DIFFICULT SCHOOL PROBLEM

The future of the Haileybury High School and the Mining School presents a difficult problem. The reduction in the government grants has been the cause of considerable worry during the past year, both to the school board and to the town council and the taxpayers, who must provide a proportion of the cost of carrying on the institution.

It appears to us that if the whole situation was given just a little more publicity, in order that the taxpayers could thoroughly understand the problem, it would be a step in the right direction. If the school board could see its way clear to preparing a statement of some kind, before the fall term opens, the Haileyburian would be perfectly willing to publish it, and we believe that it would have beneficial results in the long run.

The Canada Year Book, 1936

The publication of the 1936 edition of the Canada Year Book is announced by the General Statistics Branch of the Dominion Bureau of Statistics. The Canada Year Book is the official statistical annual of the country and contains a thoroughly up-to-date account of the natural resources of the Dominion and their development, the history of the country, its institutions, its demography, the different branches of production, trade, transportation, finance, education, etc.—in brief, a comprehensive study within the limits of a single volume of the social and economic condition of the Dominion.

The 1935 Canada Year Book extends to over 1,150 pages, dealing with every phase of the national life and more especially with those susceptible of statistical measurement. Attention may be called to some of the special features of the present volume. The statistical summary, included in the introductory matter, has been extended this year. A special article, "Canada on Vimy Ridge," prepared by Colonel A. Fortescue Duguid, D.S.O., B.Sc., R.C.A., Director of the Historical Section (G.S.), Department of National Defence, has been included in Chapter II. This is apropos in the light of the pilgrimage to Vimy and the official unveiling of the Vimy Memorial arranged to take place later this month.

The death of His Majesty King George V on January 20, 1936, received with deep sorrow throughout the Empire and with worldwide regret, and the succession of King Edward VIII to the Throne, have been appropriately marked by the reproduction, as frontispiece, of the official proclamation of the government of Canada made on Jan. 21, 1936, accompanied by the latest official photographs, obtained through the courtesy of the respective Court photographers.

Owing to the urgent need for economy in the distribution of government publications, it has become necessary to make a charge to all individuals receiving the Canada Year Book. Persons requiring the Year Book may obtain it from the King's Printer, Ottawa, as long as the supply lasts, at the price of \$1.50, which covers merely the cost of paper, printing and binding. By a special concession, ministers of religion, bona-fide students and school teachers may obtain paper bound copies at the nominal price of 50c each.

Haileybury in 1926

Items from the Files of The Haileyburian of Ten Years Ago

Out of 32 candidates for the High School Entrance exams, from the local public school, 30 were successful and the other two were recommended by the examining board.

Latest news on the prospects for the rebuilding of the hospital here by the Sisters of Providence is that a start will be made on the building next year.

Two flashlights, a knife and a watch are among the articles missing from the hardware store of Norfolk & Rochester, following a burglary on the premises this week.

Orangemen and lady members of the L.O.B.A. to the number of about 90 attended divine service in St. Paul's Church here on Sunday last.

Farmers in the district are worrying to some extent over their crops, as recent rains have brought a little too much moisture. Warm weather is needed for a good crop.

Features of the July 16th, 1926, issue of The Haileyburian included a "poem" by W. J. McLean and an editorial written by G. T. Hamilton, then mayor of the town, on the subject of "Weeds".

The local branch of the G.W.V.A. will hold its annual picnic at Dawson's Point, the Steamer Temiskaming making special trips from the local wharf.

M. Austin and W. Robb returned after a six weeks prospecting trip, during the course of which they staked several "coal" claims and had the misfortune to lose their outfit in the Kapuskasing River.

The Twelfth of July was celebrated in Cobalt, with a large gathering from various district points, in spite of the fact that it rained heavily during the early part of the day.

Takes Second Prize in Sudbury Baby Contest

A note to this paper signed "A former Haileyburian" reads: "In a baby contest sponsored by the Lions Club on July 1st, Jackie Best, son of Mr. and Mrs. John Best of Sudbury, took second prize out of 200 entries. Jackie is ten and one-half months old, weighs 25 pounds, 9 ounces and is the only grandson of Mr. and Mrs. A. Best, formerly of Haileybury.

Jackie's father is a brother of Fred Best, Haileybury, and spent a good part of his boyhood days in town.

Service Clubs Will Hold Joint Meeting at Liskeard

The Haileybury Rotary Club has been invited to join with the Kiwanis Clubs of Cobalt and New Liskeard in a joint gathering at New Liskeard Beach on Saturday evening of this week. The meeting will take the form of a banquet, to be followed by a program of considerable length, and the club members are asked to bring their wives or sweethearts.

A City Residence

For a day, a week or longer—from a single room with bath to the most sumptuous hosekeeping suite equipped with linen, silver and china—affording every convenience, luxury and attendance. Delightful lounge reception rooms—unexcelled restaurant service—that briefly is the distinctive appeal of the Windsor Arms.

King Edward VIII Is Royal Patron

Accepts Invitation of National Sanitarium Association

A letter received yesterday from Buckingham Palace, London, addressed to Mr. E. L. Ruddy, President of the National Sanitarium Association, states that His Majesty King Edward VIII has accepted the invitation to be royal patron of the Association.

"I am commanded by the King," reads the letter which is on official black-bordered Buckingham Palace stationery, "to inform you that His Majesty has been graciously pleased to grant his Patronage to the National Sanitarium Association, Toronto. (Signed) Wigram, Keeper of the Privy Purse." This letter came to Mr. Ruddy by way of Government House in Ottawa, along with a kindly message from the Governor-General. In 1907 the then King Edward VII and Queen Alexandra became the first Royal Patrons of the Muskoka Hospital. Ever since, members of the Royal Family have taken a deep interest in the work.

Muskoka Hospital for Consumptives, the Toronto Hospital for Consumptives and the Queen Mary Hospital for Consumptive Children at Weston, formerly had as Royal Patron the late King George V.

His Royal Highness the Duke of Connaught, great-uncle of the present sovereign, laid the corner-stone of the Queen Mary Hospital for Consumptive Children. It was the first hospital in the world devoted to the treatment of children suffering from pulmonary tuberculosis. On May 12, 1913, Queen Mary in Buckingham Palace, pressed a button by which the doors of the hospital were electrically opened.

When fire destroyed the original section of the Toronto Hospital for Consumptives, the King Edward Memorial Fund was inaugurated by which over six hundred thousand dollars was raised. In this work the Duke of Connaught took an active part.

Upon learning recently from the Earl of Bessborough that the tiny patients at the Queen Mary Hospital for Consumptive Children had taken from a London illustrated paper and framed a picture of Queen Mary and the Princess Elizabeth, Her Majesty voluntarily sent the children a signed portrait of herself and the little Princess.

Every Governor-General of Canada, from Earl Grey on, has been Honorary President of the National Sanitarium Association. The three hospitals maintained by the Association have a total of over 1,000 patients. Canada again pioneered medical achievement when the new Surgical Building, one of the first structures erected on this continent for the surgical treatment of tuberculosis, was opened about three years ago at Weston. It has already justified itself, said Mr. Ruddy.

A special floor will be laid on the wharf for the dance to follow the Rotary water sports day on July 29th, and there will be many games and other forms of amusement during the evening.

Sale by Auction
