

### Water Sports at Bear Island Drew Big Crowd

#### Temagami Association's Second Annual Regatta is Big Event of Summer Resort

The second annual regatta of the Temagami Association, held on Monday of this week at Bear Island, drew the largest crowd of holiday-makers in the history of the famous summer resort. One estimate of the number of people who spent the whole or part of the afternoon there ran into the thousands, which seems quite conservative when it is considered that the present season has been one of the best ever experienced there.

The Steamer Bell of the Temagami Boat Company ran an excursion from the Temagami dock to the Island, and there were countless smaller craft that conveyed the crowds to the regatta, which commenced with a grand parade of decorated floats and boats. This was followed by a long program of aquatic events, in which some of the best swimmers, divers, canoeists and speed boat drivers competed. A special attraction was the log burling contest, which tested the skill of a number of experienced lumbermen and gave the crowds a great thrill. Canoe races up to a quarter mile distance for singles, doubles and fours, all brought numbers of entries, while the motor boat races were also well contested and some extra fast driving displayed.

### Holiday Sports at New Liskeard Well Attended

#### Warm Weather for Big Program Staged by Fire Department on Monday

New Liskeard Beach had one of the biggest crowds of the season on Monday, when the fire department staged a program of Civic Holiday sports that made up a full afternoon and wound up with a dance in the pavilion at night. A horse race, baseball and softball games and some events in the water were run off, but the bathing beauty contest, billed as one of the chief attractions, failed to come off for want of entries. The weather was fine and warm.

In the softball game, a combination team of the three towns playing under the Cobalt colors, defeated a team from Noranda, while the Charlton baseball team also upheld the honor of Ontario when they beat a team from the Quinze. Alf Holmes won the outboard motor race and Dan Vahey Jr. caught the greasy pig. Minard of Belle Vallee, took first place in the horse race, with McTavish, New Liskeard, second and McLean of the Quinze third. A second race was cancelled when the sulky of one of the entrants was broken.

There are over 1,230,000 people of Irish origin in Canada.

### REGAINS FORM

Earl Cook was very late in getting started with the Toronto Maple Leafs this season, but recently he has picked up and pitched several good games, and has helped the Leafs greatly in regaining winning stride.

### Town Softball Team Loses Two Games During Week

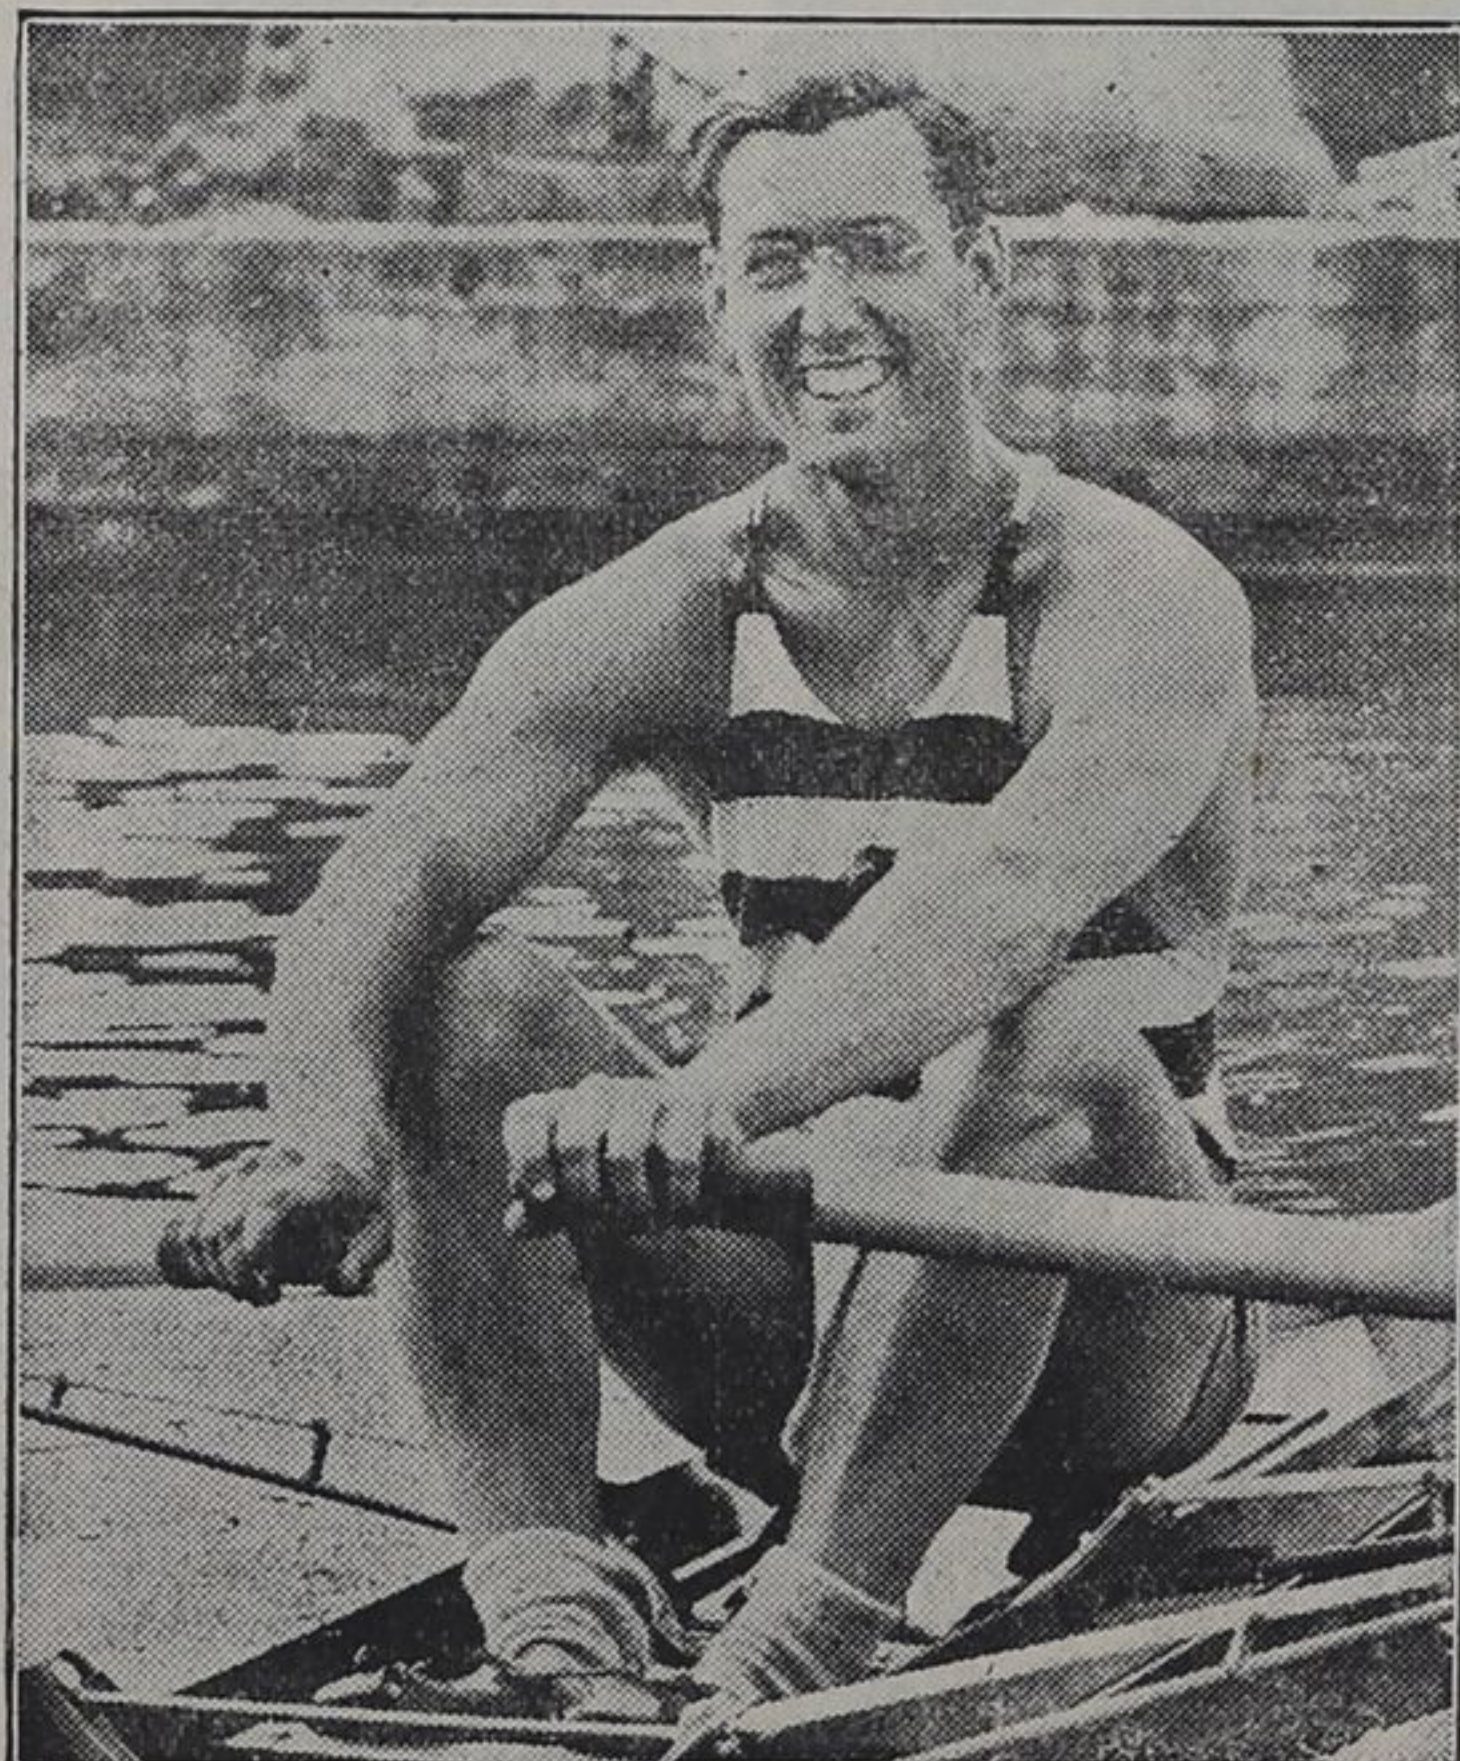

The Town Fathers softball team dropped two games during the past week, going down to defeat at the hands of the Easy Aces on Thursday night and again losing to the Lazy Nine on Tuesday. The latter game was postponed from Monday night on account of the holiday. Scores in both games were heavily against the Town team. This evening the Nines and Aces will meet in a league fixture and it is expected that there will be a close contest, as the title in the second half of the schedule hinges on this one.

### FATHER'S TROPHY WON BY BOWLING SON AFTER CLOSE GAME IN FINALS

The J. H. McFarlane trophy, emblematic of the championship for rinks of fours at the local bowling greens, was won by the donor's bowling son, Leslie McFarlane, on Friday night last, when he defeated C. E. Fleming in a hard fought final game. On Thursday evening McFarlane won out over A. H. Hull in the final game of the winning group in the down-and-out contest and met Fleming in the final.

Those who witnessed the game said that it was among the best contests that have been played this season. It was anybody's game until the last end, the winners emerging one up, with penalties disregarded. With the big trophy go smaller silver cups, provided each year by Mr. McFarlane, who is a charter member of the club and a past president.

The Doubles competition starts tonight, with all members of the club in the draw. Skips and leads are paired and vice-skips and second players are drawn together, to even things up all round.

Miss Edith Kedey, of Fitzroy Harbor, is visiting at the home of Mr and Mrs. J. R. McCracken, Broadway Street.

The Haileybury fire hall tower is receiving a fresh coat of paint this week.

Canada's extensive fisheries give employment to nearly 83,000 persons.

"I'm a cooking Prima Donna ... without the temperament"

"I never sulk or fly into a tantrum. I never need coaxing. My cooking heat is always ready when you want it. It's always even and it's there for just as long as you want it. I'm equally adept at all forms of cooking, so whether it's roasting, frying, broiling, boiling or baking, you'll never need to worry about how I'll take it. Just snap my switch and forget it until it comes time to dish up the full-flavoured, rich-in-nourishment result of my unceasing vigilance. You can always count on me and on my temperament—or should I say temperature?"
