bay Nugget reports a great increase in the number of tourists registering at that city, but apparently few of them come further north.

### BRITISH CHAMPION

Helen Jacobs found her form at Wimbledon, after losing both singles matches in the Wightman Cup games, and won the final of the Women's Singles Championship against Frau Hilda Sperling of Germany.

### PERRY "BLASTS" VON CRAMM OUT OF TITLE

An international match in which England and Germany were represented saw Fred Perry (right), Britain's number one star literally "blast" Baron von Cramm (left), off the centre court at Wimbledon. Apparently determined to wipe out the defeat sustained at the hands of von Cramm in the final of the French Championships, Perry won as he pleased. Von Cramm suffered from muscle strain in the first set of the match, but experts doubt if it made much difference to the outcome. In their estimation Fred Perry was unbeatable.

### Nine-Pound Pickerel is Biggest So Far Reported

Keeping up his record for big fish, W. S. Blackwall brought home a nine-pound pickerel on Tuesday evening, which he hooked at Pork Rapids, on the Montreal River. Last year he won the Temiskaming Fish and Game Association's prize for the big-

gest fish of the season, and it appears that he is striving to hold his place at the top of the local anglers. The big one caught this week was a beautiful specimen. Most of the fishermen who go up the river and to the Mattawapika have been having pretty fair luck this season, but this is the first real big fish that has been reported.

## PURITY FLOUR

Best for all your Baking

"I hate waste . . . so I cherish those odd leftovers of meats and desserts and vegetables, keeping them fresh and at the peak of their flavour, so that the very look of them on my gleaming shelves, tempts you to serve them again in various ingenious ways. This is a saving you'll thank me for, particularly when you have a chance to compare your food bills with what they were before I came into your life. It's the same with liquids, too. I keep milk fresh and sweet for much longer than the ordinary period and I'm always ready to supply ice cubes to highlight your entertaining."
