

Smith Rink Will Get Another Try At Brier Tankard

Have Little Difficulty in Winning From Fitchett's Sudbury Rink in Play-offs Yesterday

Emmett Smith's rink, grand aggregate winners at the recent T. & N.O. bonspiel held in Timmins, had little difficulty in defeating the E. A. Fitchett rink, who won the honors at the N.O. C.A. 'spiel in Sudbury last week, when they met in the play-offs at North Bay yesterday.

Smith's four, made up of Mel Robb, lead, Rev. W. A. Beecroft, second, G. A. Sutherland (replacing temporarily D. H. Millar, who is ill) third, and Emmett, won the morning contest 13-7, and came right back to take the afternoon affair 14-9.

Thus, the local lads will have another opportunity to bring the Dominion curling honors to the North Country, and with added experience, and ability, may do just that thing.

The Brier event will likely be held during the first week in March, and the games will be, as usual, played on the Granite Club's ice in Toronto.

CLOSE AGUANICO MINE AFTER ORE CLEANED UP IN TEN MONTHS' WORK

The Aguanico Mine, on the shore of Lake Temiskaming about three miles from Haileybury, was shut down on Saturday last after having been operated by A. Presse and W. E. McCready, Cobalt men who held the property under lease. The cleaning up of all the cobalt ore in sight was given as the reason for the shut-down by Mr. Presse, who stated that it was believed there were other veins which could be developed, but nothing of importance in sight. The last car produced was shipped out on Tuesday, making about 600 tons of cobalt produced since the mine was reopened in April last.

Only Routine Business at Annual Meeting of Hotel Co.

There was only the usual routine business transacted at the annual meeting of the Temiskaming Hotel Company Limited, held on Friday afternoon last in Hotel Haileybury, which is operated by the company. A number of shareholders were present to hear the reading of the financial statement and take part in the election of directors for the ensuing year, and the business was cleaned up in short order. The statement showed that, while an operating profit resulted from the year's business, there is still a heavy deficit on the enterprise. The former board of directors and the auditor were re-elected for another year.

Cobalt Teacher Going to Ireland on Exchange Plan

Miss Grace Irving of the Cobalt public school staff will go to Ireland next summer, on the exchange system which has been in force between Canada and the British Isles for the past several years. She will be the first teacher from Cobalt to take advantage of the plan and the second from this immediate district, as a few years ago Miss Playfair, of the Haileybury staff, taught for one year in England. Miss Irving has been granted a year's leave of absence by the board and her place will be filled by a teacher from the school to which she is going, in Portadown, County Armagh, Northern Ireland.

Ski Club Will Hold Its Weekly Meeting Tonight

The Haileybury Ski Club will hold its weekly meeting tonight, instead of Friday, at Hotel Haileybury at 8 o'clock, when it is hoped that all members and intending members will be present. The meeting is called a day earlier because some of the members intend to go to North Bay for the big meet at the week-end.

At the last meeting the fees for membership were fixed at \$1 for seniors and 75 cents for juniors, and Miss J. Houston was appointed treasurer. For the present the original committee, consisting of Miss Houston, Miss Dorothy Hartley and Mr. Chas. Fassel, will carry on and it is hoped to have something definite regarding a club house to announce at the next meeting. All those who intend to join the club are asked to come along tonight.

DIONNE KIDNAP PLOT BELIEVED TO BE HOAX BY ATTORNEY-GENERAL

The reported plot to kidnap two of the famous Dionne quintuplets was believed by Attorney-General A. W. Roebuck to have been a hoax, according to despatches from Toronto this week. The report, which made the front pages of the Toronto papers on Friday, was to the effect that a passenger on a Bu#alo-Toronto bus had overheard two "foreign-looking" men discussing plans for snatching two of the quintuplets and holding them for ransom. The passenger did not give his name when he reported the affair and a check-up of the bus passengers failed to bring any results.

Extra guards were placed at the home of the famous babies, however, and all possible precautions taken to prevent any attempt at kidnapping. The Attorney-General conferred with the Commissioner of Provincial Police and they are said to have been agreed that the report was either imagination or a hoax on the part of some unknown person.

More Entries in Rotary's Quest for Haileybury Song

Two more entries were submitted this week in the local Rotary Club's quest for a "Haileybury Song," but nothing so far has been considered as in every way suitable for the purpose. The club will keep the contest open for a while yet. One of the entries received was sent down from Timmins, while the other was the effort of a local writer.

The Club was given a financial report on the past year's activities at the Monday meeting, which showed that the budget system, adopted for the first time in 1936, had proved satisfactory in every way. Estimates made at the beginning of the year had not been exceeded in the expenditures and there was a cash balance carried forward for the present year.

SPORT NOTES

The All-Star Seniors were too good for the All-Star Juniors in the tune-up game played last night here, winning the event 7-4. Several of the Juniors have not yet recovered from the effects of the 'flu, and were not up to the mark, but they will likely be in shape to tackle the winner of the Noranda-Kirkland series now being played farther north. The 'teen-aged lads held their older brethren to a 1-1 tie at the end of the first frame, but wilted later and the Seniors went on to take a three-goal margin.

In the first of the home-and-home goals to count series between Kirkland Lake and Noranda Juniors the Lakers took a two goal lead on their own ice last night, winning out 9-7. The return game will be played in the Quebec town at the week-end, and it looks interesting enough to see. The winner there will play here next week, probably on Wednesday night against local Juniors. Watch for the date.

When the Easiest Way Is the Best Way

THERE are no two ways about it! Certainly the easiest way to get the most for every dollar you spend is to buy products that you know about through the advertisements in your local paper. You don't have to go out and look for buying opportunities. The advertisements bring them to you. And all you need do is consider the facts, compare values, and decide on the soap or the sedan that best fits your judgment and your pocketbook.

Certainly the best way of making your money go farthest is to buy merchandise of proved value. Advertised merchandise. Merchandise that is bought and used by many people. Merchandise that must be superlatively good enough for its maker and your local retailer to keep calling it to the attention of people week after week and year after year.

This is the service — of convenience and profit — that the advertisements offer you. It will pay you to read them regularly and take advantage of everything they can do for you!
