Funeral Service For Mrs. Lytle Held Saturday

Business Places Closed and Town Council Attends Service in Body

Funeral services were held on Saturday afternoon in the United Church for Mrs. I. A. Lytle, wife of Mayor Lytle, who passed away suddenly late Wednesday night last and brief mention of whose death was made in The Haileyburian last week. The services in the church and at the graveside in Mount Pleasant cemetery were conducted by Rev. L. E. Smith in the presence of many friends who came to pay their last respects and extend sympathy to the bereaved ones. Members of the town council attended in a body and during the time of the funeral all places of business were closed.

During the service the familiar hymns, "What a Friend We Have in Jesus" and "Abide With Me" were sung by the church choir and in a brief sermon Mr. Smith spoke of the transient life and how it could be adapted to carry out the plans of the Creator. He extended sympathy to the bereaved ones and spoke of the loss both to them and to the community. Pallbearers were H. Briden, C. E. Fleming, and W. A. H. Ferguson of Haileybury, and J. J. Rathwell, Norval Strong and H. Michael of Kirkland Lake.

Born at Arnprior, 51 year ago, Mrs. Lytle was the former Myrtle Elizabeth Stiles. She was married there and came to the North with her husband in 1922. They had their home in Latchford until 1930, when they moved

to Haileybury and have lived here since that time.

Mrs. Lytle is survived by her husband and one daughter, Maxine; one brother, James Milton Stiles of Toronto, and four sisters, Mrs. Archie Barry of Cornwall, Mrs. Fred Russell of Arnprior, Mrs. Harold Michaels of Kirkland Lake and Mrs. Arthur Batey of Sarnia.

WILL PRESENT SHIELD AND INDIVIDUAL CUP IN ORATORY CONTEST

The November executive meeting of the Home and School Association was held November 1st in the high school, at which Judge J. B. Robinson presided.

The special feature of the evening was a decision to purchase and present to the Haileybury high school from the association, a shield for Oratorical Proficiency. The shield, together with a token silver cup, will be given to the winner of the senior oratorical contest. The cup will be retained by the winner and shield with winner's name engraved will be hung in the school. The award will be made yearly at Commencement. This year the shield will be presented by the Home and School president, Judge J. B. Robinson.

At Commencement also, Mr. L. Wiseman, principal of the public school, will present, on behalf of the association, sterling silver graduation pins to all members of June, 1949, Grade VIII graduation class who entered high school.

The general meeting of the association will be held the evening of Tuesday, November 15th, in the public school.

The first phase of irrigation on the prairies took place 60 years ago, when some ranchers tried to grow winter feed by diverting water from small streams to irrigate native meadows.

Hallowe'en Party For Children is Greatly Enjoyed

Hundreds Make Merry at Legion Hall as Rotary Club Stages the Event

Responding heartily to the invitation of the local Rotary Club, children by the hundred made merry at the Legion hall on Monday evening, in the observance of the age-old festival of Hallowe'en. The party was arranged in two separate stages, first for the smaller children, early in the evening, and later for those of older years, and all had a fine time. There were various features of entertainment, treats suitable to the occasion and there was no need for any children to parade the streets, demanding "Hallowe'en Apples." Their parents and members of the older generation had a quiet evening at home, with no worry about the children, knowing they were well taken care of.

Members of the Rotary Club, with Darryl Hogan as chairman of the committee, worked hard both before the event and during its progress, leaving nothing to chance. They had the children well under control throughout the evening and saw that all had a share in the treats and entertainment.

The citizens generally respond-

ed to an appeal in these columns last week for some financial help in (the expenses of the party, which ran to a fairly large sum. The contributions were generous. There may be some who have overlooked the event, and if there are, they can still send or bring in their donations. These are accepted at the two drug stores, or may be handed to any member of the Rotary Club.

The main thing, however, is that the children had a good time and were kept safely off the streets during the festival.

If you can keep from being envious and jealous of your fellow man, you are approaching the outskirts of civilization.

Although not always successful dreams are devices for allaying disturbances which would interfere with sleep.

The regular meeting of Haileybury Masonic Lodge will be held this evening (Thursday) at 7.30 in the Temple. Visiting members are always welcome.

The SCREECH OWL'S name is a misnomer. He doesn't screech at all—the best he can do is a quavering whinny, which doesn't sound at all savage! He lives on mice and grasshoppers for the most part, and nests in hollow trees, particularly in old orchards. He should always be protected.
