Paragraphs Pertaining to Happenings of Interest During the Past Week

FAVOR GAS RATIONING

Last week the Timmins council passed a resolution in which they requested the government to institute a system of gasoline and oil rationing that would limit the use of gasoline and oil to necessary purposes and prevent their unjustified use for pleasure or other purposes. This week the council received letters from the Minister of Munitions and Supply, the Canadian Federation of Mayors, the Federal Oil Controller and Mr. J. A. Bradette, M.P., saying that they were in favor of the resolution.

The clerk was instructed to make copies of the resolution and send a copy to every municipality in Ontario.

COULDN'T DODGE JAIL

His Majesty's forces were not as eager to have the services of Harold Morrison of Kirkland Lake as Morrison was anxious to do a uniform.

Morrison appeared before Magistrate S. Atkinson in police court yesterday on a charge of intoxication.

"If you'll give me 20 minutes to get to the recruiting office, I'll join the army," Morrison told the magistrate.

"Take him over and see if they want him," the magistrate ordered a constable.

In a few minutes the constable and Morrison returned. Morrison had one of the army's blue rejection slips. He had been turned down for medical reasons.

"Ten and costs, or 30 days," ruled Magistrate Atkinson, and the case was closed.—Kirkland Lake Northern News.

FIND YOUTHFUL SMOKERS

Boys between the ages of six and 16 who have never been to school, other youngsters of 14 and 15 who have stopped school without legal permits and five-year-old habitual smokers were among the delinquent children described in the 1941 report on municipal playgrounds, which was submitted to council this week.—Timmins Daily Press.

OBJECT TO BADGERING

Badgering of men as practiced at the Sudbury Post Office corner in an attempt to scorn them into joining Canada's armed forces was roundly scored by the Sudbury branch of the Canadian Legion in a resolution passed unanimously at a regular meeting last night. The members of the Sudbury branch of the Legion described the present methods being adopted by recruiting authorities in Sudbury and recommended that a civilian recruiting committee be appointed in Sudbury to aid recruiting and suggest new and better methods of seeking volunteers for service.—Sudbury Daily Star.

WARNING EFFECTIVE

The warning issued a couple of weeks ago by Col. C. E. Bent, officer commanding the Third Battalion, R.C.E., that men of the battalion must attend on drill nights, and that prosecution would be proceeded with against those who continued to absent themselves without sufficient reason, has evidently had the desired result.

In conversation with The Press this week, Col. Bent said that there has been a steady and decided increase in attendance since the warning was first given.—Rouyn-Noranda Press.

WAR MEMENTOES FOUND

The owners of two mementoes of the last war are being sought by the Canadian Legion Post here, and the executive has enlisted the aid of the press in an effort to locate them. In one case, the name of the holder of a General Service Medal is given as Pte. J. F. Webster, whose number was 1003683, and who served with the C.O.R. In the other, a Great War service button awaits claiming and it can be obtained by the owner furnishing the number to H. H. Scott, secretary of

HIS \$25 PAINTING MAY BE WORTH \$100,000

On relief, Edward Washer, 30, borrowed \$25 to buy this picture he saw while "browsing" in a Los Angeles book store. An art expert, to whom he took it for cleaning, said it is an original by Giovanni Battista Tiepolo, 18th century Italian master, and that one like it sold for \$100,000 in Paris. Washer says he has received several offers for the picture.

Motion picture theatres in Canada report approximately 151 million admissions and receipts totalling almost \$37,600,000 for 1940.

Building permits issued in 204 Canadian municipalities during the first seven months of 1941 had a total value of \$75,797,691.

The number of hogs on farms in the Prairie Provinces was 2,714,700 at June 1, 1941, as compared with 2,660,800 on the corresponding date a year ago.

TO PAY YOUR 1941 Income Tax

on the Government Monthly Plan You must start at once!

Next Tuesday will be the last opportunity to pay your 1941 Income Tax on the Government Monthly Plan. This gives you the privilege of paying in twelve monthly installments without interest, instead of by lump sum in March, 1942.

Here is how to get the monthly payment privilege! Divide the total of your 1940 Income Tax by twelve. This is your first payment — and must be paid to the Receiver General on or before September 30, 1941. You will then pay the same amount before the end of each month for the balance of 1941. When you have estimated your 1941 income tax at the 1941 rate, you will deduct the four payments you will have already made, and pay the remainder in eight equal monthly installments, starting January, 1942.

The Government offers the above plan as the most reasonable and convenient method of meeting income tax obligations. Ask your local Income Tax Office for Installment Income Tax Remittance Form — and any further information you may require.
