Prior to the opening draw this (Thursday) morning only one undefeated quartet remained, that skipped by G. A. "Scoop" Sutherland from Kirkland Lake. From present appearances, the finals in most events will be played not alter than Friday evening.

KIRKLAND LAKE RINK WINS CONSOLS EVENT HERE AT WEEK-END

Tom Ramsay's rink from Kirkland Lake was the winner of the British Consols event which preceded the T. & N.O. Bonspiel, and which was played at the Haileybury curling rink during the past week-end. There were eight rinks in the contest, two from each of the four zones into which the territory was divided, and three draws were play on Saturday, with the Ramsay rink and one skipped by Um Dales of Iroquois Falls each emerging without a loss. They played the final on Sunday afternoon, with a decisive win for the men from the mining town.

Rinks from Zone 1 were skipped by D. H. Millar, Haileybury and Frank Goddard, Temagami; from Zone 2 came the Ramsay rink and one headed by V. K. Polk of Noranda; Zone 3 had Dr. Dales and Sandie Downie of Kapuskasing, while N. Lett of Pamour and A. Richardson of the McIntyre club represented Zone 4. The Ramsay rink will play off with the N.O.C.A. winners at Copper Cliff next Monday, best-of-three games.

JUVENILE GROUP Feb. 15—Cobalt at Liskeard Feb. 18—Liskeard at Haileybury. Feb. 22—Haileybury at Cobalt INTERMEDIATE Feb. 14—Haileybury at Cobalt Feb. 21—Liskeard at Haileybury. Feb. 25—Cobalt at Liskeard

Notes of the North

WANT NEW SLOGAN

The executive council of the Board of Trade, meeting on Tuesday night decided that it was time the town had an official slogan or motto, but also decided that its collective ingenuity might not produce the best possible one. With alacrity and unanimity it was agreed that instead of going to any other august body with dignity and authority, an appeal should be made to the younger generation. Students of the four town schools will therefore be asked to submit suggestions. Prizes being offered for the best three.—Cochrane Post

PLAN NEW INDUSTRY

Timmins is to have a new industry. Claimed by its backers to be the only one of its kind between Toronto and Winnipeg, a modern cold storage plant which will include individual lockers and facilities for fur storage, is scheduled to begin construction in April.

Boasting of a directorate which includes such names as E. C. Brewer, Wyman W. Irvine, Dr. J. B. McClinton, S. A. Caldwell, K. C. and E. L. Urquhart, the first of these new enterprises is named the Northern Frosted Foods and Cold Storage Ltd.—Porcupine Advance.

HARD ON DOGS

Three goats who decided to go out for an afternoon stroll down the main street of Matachewan caused quite a traffic snarl and a lot of excitement Thursday afternoon.

Local dogs especially were interested in the new-comers and one large dog who came a little too close to one of the goats was quickly dispersed when the creature lowered his head. When he raised it again, the dog was on the end of it.

This was enough for dogs and citizens alike and the goats were left strictly alone until they finished their walk.—Kirkland Lake Northern News.

CLOSE RED CROSS ROOMS

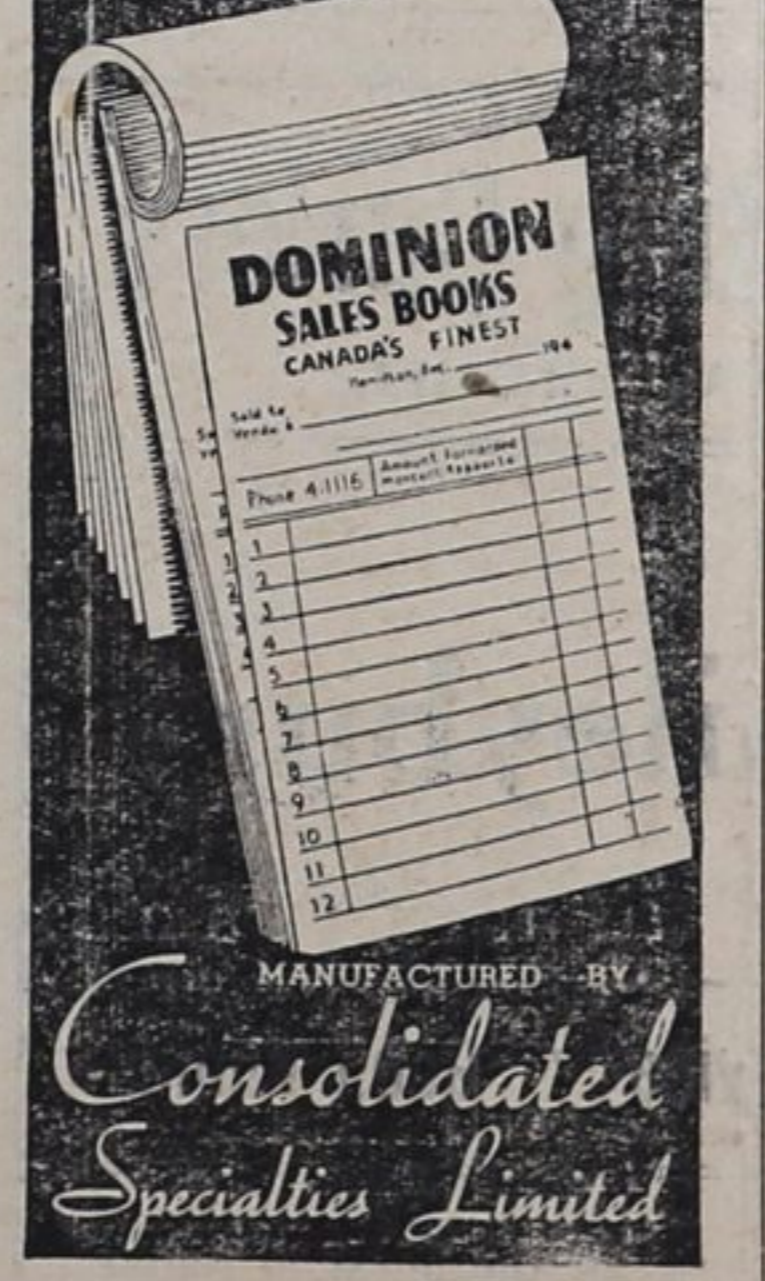

The Red Cross rooms here which have been operating since the early days of the late World War, will be closed not later than March 9, and if possible by the end of the present month, it was decided at a meeting of the executive, committee convenors and finance committee members of

the Society, held in the Library building last Saturday evening. The job of winding up the work is under way, but some weeks will be required to bring the task to an end. There are machines to be disposed of and other matters to receive attention.—Temiskaming Speaker.

LOOKS LIKE OIL FIELD

As a local mining official remarked recently, Osisko Lake with a dozen drills now operating through the ice, is taking on something of the appearance of an oil field. Looking at it from the right vantage point the derricks and the drills at work give some indication of conditions across the entire western Quebec mining belt and all tend to increase the promise which the future holds for this great section of Canada.—Rouyn-Noranda Press.

UNION SPEARHEAD

Once the 40,000 miners in Northern Ontario are organized, this area will become a spearhead of the whole trade union movement across Canada, Clarence Gillis veteran member of the United Mine Workers of America in Glace Bay, N.S., predicted in an interview here yesterday.

Mr. Gillis arrived in Timmins recently at the request of Local No. 241 of the International Mine Mill and Smelter Workers' Union to participate in a membership drive in the Porcupine district. He expects to be in this area for two or three weeks.—Timmins Press.

NEED NEW HOTEL

The Temiskaming and Northern Ontario Railway Commission is urging the construction of a first-class modern hotel at Temagami

"now that the full impact of the post-war tourist traffic is being felt," Col. C. E. Reynolds, chairman of the commission, told The Nugget today.

An investigation is now being made to ascertain whether the hotel may not be built as a private enterprise, independent of the T. & N.O.'s operations, the commission chairman said.—North Bay Nugget.
