

Two Steamers at Wharf on Monday Recall Old Times

Once Busy Port Now Seldom Used; Railway and Motor Cars Spoil Lake Traffic

When two small steamers of the Upper Ottawa Improvement Company tied up at the Haileybury wharf on Monday, local residents were again reminded of the great change that has taken place on Lake Temiskaming within a comparatively few years. The once busy port, at which several passenger and freight carrying boats made daily calls, now very seldom hears the sound of a steam whistle, and only a few pleasure boats are used during the summer.

The building of the branch line of the C.P.R. to Ville Marie and Angliers a few years ago, together with the ever-increasing motor traffic, has been responsible for the disappearance of all the larger boats from the lake, except those used in the lumbering operations which only call occasionally at the upper ports.

The two which were in on Monday came down from North Temiskaming, where they are used to tow booms of logs from the mouth of the river to Chief's Island, where the large steamers pick them up. One of the boats, the "Seal," has been disabled and she was towed down by the "Wabis" for repairs.

Only one of the big boats has been out this spring, the "Lady Minto," which went down on Friday with a boom. The other may be up later, but the timber business on Lake Temiskaming is apparently diminishing.

The steam tug "Alert" was in at the Haileybury wharf on Wednesday last. She arrived just as the Coronation ceremonies were concluded and the sound of her whistle acted as a sort of climax to the firing of the Royal Salute which concluded the celebration.

Public Health Nurse's Report for Past Month

The following is the report of the Public Health Nurse of Haileybury for the month of April, 1937:

School Work	
Schools visited	24
First Aid or Dressings	34
Special Physical Inspections	8
Rapid Classroom Inspections	427
Routine Classroom Inspections	11
Vision Tests	5
Number of Pupils Weighed	131
Defects Found	14
Corrections Made	13
Children under observation	6
Individual Conferences	92
Exclusions:	
Sent home ill	21
Suspect acute com. disease	13
Skin conditions	3
Pedicule	6
Re. Inspections for observation	14
Other inspections	195
District Work	
Home visits	173
Infants	28
Pre-School	25
School	39
Adult	31
Pre-Natal	12
Post-Natal	8
Acute Com. disease diagnosed	4
Acute Com. disease suspect	32
Not taken under care	9
Not home	5
Office Visits	19
Social Welfare	8
Special activities	24
New cases	42
Families visited	99
Bedside care visits	8
Tuberculosis visits	3
Clinic Work	
Child Health Conference	2
Attendance—infant	3
Pre-School	6
Tuberculin tests made	442
Public school	169 tests
10 positive reactions	
Separate School	173 tests
22 positive reactions	
High and Mining schools	94 tests
13 positive reactions	
Adults	16 tests
7 positive reactions	
This clinic was conducted by Dr. Wilson and Dr. Brennan.	
Vaccination Clinic	
This clinic was conducted by Dr. Arnold, M.O.H. and Dr. Joyal.	
Public school—61 vaccinated	— 54 active reactions.
Separate school—45 vaccinated	— 36 active reactions.
Pre-School—35 vaccinated	— 24 active reactions.
Classroom talks given	14

CHRISTINA D. KEITH

GOLF NOTES

The opening tea at the local Golf Club will be held on Saturday afternoon, May 22nd, and will be in charge of the executive of the Ladies' section.

The first luncheon of the season at the local club will be held on Tuesday, June 1st. Particulars of the day's activities will be announced next week.

The opening dance of Haileybury Golf Club will be held on Friday, June 4th.

The fixture list for the men's section of the Haileybury Golf Club shows that the first event in a competitive way will be held on Saturday, June 5th and Sunday, June 6th, when the opening round of the President's Cup will be staged.

TENNIS CLUB PLANS TO BUILD NEW COURTS ON MORE CONVENIENT SITE

A proposal to build new courts in a more convenient location was discussed at the annual meeting of the Haileybury Tennis Club, held in Hotel Haileybury on Thursday evening last. With this object in view, the members decided to hold a bridge party on June 11th for the purpose of raising money for a start on the project. Several sites were considered, and it was felt that one on Rorke Avenue, where there is some nice vacant ground, would be the most suitable if it can be secured. A meeting of the newly formed executive committee will consider the proposal further at an early date.

J. S. Valentine was re-elected president of the club, with Arnie Belanger as vice-president and Miss Amy Herbert, secretary-treasurer. Misses Shirley Liddicot and A. Adair, with Chas. Rose are the other members of the executive. Membership fees for the year will be \$3.00 for students, \$3.50 for ladies and \$5.00 for men.

LOCAL ANGLERS OPEN SEASON WITH SEVERAL "BIG ONES" REPORTED

A 10-pound lake trout and a seven-pound pickerel were two of the "big ones" reported over the week-end by local anglers, who opened the season with some very nice catches. C. H. Liddicot got the big trout in Anima Nipissing Lake, a favorite spot for that kind of game fish, while the pickerel was caught right in Lake Temiskaming by one of the Lytle boys, formerly of Haileybury, who now live in the township near the Dickson Creek mine. He was fishing off the wharf at the oil tanks, near Moore's Cove, and Douglas A. Mutch is authority for the weight. Mr. Mutch got a couple of smaller pickerel himself at the same place and says that there are quite a few being caught there. He believes the restocking of the lake in recent years is beginning to have results.

Several other parties visited the Mattawapika and report some success, but nothing so large as the two mentioned.

Cobalt Made Nice Profit On Coronation Celebration

Cobalt's Coronation celebration which included a big ball and games in the evening, returned a nice profit to the municipal authorities, according to a statement presented to the town council there on Monday night. Approximately \$300 was left after all expenses had been met and the council decided to contribute \$50 each to the Victorian Order of Nurses, the Municipal Hospital and the Kiwanis Club, to refund one-half of the town's contribution of \$150, with a refund of \$50 to the Township of Coleman. Of the remainder it was decided to give \$13 to the Temagami Boy Pipers to assist in the purchase of uniforms.

Blaze in Woodpile Brings Call to Fire Brigade

The local fire brigade answered a call to a blaze in a woodpile near the rear of the Myles block at noon on Friday. Mr. Myles saw the fire from his window and it had a fair start before the men arrived, but the damage was slight. It was thought that boys might have been responsible.

Variety in Cases At Police Court Here on Friday

Hit-and-Run Motorist Is Fined; Liquor Charge Adjudged; One Heavy Sentence

There was considerable variety to the police court docket which faced Magistrate Atkinson here on Friday afternoon, the charges running all the way from one of selling liquor in Matachewan to obstructing a police officer in the course of his duty in Haileybury, with the hearing of a count against a North Temiskaming man of being a "hit-and-run" motorist, and an attempted suicide charge against a woman resident of one of the mining camps thrown in for good measure.

The liquor charge was laid against Jeannette Goyette of the mining district, and it was adjudged a week on request of Crown Attorney J. B. Robinson, while the principal in the attempted suicide case was bound over for two years when she told His Worship that she had no intention of repeating it. All she needed was a job, it was intimated.

Octave Bousejour was assessed \$50 and costs on the hit-and-run charge when the particulars were given by Provincial Constable W. Byrne. B. Luscomb and G. Palmer, accused by Chief of Police MacGirr on the drunk and obstruction charges, were convicted and fined, the former receiving the heaviest sentence of the session when he was given \$50 and costs or 30 days for the obstruction, plus \$10 and costs or 30 days on the drunk charge.

Palmer's fine was \$10 on the drunk charge, the other being withdrawn in his case. The chief had been called to the Matabanick Hotel on the night of May 8, he told the court, and had been in the act of taking Palmer to the lockup when Luscomb pulled him away and told Palmer to "run for it." Both had later been placed under arrest, and the charges laid.

FORMER CHOIR BOY OF ST. PAUL'S CHURCH WINS SOLO CONTEST

At the annual music festival of Lincoln County, held at Beamsville last week, Oswald Thorpe, son of Mr. and Mrs. O. J. Thorpe and a former member of St. Paul's choir here, was awarded first place in a solo contest for boys with unchanged voices, winning a gold medal and a trophy in his class. Similar awards were also won by him in the open class for boys' unchanged voices, according to a clipping from the Hamilton Spectator received by The Haileyburian.

Haileybury people, and particularly the boys of St. Paul's choir will be pleased to know that a boy from the North Country was so successful in the big musical event which takes in the whole of Lincoln county with its closely settled districts and fairly large cities.

New Telephone Directory Goes to Press Next Month

The Northern Telephone Company announces this week that a new directory is in course of preparation and will go to press about June 14th. All subscribers who have any changes to make in their numbers or addresses should communicate with their local exchange office as soon as possible. There will be 13,500 copies of the directory issued, covering the company's exchanges throughout the whole of the T. & N.O. area, west to Hearst and over the Northwestern Quebec mining fields. Extensions of the lines are being made continually to keep up with the general development of the North Country.

Dog Killed on Street By Passing Motorist

A small dog belonging to J. Childs was so badly injured when he was struck by a passing motor car on Monday morning that several "Good Samaritans" who were close by at the time had him put out of his misery by the use of chloroform. The motorist was A. Presse of Cobalt, and he reported the affair to Sergeant V. T. Reed of provincial police headquarters, stating that the dog ran out so quickly that he could not avoid hitting him.
