

Asked Bottle Of Whisky as Pay for Cold Plunge

River Diving Act Performed by Workman When Machine Slides Off Bridge

When Simon Lamoureux, half-breed workman from Honey Harbor, Ont., dived into the icy waters of the Montreal River late last week in order to facilitate the rescue of a seven-ton tractor, the only reward he requested from his employers was a bottle of whiskey. With the temperature prevailing and a depth of between 16 and 20 feet of water at the point, he probably needed the stimulant after his cold plunge.

The tractor was being driven across a floating bridge, near South Gillies, when the bridge tilted and the machine dropped into the stream. The driver, Paul Nadeau of Cobalt, got a ducking, but was able to get out before he suffered seriously. Lamoureux volunteered to dive down and tie a cable to the machine in order that it might be pulled out later, and was successful in the first attempt.

The tractor is being used by the Francoeur Products, a firm operating a small portable sawmill for cutting wood in the area. It had been taken in from Latchford, after crossing the river on the highway bridge, and on its first trip out via the other route the mishap occurred. There were two teams of horses on the bridge at the same time, but they did not go in and there was no damage done to the structure, as it simply tilted and the tractor slid off.

SPORT NOTES

The Junior hockey season will open tomorrow (Friday) evening when the local kids take on the Liskeard crew in the Farming town. "Pap" Hylands will handle the game.

Monday evening will usher in the hockey season for Haileyburians, when the Senior sextet entertain last season's group winning Cobalters. The local puck chasers have had a few workouts and look to have some good material, which might go places. Cobalt claim to have a better outfit than last season.

The Northern Senior group got under way on Tuesday night, two of Kirkland's four teams tangling and the result was a 6-2 win for Tekimas over Toburn. The latter were without the services of "Yip" Coleman, former Brickville star, whose transfer has not yet been received.

South Porcupine took Timmins into camp last night by a 10-7 count, with goals coming thick and fast. This is South End's third straight triumph over the Gold Miners, coached by Marty Lauder, former pro., but it is the first to count in N.O.H.A. competition, the others being Kenning Cup games. Lake Shore plays at Timmins and Saturday night the same club, coached by our own Bill Brydger, tackles the South End crew, and these two are picked as the class of the group.

Four teams have been chosen in the local Juvenile group, and they expect to have a workout at the arena on Saturday morning.

Bowling Club Meets Tonight For Presentation of Prizes

A meeting of the Haileybury Lawn Bowling Club will be held this evening at 8 o'clock, in the Sheriff's office at the court house, for the presentation of the prizes won during the last season. All members are invited to attend, whether they won prizes or not.

Injuries Fatal to Small Boy in Motor Accident

Jury Exonerates Driver of Car Which Struck Harold Warner Friday Night

After the hearing of evidence of eye-witnesses to the fatal motor accident on the Lake Shore Road, just south of the New Liskeard Beach on Friday night last, a jury under Coroner Dr. J. S. McCullough at New Liskeard on Monday afternoon returned a verdict of accidental death, with no blame attached to the driver of the car, Wm. Herman. The victim of the accident was Harold Warner, aged seven years and two months, son of Mr. and Mrs. Kirk Warner, who live on the highway in Dymond township near the scene.

half, Herman stated at the inquest that the boy ran out in front of the car and that he had no chance of stopping in time to avoid striking him. There had been four boys and a small girl at the street corner and he had been watching them as closely as possible. The place is midway between two street lights and rather dark, the evidence showed.

The boy's father and others who were nearby took the injured lad to the New Liskeard Hospital, where he died on Saturday morning at about 5.15. Provincial police headquarters in Haileybury were notified and Inspector F. B. Creasy went to the scene and also attended the inquest. The driver of the car did not stop, but soon after reaching his home he telephoned to Crown Attorney J. B. Robinson, report-

ing that he had struck a boy on the highway.

Following the boy's death on Saturday, a charge of manslaughter was laid against Herman, who was released on bail of \$10,000, to appear for preliminary hearing

before Magistrate Atkinson on Friday morning. The jury was empanelled on Saturday and after viewing the body at Perrin's undertaking parlors, adjourned until Monday, when the enquiry was completed.
