

Current Edition Of Canada Year Book Has Special Value

Natural Resources, History and Development Revised and Brought Up To Date

The publication of the 1941 edition of the Canada Year Book, published by authorization of the Hon. James A. McKinnon, Minister of Trade and Commerce, is announced by the Dominion Bureau of Statistics. The Canadian Year Book is the official statistical annual of the country and contains a thoroughly up-to-date account of the natural resources of the Dominion and their development, the history of the country, its institutions, its demography, the different branches of production, trade, transportation, finance, education, etc.—in brief, a comprehensive study within the limits of a single volume of the social and economic condition of the Dominion. This new edition has been thoroughly revised throughout and includes in all its chapters the latest information available up to the date of going to press.

The 1941 Canada Year Book extends to over 1,000 pages, dealing with all phases of the national life and more especially with those susceptible of statistical measurement. A statistical summary of the progress of Canada is included in the introductory matter. This gives a picture in figures of the remarkable progress that the country has made since the first census of the Dominion was taken in 1871, seventy years ago. —Special Articles—The special articles that are shown in this edition of the Year Book have been selected to illustrate the effects of the War on the Canadian economy and to show such changes and developments as have taken place to date. There are eight such special articles as follows:

The National Registration 1940 at pages 70-71; Some Effects of the War on Canadian Agriculture at pages 138-144; the Effects of Government War Time expenditures on the Construction Industry, at pages 366-368; Pre-War Civil Aviation and the Defence Program at pages 608-612; the War-Time Functions of a Central Bank, pages 802-804; War-Time Control under the Foreign Exchange Control Board, pages 833-835; Recent Advances in the Field of Education in Canada, pages 876-883; and a special war chronology that appears as Appendix in the volume.

Persons requiring the Year Book may obtain it from the King's Printer, Ottawa, as long as the supply lasts, at the price of \$1.50 per copy; this covers merely the cost of paper, printing and binding. By a special concession a limited number of paper-bound copies have been set aside for ministers of religion, bona fide students and school teachers, who may obtain such copies at the nominal price of 50 cents each but applications for these special copies should be directed to the Dominion Statistician, Dominion Bureau of Statistics, Ottawa.

Avoid Holding Of Sunday Funerals Whenever Possible

Sympathetic Co-Operation of the Public Requested by Ministerial Association

Taking an action that had been under consideration for some time past, Protestant clergy of this district have, through formal resolution adopted at the regular meeting of the Temiskaming Association last week, requested the "sympathetic co-operation" of the general public to avoid the holding of funerals on Sundays. Copies of the resolution have been forwarded to the various undertakers of the three towns and also to the respective bodies having charge of the public cemeteries at Haileybury, Cobalt and New Liskeard.

"On account of the regular church services, and the responsibilities for these resting upon all," reads the resolution, "this Ministerial Association requests the sympathetic co-operation of the public in avoiding the holding of funerals. The Temiskaming Ministerial Association, in making this request, realizes that occasions do sometimes arise when no other alternative is possible, when the full understanding and co-operation of any member of the Association would be given."

The meeting was held at the United Church manse in Cobalt and at a social hour which followed the business session the hostess, Mrs. R. J. Scott, served refreshments. A devotional paper was presented by a newcomer to the district, the Rev. A. Lawton of Uno Park. This regular session of the Association ordinarily would have been held on the second Monday of this month, but a change in dates was made to avoid conflict with the Thanksgiving week-end.

Two other matters are to be brought before the interested bodies in the three towns, as the councils are to be approached with regard to earlier closing times for beverage rooms, and the public school boards with respect to religious education in the schools. Ten o'clock was suggested as

Household Hints

By MRS. MARY MORTON

What to have for dinner tonight? Why, Irish stew, of course. It has everything—taste, vitamins, etc., and it will not be hard on the family budget.

Today's Menu

Irish Stew with Vegetables
Cole Slaw
Cranberry Sponge Pudding
Coffee

Irish Stew

2 lbs. stewing lamb or mutton
About 1 1/2 pints water
6 small onions
3 carrots
8 medium-size potatoes
Salt and pepper
Cut meat in pieces suitable for serving, remove some of the fat or use any meat fat you have on hand, and brown meat in fat in saucepan. Add water, which should be almost at boiling point, add onions, peeled and cut if you like, also carrots scraped and sliced, and cook very gently until meat is tender—an hour or more. Peel potatoes and cut in thick slices, add to stew and continue cooking until potatoes are tender. Serve all together in one dish.

Cranberry Sponge Pudding

2 eggs
1 1/4 cups sugar
1/2 cup water
Juice and rind of 1 lemon
1 1/4 cups flour
1/4 tsp. salt
1 tsp. all- phosphate baking powder
Beat eggs and sugar together until thick and light, add water, then flour, salt and baking powder sifted together, and lemon rind and juice. Mix very lightly and turn into a hot greased pan and bake in a moderate oven about 25 minutes. Turn out and spread thickly with warm cranberry sauce and heap spoonfuls of whipped cream around and on top, or cover with boiled custard.
