HIGHWAY TRAGEDY

Two are dead and two are in hospital today following the worst highway mishap to occur in this section of Northern Ontario in more than five years. The dead are Peter Oulette, 37, and Victor Faubert, 16, both of Timmins, and Mr. and Mrs. Arvi Maki, are the injured.

Along the highway just three quarters of a mile west of Night-hawk Centre, two cars met head-on with a terrific impact. The entire front section of the Maki car, a new model, was entirely wrecked. Oulette's car, an old model Ford roadster, was smashed beyond repair.

Provincial police officers said today that it was apparent Oulette was driving on the wrong side of the road at the time of the accident. The road was 34 feet wide at the point where the mishap occurred and there were wide shoulders on both sides—Timmins Daily Press.

WANT AIR SCHOOL

Already possessed of a promise from the Hon. Charles S. Power, Minister of National Defence for Air, that the establishment of a Flying Training School in Northern Ontario would be considered should the department consider amplifying its present program. T. J. Miron, president of Kirkland Lake Board of Trade, will communicate with the minister and remind him that this area should be considered in view of the minister's recent announcement of Montreal that the present program will be doubled.

On September 3, T. J. Miron, president of the Kirkland Lake Board of Trade, addressed a memorial to the minister urging the advisability of locating an air training school in the vicinity of Kirkland Lake.—Kirkland Lake Northern News.

FREAK PUMPKIN

Planted as a pumpkin seed, but maturing into something that looked more a squash, a vegetable curiosity was brought to The Speaker office last week-end by Mrs. Leo Eckensviller of Dymind township. The exhibit had a vine growing out of each end and it had an opening on either side, one of the triangular in shape. The curiosity was about 20 feet from the roots of the vine, with pumpkins between it and the roots, while the vine on the other side had blossoms on it. Mrs. Eckensviller also showed The Speaker a cucumber which had two more growing out of it, on either side.—Temiskaming Speaker.

LUCK STILL HOLDS

Teck Hughes seems to be following its usual luck in Barraute township and reports indicate that the company has found an orebody of major importance in western Quebec's newest gold camp. Drilling has been going on for the past few months and al-

Cobalt Kiwanis Club Has Successful Bingo Party

The bingo party staged on Friday evening last by the Cobalt Kiwanis Club was a great success according to members of the committee in charge. It was advertised as a "chicken bingo" with chickens as the regular prizes, and during the evening 25 birds were disposed of, as well as five turkeys given as the prizes for special games, in which there was an entry fee in addition to the general admission which covered the chicken games. The prize was a big final game for a \$300 prize to wind up the evening. This prize was won by Miss Muriel Leblanc.

Several Haileybury people attended the event and a couple of them were among the night's winners, Wm. C. Inch securing one of the turkeys and Mrs. C. Lowery a chicken. The proceeds

TO SEE ALGONQUINS

The Algonquins will definitely come through North Bay on their way from Shilo Camp in Manitoba to winter quarters in Southern Ontario, unless something unforeseen arise in the meantime, it was announced today by Lt-Col. K. A. Mahaffy, officer commanding the Second (Reserve) Battalion.

On his return to the Armouries today after attending a conference in Toronto on Friday of commanding officers of reserve units in Military District No. 2. Lt-Col. Mahaffy stated that it was practically settled that the First Battalion would be routed through North Bay and would enjoy a stop-over here.—North Bay Nugget.

BEARS STEAL GRAIN FOR WINTER USE, BUT LAIR WILL BE RAIDED

Bears raiding grain fields in the Earlton district and purloining therefrom convenient stooks, unconsciously are sealing their own later doom, according to a story coming out of that section of the Temiskaming countryside this week. The bears, reported as quite numerous, took the grain back into adjacent territory

where they propose making their winter quarters, and apparently the stooks were designed as suitable covering for the hibernation now drawing nearer. However, they have been tracked to their prospective lair by the owner of the grain, who indicated that, having located where the animals intend to spend the winter, he intends to wait until they have settled down and then see the bear population is diminished before spring comes around again.
