

Reorganization of Scout Troop Now Under Way

New Leader Takes Charge After Preparation Period; Plan to Hold Apple Day

The Haileybury Boy Scout Troop, inactive for the past year, is now in the course of reorganization, with prospects for an active season in scout work during the autumn and winter. A new leader for the Troop, Thos. Poppleton, has undertaken the work after several months of preparation, and last week the nucleus of the reorganized body met with him and made some plans for the activities. Mr. Poppleton has set about the bringing together of the boys in a way that augurs for success. Nothing has been done without due consideration and consultation with members of the local Scout committee and the field secretary of the provincial association, and the plan is to "make haste slowly" rather than try to build up a large organization in a short period.

It has been arranged to hold regular meetings at St. Paul's parish hall on Wednesday evenings, and plans are in course of preparation for the holding of an "Apple Day" one of the approved schemes for raising funds. This event will take place on Saturday, October 24th, if nothing intervenes, and it is hoped that the citizens will be as generous as possible.

While there will possibly not be a large number of former Scouts in the new troop, there are a number of boys at present in the Wolf Cub Pack who have reached the Scout age and will be transferred. The pack has been active for several years and has grown to fairly large proportions, so that the older boys may be handed over to the Scouts, with benefit to both groups.

Anniversary Services of United Church Next Sunday

On Sunday next, October 18th, the Haileybury United Church will hold its anniversary services, with Rev. James Graham, B.D. of Kirkland Lake, as the special preacher at both morning and evening services. There will be special music by the choir, under the direction of R. H. Unwin.

On Monday evening, October 19th, the anniversary supper will be held in the church basement commencing at 6 o'clock. This will be followed by a program, a feature of which will be an address by Rev. Gerald Cragg of New Liskeard, recently appointed editor of the church paper, the new Outlook. Mr. Cragg is a student of world affairs and his address will be eagerly looked forward to.

A new small washboard of sponge rubber is made for the women who wash their own lingerie or other delicate fabrics. This aid helps do the job quickly and well.

Happiness is in taste and not in things; and it is by having what we love that we are happy, not by having what others find agreeable.

Every gift that is given, even though it be small, is in reality great, if it be given with affection.

It were happy if we studied Nature more in natural things; and acted according to Nature whose rules are few, plain and reasonable. Let us begin where she begins, go her pace, and close always where she ends, and we cannot miss of being good naturalists.—William Penn.

For home workshops or small shops, a new assembly or equipment includes units for both wood and metal working. The complete assembly provides facilities for 14 operations and includes a lathe, hand-saw, circular saw and jointer.

NEW LACROSSE TROPHY

In recognition of many years of hard work spent in missionary work for lacrosse in Canada, this trophy donated by ex-Alderman P. Quinn of Toronto, is to be named after Fred Waghorne Sr., and put up for yearly competition for midget lacrosse teams in Ontario.

A bacon grill made to set inside an ordinary frying pan has a space under it which permits the fat to drain automatically, thus providing crisp, brown, unburned bacon.

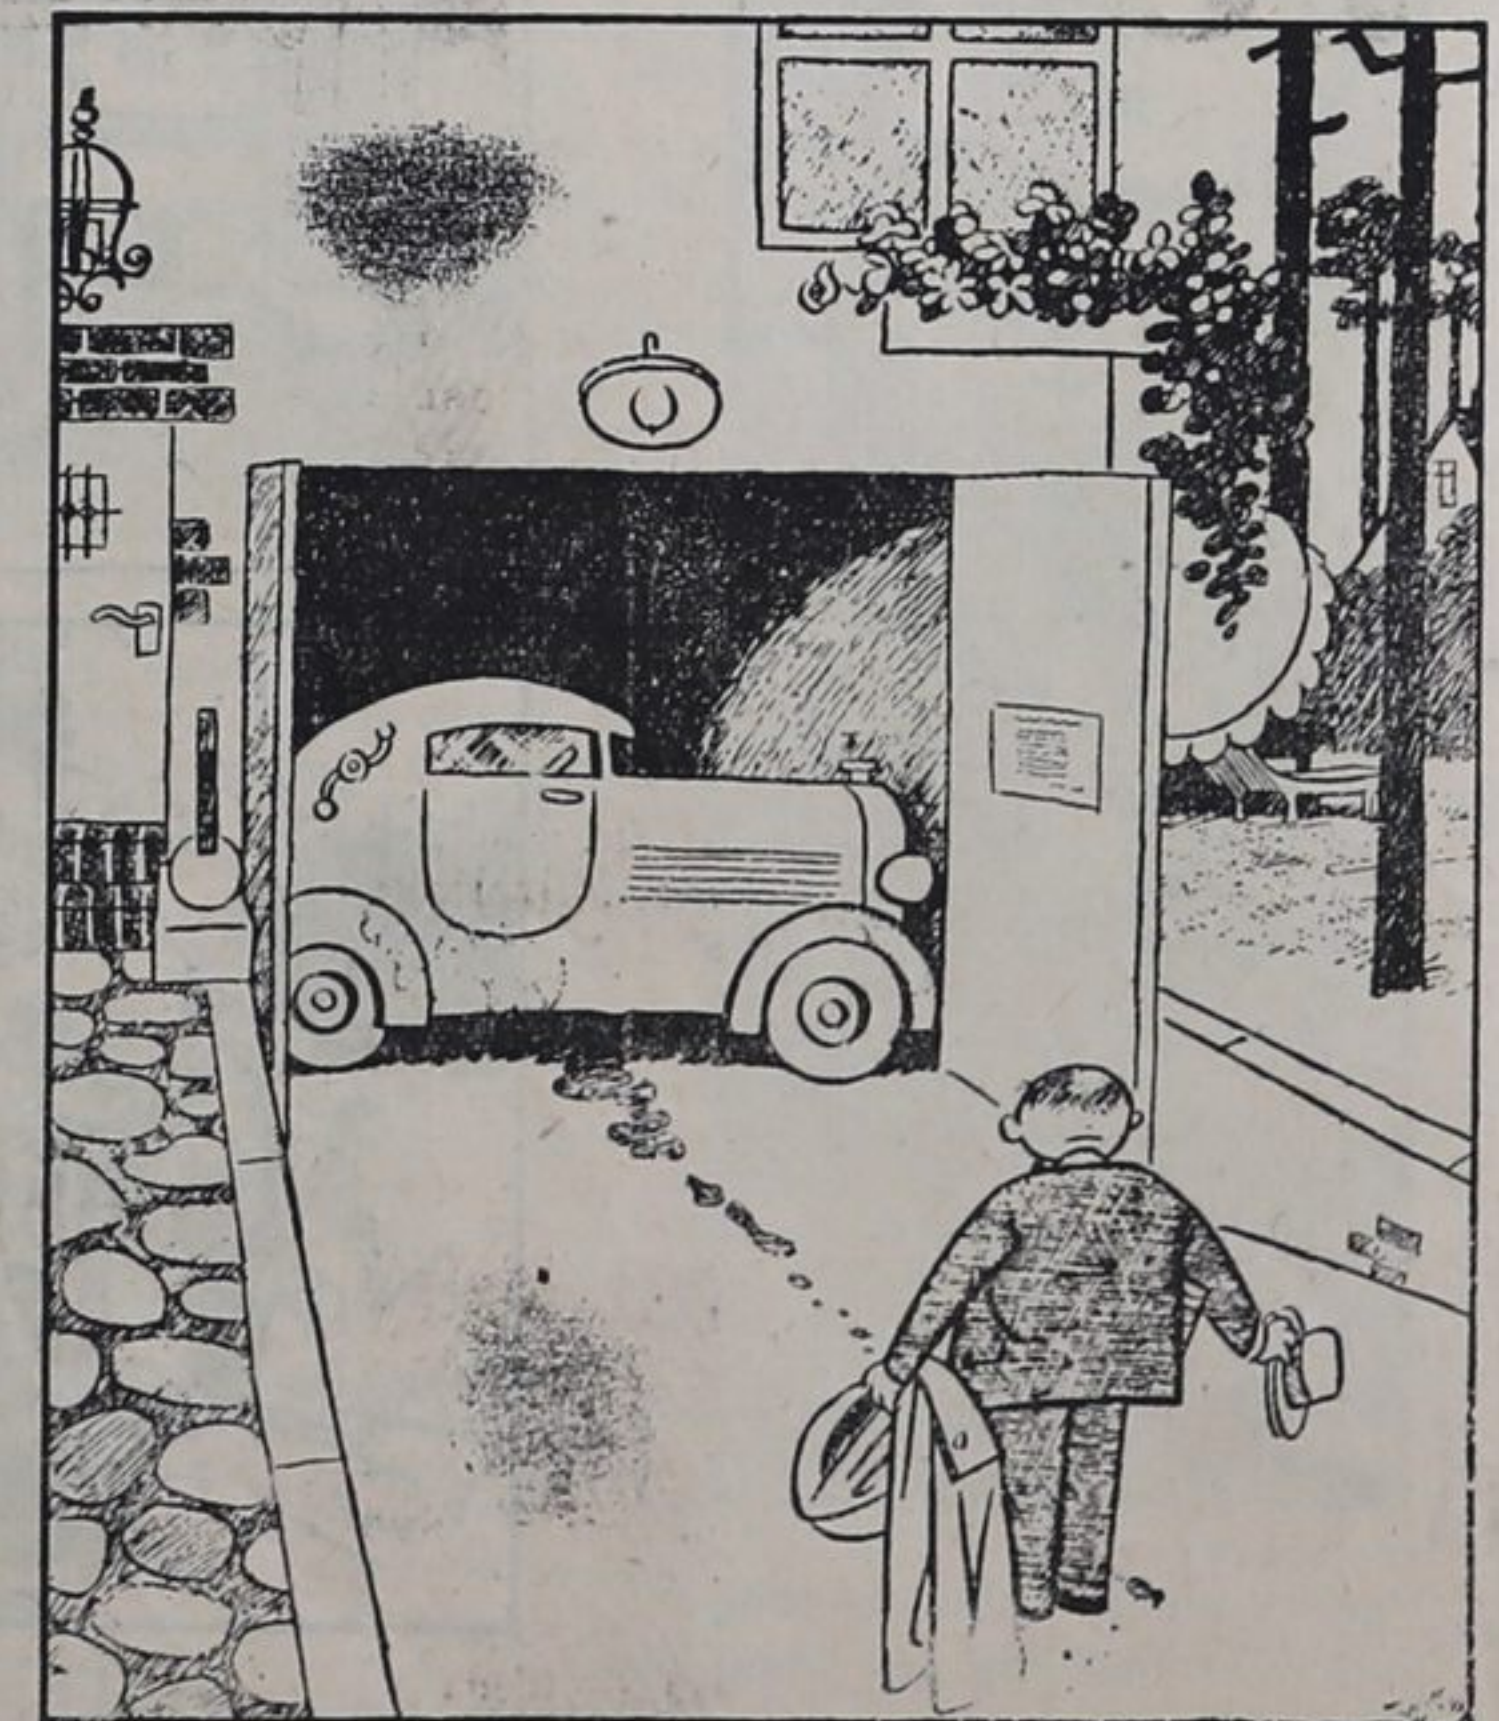

A new inner window is said to be neater than storm windows. It saves cost on heating or air-conditioning, is easily put on or removed, and may be opened to provide indirect ventilation.

I think the first virtue is to restrain the tongue; he approaches nearest to the gods who knows how to be silent even though he is in the right.—Cato.

ARGOS' VERSATILE UTILITY MAN

Annis Stukus, who has played almost every position for the Argos. He is a natural leader at quarter, works on the end of the line and also on the back-field.

"Well, that's the last time SHE puts the car away!" —Der Lusige Sachse, Leipsig

Autumn Meeting Of Presbytery is Held in Noranda

United Church Meets for First Time Outside of Ontario; Editor Commended

For the first time in its history the Temiskaming Presbytery of the United Church met outside of Ontario, the autumn meeting being held in the United Church of Noranda. To fill the executive positions for the coming year Rev. P. G. McLennan of Noranda was elected chairman, Rev. John Hutton of Uno Park secretary, and Rev. Charles Higginson of Thornloe as treasurer. The president of the Toronto Conference Rev. W. I. I. Lawrence of Toronto was present and gave an inspiring address at a public meeting in the evening, at which time Rev. J. C. Hutton gave an interesting report of the general council.

Reports of various committees were given to Presbytery; Rev. Gerald Cragg reporting for the missionary and maintenance fund, Rev. J. E. Graham for the foreign missions, Rev. M. S. Boyd for the evangelism and social service. Mr. Charles Byam for the property committee which granted permission to the Englehart congregation to sell their old church building, and Rev. C. Higginson for the Christian education committee.

In connection with the church literature and publications committee presented by Rev. W. R. Clemens, a resolution in regard to Rev. Gerald Cragg, who has recently been appointed editor of the New Outlook, was brought in: "We believe the appointment has been judiciously made. It is our conviction that he will bring to his task a discreet and balanced contribution. We regard him fitted for this unique service be-

cause of his scholastic attainments, and his acute sense of the problems of this present day in their relation to the religion of Jesus Christ." The presbytery gave its consent to the release of Mr. Cragg from his present charge at New Liskeard at the end of October. Consent was also given for a leave of absence of one year to Rev. J. W. Walkinshaw of Charlton on account of ill-health.

Rev. W. A. Beecroft in reporting for the home missions committee stated that 5 students had been on fields during the summer preaching at 14 appointments. Rev. D. McLeod is to continue work at Lamaque and to be missionary-at-large for the mining area adjacent to it. The pensions report was given by Rev. L. H. Turner, and also the Central emergency report. For the emergency fund each congregation is asked to raise one and one-half per cent of the salary paid to its minister. The presbytery went on record as believing the time had come for the province of Ontario to be given an opportunity to decide by referendum whether beer parlors should be allowed to continue in the province.

The Camp Lorraine report by Revs. Smith, Cragg, Boyd and Higginson stated that dates for next summer camps were as follows: Senior Girls, July 11 to 21; Junior Girls, July 21 to 31; Summer school, Aug. 1 to 9; Boys, Aug. 9 to 18. Five new trustees were appointed, Mr. Alec David of Cochrane, Rev. J. C. Cochrane of North Bay, Mr. Len Hill of New Liskeard, Dr. Somerville of Haileybury, and Mr. E. W. M. Paisley of Kirkland Lake. Rev. W. A. Beecroft was elected president and Rev. J. C. Hutton as treasurer of the new executive. It was agreed to hold a ministerial retreat at Camp Lorraine in the second week of September, 1937, under the direction of Rev. J. C. Cochrane.

The February meeting of presbytery will be held at New Liskeard.

Two Local Residents Win Prizes at Kiwanis Carnival

Mrs. W. H. Lowery and Jay Gould of Haileybury, were among the winners of the prizes at the Kiwanis Carnival in New Liskeard last week. Each received a five-dollar prize, Mrs. Lowery being 12th on the list and Mr. Gould 14th. The first prize, valued at \$400, went to Eli Ovuka of Kirkland Lake.
