

## Next Sunday is Closing Date for Contest Entries

Final Publication of Coupon This Week; No Extension to be Made

Next Sunday, April 6, is the closing date for The Haileyburian's annual guessing contest on the date of the ice going out of Lake Temiskaming and all entries must be either delivered to the office or placed in the mail on or before that time.

The entry coupon will not appear again this year, having now been published the customary four times, and this affords everyone ample opportunity to enter the contest.

There is no entry fee and the only restrictions are the time limit and the rule that only one guess is allowed to each person. Although different entries are allowed from various members of a family. Only one award will be made to a family, however; that is a family living under one roof. Neil Fleming of the Hotel Matabanick, who keeps records of the lake levels for the Federal government, will be the judge of the contest and will name the official date of the lake's clearing. There will be no appeal from his ruling. Here are the record of past years, together with the entry coupon, and our advice is not to delay any longer. Every correct guesser will receive a year's subscription to The Haileyburian free of all charge.

### C. J. CAMPBELL

Bringing more than 35 years' experience with the Canadian National Railways passenger tariff and ticket offices to his new post, Cedric J. Campbell has been appointed vice-chairman of the Canadian Passenger Association. This was announced in Montreal today by J. A. Brass, chairman of the association. Mr. Campbell succeeds Henry J. Nevin, who relinquished the position recently to return to the C.N.R. as general passenger agent there.

### Careless Driving Charge Aired in Police Court

A charge of careless driving against Wm. White of Cobalt, which drew a conviction and fine of \$25 and costs, was the only case heard by Magistrate Atkinson in police court on Friday last. The charge arose out of an accident in New Liskeard, when a small girl was knocked down by the accused's car but not seriously injured. A second charge, of failing to report an accident, arising out of the same incident, was withdrawn, when White explained he had stopped and asked the girl if he could do anything to help, and was told she was all right. Chief of police J. J. Evers laid the charges.

The weekly session of Magistrate's court will be held on Saturday morning this week, on account of the Good Friday holiday.

At December 31, 1945, the total trade union membership in Canada was 711,117.

George A. Burt, formerly city passenger agent in Toronto for the C.P.R., has been appointed district passenger agent at North Bay, succeeding the late R. Y. Daniaud.

### USES SHADE TREES AS SUGAR BUSH; SAP'S RUNNING THIS WEEK

Wm. C. Thuerck, Browning street resident with a yen for country life, uses the shade trees on his own and his neighbors' property as a miniature sugar-bush, and has commenced his operations. "The sap is running," he said on Monday, "and before the week is out I expect to be busy on the job."

The trees are chiefly of the soft maple variety. But Mr. Thuerck says the sap is of good quality and by boiling down between seven and eight gallons he can secure a fair amount of syrup. He only managed to make a single gallon last spring, the season being rather unsuitable for a good sap run, but it is better this year and he hopes to at least double last year's output. Extreme care must be taken with the tapping

operations in order to avoid any damage to trees, Mr. Thuerck says.

The entertainment will be somewhat similar to the event held last month, which proved very popular, and tickets will be on sale by members of the branch.

All holders of meat tokens have been asked to return them to the nearest office of the W.P.T.B. Rationing was discontinued last Thursday.
