

Good Wishes of Church People Given to Mayor

Picture Presented to Mr. and Mrs. Thorpe as Token of Congregation's Regard

Sincere regret at the impending departure of Mayor O. J. Thorpe and the greatest of good wishes to him and Mrs. Thorpe and the family were expressed by Rev. Richard Haines, Rector of St. Paul's Church, at a congregational gathering in the parish hall last week. The occasion was a church supper, prepared by the ladies of the congregation, the menu for which consisted of corned beef and cabbage, pumpkin pies and other delicacies of autumn season and the gathering filled the hall. Mr. Thorpe has been a warden of the church for a number of years and has been closely identified with its councils during his long residence in Haileybury.

In the course of his address to the gathering Mr. Haines spoke of Mr. Thorpe's long connection with the church. In all its affairs, he said, his voice had been "the voice of peace and service," and he and his family would be very greatly missed. As a token of the regard in which they had been held, Mr. Haines presented to Mr. and Mrs. Thorpe a framed picture of the interior of the church, on behalf of the congregation, with the hope that they would hold many pleasant memories of their life in Haileybury.

In accepting the gift, Mr. Thorpe recalled his long association with both the old St. Paul's and the present church, expressed his regret at severing his connection which had extended over 30 years and told the gathering that he and Mrs. Thorpe were not saying "goodbye," as they expected to visit the North from time to time. He also extended a hearty welcome to all present to visit them in their new home in Southern Ontario whenever the opportunity arose.

Many Friends Bid Adieu To Departing Resident

Among the social events held during the past few days in honor of Mrs. O. J. Thorpe, who left yesterday for Beamsville with Mr. Thorpe and the family, was a tea held at the home of Mrs. W. H. Jago, Main Street on Thursday last. A large number of the friends of Mrs. Thorpe gathered during the afternoon to bid her Godspeed and to express their sincere good wishes for her happiness in the future, together with genuine regret at the prospect of her leaving Haileybury.

Fine Increase Shown C. N. R. Earnings

The gross revenues of the all-inclusive Canadian National Railways System for the 9-day period ending Sept. 30, 1936, was \$5,916,338, as compared with \$5,146,030 for the corresponding period of 1935, an increase of \$770,309.

A fresh fish refrigerator with temperature and humidifier control, using dry ice is now offered retailers. Fish may be kept for days in moist cold atmosphere, and there is no messiness as with natural ice nor drying out as with coils.

C.N.P.C. EARNINGS AGAIN SHOW GAIN IN TWELVE-MONTH PERIOD

A gain of \$44,797.46 is shown in the net earnings of Canada Northern Power Corporation for the twelve-month period ending August 31st, 1936, according to a letter to shareholders from B. V. Harrison, vice-president and general manager. The comparative figures are \$2,792,328.05 for 1936, against \$2,747,530.59. Gross earnings for the year were \$4,515,624.66, with operating and maintenance charges of \$1,723,296.61.

Exceptional activity in most of the mining camps served by the company is noted in Mr. Harrison's letter. Three new contracts with mining companies have been made in the Cadillac area of Northern Quebec, the Bouscadillac Gold Mines, Central Cadillac Gold Mines and Canadian Gold Operators, with increased activity and demand for power in the Rouyn section.

In Kirkland Lake Camp, the Ritchie Gold Mines and the King Kirkland have resumed operations and in the Porcupine there is a marked increase in the demand for the company's product.

A new merchandise store has been opened in Val d'Or, Quebec, bringing the total of these up to ten, the general manager's letter says.

Forgiveness is better than revenge; for forgiveness is the sign of a gentle nature, but revenge is the sign of a savage nature.

Legislators Poor Shots

A despatch from Moosonee says: "Six Liberal members of the Ontario Legislature today continued their shotgun quest of geese and ducks flying about James' Bay, but their chief Indian guide reported, 'They hit all the blank spaces on the sky.'"

Unless their is some improvement, the guides and Moosonee residents threaten to shanghai the party to Island Falls where the moose will provide larger targets.

The six anxious hunters are: Harold Kirby, Toronto Eglinton; W. L. Houck, Niagara Falls; Morgan Barker, York North; A. St. Clair Gordon, Kent West; Frank Kelly, Muskoka-Ontario, and M. T. Armstrong, of Parry Sound."

Pessimism ends the road where the hedges meet in perspective, but Optimism opens a road through it with Hope.

When the Easiest Way Is the Best Way

THERE are no two ways about it! Certainly the easiest way to get the most for every dollar you spend is to buy products that you know about through the advertisements in your local paper. You don't have to go out and look for buying opportunities. The advertisements bring them to you. And all you need do is consider the facts, compare values and decide on the soap or the sedan that best fits your judgment and your pocketbook.

Certainly the best way of making your money go farthest is to buy merchandise of proved value. Advertised merchandise. Merchandise that is bought and used by many people. Merchandise that must be superlatively good enough for its maker and your local retailer to keep calling it to the attention of people week after week and year after year.

This is the service — of convenience and profit — that the advertisements offer you. It will pay you to read them regularly and take advantage of everything they can do for you!

"Somebody to See You!"

If everybody with something to interest you should come and ring your bell, what a nuisance it would be! Think of the swarming, jostling crowd, the stamping of feet on your porch and carpets!

Every week we know of many callers who come to see you. They never jangle the bell — they don't take up your whole day trying to get your attention. Instead they do it in a way that is most considerate of your privacy and your convenience. They Advertise in your newspaper!

In this way you have only to listen to those you know at a glance have something that interests you. They make it short, too, so you can gather quickly just what you want to know. You can receive and hear them all without noise or confusion in a very few minutes.

In fairness to yourself look over ALL the advertisements. The smallest and largest—you never can be sure which one will tell something you really want to know.
