

### Local Juniors in Overtime Game With Cobalters

**Haileybury Has 4-2 Advantage at End of First Period, But Cobalters Tie It Up**

Haileybury Juniors played their first game of the season on Cobalt ice Tuesday night. The general opinion of the fans seemed to be that it was one of the fastest games in the silver camp in some time. The boys battled their way through overtime without being able to untie a 4-4 knot.

The Haileyburians are playing nice hockey; come down to the rink and pick stars for yourself on Friday when they meet the Liskeard crew. A win will put the locals at the top of the heap in the group, and give them a real chance for group honors.

Mercier started the scoring on a pass from Kelly, and Holouka made it two a few minutes later. The Haileybury lads then came to life and Grills started the locals scoring on a pass from Hume. Short tied it up and McCurdy with the help of Hume and Hughes made it three. Short finished that period with another from the blue line, making it 4-2.

The second period was made up of end to end rushes and plenty of backchecking. Chartier got the only goal of the period, leaving Haileybury still one in the lead at 4-3.

In the last frame both goalies were called upon to handle plenty of shots, but Holouka got the only counter, unassisted. Both teams tried hard in the overtime but the fates were with and against them—4-4 it remained.

**MEMBER OF SENSATIONAL SCORING LINE**

Neil Colville, above, and his brother Mac, appear to have brought back to the New York Rangers the glory once won by the Cook brothers. Both first year men, they hail from Western Canada, the Colville boys already are one of the highest scoring lines in the N.H.L. Lester Patrick hopes they will enhance the enviable "brothers" record set up by the Cook boys, and the critics are predicting big things for the new line.

**A MEMBER OF THE STAR "KID LINE"**

Mac Colville is one of the important members of the new "brothers" line which Lester Patrick of the Rangers has developed, and which is one of the highest scoring lines in the N.H.L. Although this is their first year in major company, the Colville brothers already have firmly established themselves on the road to glory, so long travelled by the famous Cook brothers. They hail from Western Canada and are two of the best forwards to join the N.H.L. in many a long year.

**Curlers Visit Englehart For Friendly Week-End Game**

A rink of Haileybury curlers went to Englehart on Saturday for a week-end game with the men of the railway town and, according to the local men, spent a very pleasant afternoon in a friendly contest, which was won by the Haileybury players. Col. Mac. Lang was the Haileybury skip, with Jay Gould as vice, W. C. Thuerck second and J. M. Kaine playing lead. John Pollock was the skip of the Englehart rink which entertained the visitors, Jas. Paterson played the third stones, C. Ireland second and A. J. Catt lead. The game was easily finished between trains.

**SPORT NOTES**

Liskeard Seniors did things to Haileybury's aspirations Monday evening, parading through the local squad to rack up 17 goals, while confining Alv. Elliott's lads to one goal per period. 17-3! The first frame left the count at 3-1 for the ultimate winners, and it was in four-man efforts to reduce the leeway that the locals went wrong. Liskeard watched for opportunities to break away and had the count 7-2 at the end of the middle canto. From then on it was just a parade goalward for the Farmers, who are now tied with Cobalt for group honors. Haileybury will tackle the Cobalt Miners in silver town to-night in an effort to make it a three-way tie, with four points each.

The Central Group All-Stars, playing under the colors of the Haileybury team, downed a good team from North Bay on New Year's night, when they took the Chev's, 3-2. Ernie Drury wanted badly to hand Haileybury a setback, but the breaks were against him. A lucky counter deflected into the North Bay net in the first minute of the game, was the deciding factor. Another was added before the end of the period, and the locals made it 3-0 at the second rest, with North Bay trying all the way to break into the goal column. They were finally rewarded by two counters in the dying moments of the fray. The visitors did plenty of puck carrying and only superb work in goal by "Cap" Burns and Arnie Belanger kept them out. It was a real crowd-pleasing game, with about three hundred fans on hand to see the action. George Kenty former local Junior, now playing for Queen's University, was the outstanding player on the ice, although all the Central Groupers played heads-up hockey, and tied up the Bay wingers nicely. Tom Pelangio, brother of Pete, late of St. Louis Flyers and now with the

Chicago Black Hawks, and Descheno, were best for the Bayites.

Bill Brydge and his starry Lake Shore sextet, leaders in the senior Golden Group, will appear in an exhibition game at the Haileybury arena on Saturday, January 16th, according to officials of the local club. This should be the outstanding hockey attraction in this section of N.O.H.A. territory this season, and it is expected that a capacity crowd will be on hand to see Bill's brilliant gang go. **"I WAS ALL NERVES"**

FOR young girls growing into womanhood, for women in middle life going through the "change," or those who suffer from headache, backache and nervousness, Dr. Pierce's Favorite Prescription is just the vegetable tonic needed. Read this: Mrs. William Roy of 18 Pelham Road, St. Catharines, Ont., said: "I was all rundown and seemed to be 'all nerves.' I did not feel at all well. I could not do a day's housework without feeling tired to death. Headaches also sapped my strength. I decided to use Dr. Pierce's Favorite Prescription and it strengthened me and rid me of that run-down, upset condition." Buy now!

**Advertising is Good for Us!**

That dusty picture of an optimist and a pessimist—the optimist seeing the doughnut and the pessimist the hole—is just a way of describing most of us: some of us habitually look on the bright side of things; others on the dark side. Always there are those who have a melancholy pleasure in fault-finding. And so there are always those who look upon Advertising as an economic waste and a means by which the sale of inferior merchandise can be promoted. It is quite possible to discover wrong things about Advertising—just as it is possible to find wrong things about water and air, about books and speeches, about motor cars and aeroplanes, about schools and churches, about Canadians and Scotsmen, about knives and forks.

Advertising is news and information, and who shall say that it is wrong to communicate news and information? It would be a pretty dull world, full of dull people, if there ceased to be a dissemination of news and information.

In all ages and in all countries those giving out news and information have attracted to themselves attentive audiences; and this is as true today as it was 1000, 2000, 3000 years ago.

What Stores are busiest? Is it not those stores which give out the most information about what they have to sell? The public is daily spending money—probably \$2.00 a day for every man, woman and child in the trading area covered by the circulation of our newspaper — or, say, \$2000 for every 1000 persons. So you can calculate for yourself—you, a retailer, what is spent daily in our own community for food and shelter and clothing, and for all the other things.
