

Noranda Juniors Eliminate Locals; Tackle Timmins

Haileybury Lads Courageous in Dropping Round, 10-8, to Young Copper Kings

With a special train carrying almost 250 rooters, Haileybury Juniors invaded Noranda Sunday, and finally bowed to the young Copper Kings, 6-5, on the game and 10-8 on the round.

Noranda got the jump after six and a half minutes of play, Paul Courteau scoring on a pass from his brother George, but Haileybury matched this on Holouka's drive two minutes later. At the 12 minute mark Lachance put the Kings up one on the game, getting the pass from G. Courteau, and three minutes later Randy Hughes tied it up when he batted in Ed. Short's pass. This ended the first period scoring and Barrow, Holouka and Stewart (2) decorated the penalty slot during the frame.

With 17 minutes of the second period gone Gabanni took a pass from Stuckey to tie up the round and the Haileybury rooters got a chance to roar. Their joy was short-lived, however, as within a half minute Stewart put Noranda back in front in a play which involved Lajoie and Lachance. And the teams skated off for the second breather with the count 3-3 on the game. There were no penalties in this period.

Lajoie scored two goals within a minute midway in the final period, the first alone, and the second on a pass from G. Courteau. In another minute a Haileybury had the two back, Hughes getting the first on Holmes' pass and Gabanni netting from Fred Thompson's boy. This knotted the count on the game, but almost from the next face-off Paul Courteau put his team in front, and the Kings managed to hold on to the end.

Briand and G. Courteau drew the only penalty of the session

The teams:
Noranda—Newton, goal; Kirkwood and Gould, defence; Paul Courteau, centre; G. Courteau, Lachance, wings; Briand, Stewart, Barrow, Lajoie, Ladds, alternates.

Haileybury — Belanger, goal; Short, Holouka, defence; Holmes centre; Hughes, Stuckey, wings; McCurdy, Hume, Thompson, McIsaac, Gabanni, alternates.
Referee—F. Coughlin, Noranda

LEGRIS CONTEST WON BY MILLAR'S RINK IN SATURDAY NIGHT FINAL

D. H. Millar skipped his rink to victory on Saturday night in the final game of the J. A. Legris event, defeating Jas. Hill and his assistants who had landed in the final after several victories. This is the second of the major contests that Millar has won this season, as earlier he carried off the Bagshaw Memorial by defeating Taylor Pipe in the final. Saturday night's game was watched by a large gallery of interested curlers and others. The big feature was a 6-end made by the winners, which just about decided the affair, although the Hill men fought back gamely.

The Millar quartette included W. C. Thuerck, lead; S. Norfolk, second; M. S. Boyd, vice. Dr. D. G. Wilson played lead for Hill, with C. F. Tuer second and H. Clifford, vice.

Local Curlers Playing at Kirkland for Van Itallie

D. E. Sutherland is the skip of the Haileybury entry in play for the Van Itallie trophy, which commenced this morning at Kirkland Lake. This coveted trophy has not yet been won by the local club, although each season an effort is made, and curlers here are hoping that it will be brought down at the week-end. There are 11 clubs eligible to compete and the majority have a rink in the gold camp. The other three members of the Haileybury rink are Jay Gould, vice-skip; Lorne Ferguson, second and B. V. Harrison, lead.

Play for the electric clocks which go with the Canada Northern Power contest here, and which have been the envy of all the players for the past few weeks, commenced on Monday night, with 20 rinks drawn. Four games are played each night, so that there is little doubt that the competition can be finished before the ice gets too soft.

Great Displays of Work Shown at Rotary Fair

First Event of Kind Brings Out Over Three Hundred Entries in Splendid Exhibition

The big event of last week for the children was the Rotary Club's Hobby Fair, a new venture for the club and one that was apparently hailed with delight by the pupils at the various schools, judging by the number of entries.

When the time closed on Friday night, it was found that there were 309 articles, collections, etc., entered as exhibits, the display filling the basement room of the Oddfellows' Temple.

All day Saturday the show was open to the public and there were many visitors to admire the work of the children. In a great many cases the exhibits were of an especially high quality and the event was a decided success.

Competent judges spent many hours in going over the various exhibits, and on Saturday night the children received their prizes, which were paid in cash. In the majority of classes there were first, second and third prizes, with specials in some classes, and "commended" articles, the makers of which received a third prize.

In the classes for boys the exhibits were largely woodwork and a great number of the articles were made at the manual training classes of the public school. The girls devoted their time chiefly to needlework, art and cooking exhibits, and the displays were very fine samples. The whole exhibition was considerably larger than had been expected, and the Rotarians are quite pleased with the success of the venture. In all probability it will become an annual event.

We give below a list of the prize winners, so far as we have been able to classify them according to ages. Some classes were open to both boys and girls and several were added to the original schedule as the entries came in.
