Max Whitby, who spent the holiday week-end at Parry Sound

had a thrilling experience during his visit with friends there. On a fishing trip the boat carrying the party ran into a severe storm and according to Mr. Whitby, was almost swamped in deep water. By good seamanship, the craft was finally brought safely into port, after a spell of considerable anxiety on the part of the fishermen.

NATURE'S FINE DISPLAY IS COMPENSATION FOR SCARCITY OF BIRDS

Local hunters who spent the holiday week-end in the woods were not favored by good weather, but on the other hand, the partridge were fairly plentiful and the majority did not return empty-handed. The rain on both Saturday and Monday interfered considerably, but probably was all to the good in reducing the number of birds shot at the opening of the season.

One of the pleasant features of the holiday was the show put on by Mother Nature in the gorgeous colors that adorned the woods. Never was the display surpassed in the mixed timber that adorns the hills and valleys of the district, with the great variety of colors in the changing landscape. It was a real treat to spend a few hours in the outdoors when the country is at its best, and even those with small bags felt that the time was not wasted.

MUTUAL LIFE PASSES BILLION DOLLAR MARK; NOW IN ITS 79TH YEAR

Waterloo, Ont., Oct. 12—Louis L. Lang, president of The Mutual Life of Canada, announced today that Company life insurance in force has now passed the billion dollar mark. Almost the entire amount—98%—is on the lives of residents of Canada and Newfoundland. The Company, now in its 79th year, has closed each year of business since establishment in 1869 with an increase in insurance in force.

The increased popularity of life insurance as a form of economic security in Canada is revealed by the fact that life insurance in this country now stands at \$865 per capita, as compared with \$161 at the beginning of the first World War, while the population has increased only 50%. In that period the Mutual Life of Canada insurance in force has increased tenfold.

The fish and game regulations forbid anyone to "permit the flesh of any animal, bird or fish, suitable for food, to be destroyed or spoiled."

The Canadian Legion, through its 2,640 branches and auxiliaries, is again reminding the people that Remembrance Day is approaching and that the sale of Poppies will be held on Saturday, November 6th.

WEDDING BELLS

GAREAU—WARREN

Sacred Heart Church, North Cobalt, beautifully decorated for the occasion with red and pink roses and other flowers tastefully arranged, was the scene of a pretty wedding Monday, October 4th, when Rev. Dehaies, in an impressive ceremony, united in marriage Joyce Warren, daughter of Mrs. Warren and the late James Warren, North Cobalt, and Henry "Bee" Gareau, son of Mr. and Mrs. J. D. Gareau of Cobalt.

The bride, who was given away by her brother, Leslie, was gowned in heavy white satin, fashioned with sheer nylon yoke in drop shoulder effect, outlined by a wide band of crushed lace caught with pearls, the gift of the groom. The fitted bodice was buttoned down the back with tiny satin buttons, in long torso style, with long lily point sleeves. The full skirt which ended in a slight train was caught up in front with tiny satin bows which revealed several rows of lace in petticoat effect. The fingertip veil of net and lace fell from a headdress of orange blossoms. She wore a single strand of pearls and carried a shower

bouquet of pink briarcliff roses and adiantum fern.

Miss Janet White of Cobalt attended as maid of honor, gowned in pale pink marquisette with sheer yoke and full skirt, with bustle effect, short puffed sleeves and mittens to match, Juliet cap with veil. She carried pink carnations and blue cornflowers.

Miss Colleen Culhane of Kirkland Lake was bridesmaid, attired in blue sheer with fitted bodice, full skirt, matching headdress and shoulder length veil of blue net caught with gardenias, and carried a pastel shaded nosegay.

Mr. Rene Paquette of Cobalt was best man and the ushers were Mr. Hugh MacDonald and Mr. Dennies Larabie.

The wedding music was sung by Mrs. S. Landry, Miss S. Charbonneau, Miss M. B. Leveille and Miss M. Leveille, with Sister Gislaine as organist.

Following the ceremony, a wedding breakfast was served at the home of the groom's parents, for the immediate family. A reception was held in the evening at the community hall in Cobalt, where the rooms were decorated with autumn flowers. The bride's table was centred with a three-tiered wedding cake around which was arranged blue forget-me-nots and tall white tapers. The bride's

mother received, wearing a gown of plum-colored wool crepe, grey hat and black accessories, with a corsage of cream roses. She was assisted by the groom's mother, dressed in blue with black accessories and a corsage of cream roses. Pouring tea were Mrs. Mrs. Robert Shore and Mrs. John Inglis, both of Renfrew. The toast to the bride was proposed by Mr. L. Gareau and responded to by the groom.

The groom's gift to the bride was a string of pearls, to the maid of honor a black and gold compact, to the bridesmaid a gold and crystal rosary, and to the best man and ushers gold collar and tie clip sets.

After the reception the bridal pair left on their wedding trip to Niagara Falls and other points, the bride travelling in a gray gabardine suit, pink blouse with black accessories and a corsage of pink roses. On their return they will reside in Cobalt.

Out of town guests were Mr. and Mrs. Leslie Warren, Kirkland Lake; Mrs. Neil Culhane and Colleen, Kirkland Lake; Mrs. Robert Shore, Renfrew; Mrs. John Inglis, Howard and Don, Renfrew; Mr. Lou Gareau, Larder Lake, and Mr. L. Gareau, Noranda.

Savings deposits in Canadian banks in August passed the four billion dollar mark, according to the Financial Post.
