

Transportation Company Takes Over Taxi Line

Carrier Brothers Sell Out to N. D. McIsaac; Will Continue as Chauffeurs

The McIsaac Transportation Company, operating the bus line between the towns of Cobalt, Haileybury and New Liskeard, is extending its operations to include a taxi service in Haileybury and on February 1st will take over the business of the Carrier Brothers, who have been handling local traffic since 1922. The taxi service will be operated in connection with the buses, according to N. D. McIsaac, who announced the deal at the week-end.

Arthur and Armand Carrier have been engaged by Mr. McIsaac as chauffeurs of the taxis, and already three new cars have been ordered to take the place of those now in use.

In extending his operations in this way, Mr. McIsaac states that his chief aim is to give the people of the three towns the best possible service. The bus line has proved a first class substitute for the former Nipissing Central Railway and has been in continuous operation for nearly two years making hourly trips without interruption.

The taxis will continue to take care of traffic between Hotel Haileybury and the railway station and will be available at all hours. Uniforms for the chauffeurs, the same as those worn by the bus drivers, have been ordered and the whole system is to be centred here. An agreement satisfactory to all parties was arrived at, Mr. McIsaac states, and the new arrangement will go into effect on February 1st.

W. G. NIXON, M.L.A., REPRESENTS NORTH ON ONTARIO SEED BOARD

W. G. Nixon, M.L.A., for Temiskaming South, has been appointed a member of the newly created Ontario Seed Board, announced by the Minister of Agriculture, Hon. Duncan Marshall, late last week. Mr. Nixon will represent Northern Ontario farmers for the present, the Minister stated, and later on one or two farmers from Northern Ontario will be added to the Board.

"The Board will advise the department in connection with all problems of seed growing and seed marketing, particularly the problem of securing markets for the smaller growers," the Minister said. "It will endeavor to work out an efficient system of more complete distribution of good, clean seed, true to variety."

Hotel Company to Hold Annual Meeting February 12

The annual meeting of the Temiskaming Hotel Company Limited, operating Hotel Haileybury, will be held this year on February 12th, at 3 p.m., in the hotel, according to a notice to shareholders being sent out this week by the secretary, Jos. A. Legris, K.C. General routine business will be transacted and directors elected for the ensuing year.

It is not enough to exercise the will-power, their must also be the well-woven fibres of brain, muscle, and heart to execute. Let him who receives a sudden powerful impulse upward retain some of the vantages that have been given him, even if it is but a step; then let him take another step upward; if he cannot walk, he can climb; if he cannot walk, he can at least creep upward.

Flush Kidneys of poisons and stop getting up at night

Having tested "A-nuric" in thousands of cases at the Invalids Hotel, Buffalo, N. Y., I have distributed to the Drug Trade the latest and perhaps the most important of the Dr. Pierce home remedies, "A-nuric," which I now recommend for the relief of minor kidney irregularities. Those who have irregularity of urination, disturbed sleep, depression, aches, pains, drowsiness, dizziness, will find this stimulant diuretic beneficial in flushing the kidneys, diluting acid, and relieving irritation. Taking a cup of hot water and Dr. Pierce's A-nuric after every meal should bring remarkably quick improvement. Buy of your neighborhood druggist now.

BRITISH TENNIS STAR ENGAGED

Miss Betty Nuthall, 25-year-old British lawn tennis star, is shown above with her fiance, Mr. D. A. Barclay, on the occasion of their engagement a few days ago.

ANCIENT CORONATION CHAIR IS READY

Those Canadians who have visited Westminster Abbey will undoubtedly have seen the Coronation Chair, upon which all British monarchs are crowned, but it is doubtful if they have ever seen it in the position shown above. No longer guarded by railings, the chair is shown as it will stand in the Coronation Theatre of the Abbey ready for use when their Majesties the King and Queen are crowned.

The HAILEYBURIAN

Horticultural Society to Hold Annual Meeting Friday

The annual meeting of the Haileybury Horticultural Society will be held tomorrow, Friday, evening, in Hotel Haileybury, at 8 o'clock, when the members will assemble to review the work of the past season. The society was revived last spring, after being inactive for a number of years, and during the summer there was considerable good work accomplished in the way of planting trees, improving the grounds surrounding the soldiers' memorial, and otherwise beautifying the town. If this work is to be continued, the support of the public is necessary and all interested are asked to attend the annual meeting. There will be

the usual business of election of officers and directors and the laying out of a program for the coming spring and summer. Membership in the society provides a pleasant way in which all can do some public service and the annual fee is only a nominal one.
