Pioneer Resident Passes Suddenly From Heart Attack

Late George Sutherland Had Seven Sons Serving In Two World Wars

George Sutherland, pioneer resident of Haileybury and the father of seven sons who saw service in the two great wars passed away suddenly at his home on Russell street on Saturday evening, February 9th. He had been in his usual health during the day, was downtown in the morning and again in the afternoon, but later he was taken ill with a heart attack and died about nine in the evening.

Mr. Sutherland was born in Stafford township, Renfrew county, 79 years ago and was the son of pioneer residents of that section. He was married there to the former Miss Mary Ann Sharp and with their young family moved to Sturgeon Falls in 1896. It was in 1908, when the T. & N. O. Railway was being built, that they moved to Haileybury, when Mr. Sutherland, a carpenter by trade, was engaged in the erection of stations and other buildings along the line of the new railway. Since that time he had lived here, going through the big fire of October, 1922, and later rebuilding his home on the same site. Mrs. Sutherland passed away in May 1941. Surviving are eight sons and three daughters.

Mr. Sutherland's four elder sons, Duncan, partner in The Haileyburian; Gervase, who lost his life while assisting people to escape from the fire of 1922; Gerald and George of Kirkland Lake, all served in World War I, while three of their younger brothers, Kenneth, William and Douglas, were with the Canadian forces in World War II, Kenneth with the Royal Canadian Navy and the other two only recently returned from service with the forces in Italy, France and Germany. The other two sons are James and Earl, both in the Porcupine district. The daughters are Mrs. W. R. Lafferty (Dolly) of Schumacher; Mrs. Emerson Carmichael (Gladys) of Falconbridge, and Mrs. Percy Grozelle (Mabel) of Haileybury.

During his long residence in Haileybury, Mr. Sutherland made a wide circle of friends. He was of a friendly disposition himself and attracted people to him. A clever craftsman, he took great pride in his work during his more active years; took an interest in affairs of his community and was fond of sports. For a good many years he was a member of the local curling club, and tribute was paid to his memory by the men attending the bonspiel this week when during the time the funeral service was being held on Tuesday afternoon, the schedule was delayed for an hour in order that curlers might attend and thus express their sympathy with the

family. A "Sutherland rink" composed of four of the brothers, was to have played in the 'spiel, but the entry was withdrawn when their father passed away.

The funeral service was held in the United church and was conducted by Rev. A. P. Addison. Interment was in Mount Pleasant cemetery. In a brief address during the service, Mr. Addison said that the late Mr. Sutherland had lived a full and useful life, and his death came quietly and peacefully among his loved ones. "His life might be likened to a "ship which had followed its course faithfully and arrived at its final port. We know that the Harbor Master will deal kindly with the ship which has followed its true course," Mr. Addison said. "These men who have seen the North grow up and have had a share in its development leave to us a challenge to tackle the new era with the same kind of spirit they had. They say to us 'This is what we did,' and we should do our best to live up to the example they set before us."

Six of Mr. Sutherland's sons acted as pallbearers at the funeral, Duncan, Gerald, James, Earl, William and Douglas. All members of the family, with the exception of Kenneth, who has his home in British Columbia, were present for the funeral, and many old friends attended to pay their last respects to one who was so well and favorably known over a long period of years. A great profusion of floral tributes also conveyed the sympathy that is felt for members of the family.

CHIEF URGES CARE IN HANDLING FIRES TO AVOID TRAGEDIES

Recent reports over the radio have indicated that loss of life of dear ones has been caused by suffocation from coal gas. This being due to improper care in firing the heating equipment. Many people in their haste to go out or to go to bed put on fresh fuel and close drafts before allowing the gases to escape. May we suggest not to leave children at home alone without a responsible guardian. These dear ones are not aware of the dangers that face them and in emergency cases what would they do? It is the responsibility of

everyone to take the necessary precautions so that our town will be kept free from such a tragedy.

Victoria Cross Winner is Cousin of Haileybury Man

Major John Weir Foote, first Canadian padre to win the Victoria Cross, is a cousin of J. S. Weir of Haileybury. It will be recalled that an article appeared in these columns late last year when Major Foote returned after spending 34 months as a prisoner of the Germans following the Dieppe raid, telling something of his experiences. Now the highest honor in the British Empire has been bestowed on him for his great work, both during the raid and later when he spent the years of his captivity in administration to the Canadian soldiers who fought so valiantly in that battle. Major Foote is now senior chaplain at Camp Borden and is the subject of newspaper articles, radio broadcasts, etc., in all of which the highest tribute is being paid.

Mrs. Smith was buried beside the body of her only son, Franklin Smith, killed accidentally in British Columbia about two years ago while serving there with the Royal Canadian Air Force. She is survived by her husband, by her mother, Mrs. Hector McRae of North Cobalt, and by three brothers and two sisters. The brothers are Henry Haskins, of Blind River, and formerly at Temagami; John, of North Bay and Eddie, whose home is in Kirkland Lake; the sisters are Mrs. C. A. Jarvis, of North Bay, and Mrs. E. S. At the age of seventeen, she came to New Liskeard with other members of the family, subsequently going to Timmins for a time before her marriage to Mr. Smith at North Bay.
