

## Plans Complete For Supervision of Playground

Recreation Commission Discusses Projects at Last General Meeting

When the Recreation Commission met last week in Hotel Haileybury plans for the summer program at the Rotary Park were completed and the schedule prepared by the supervisors, Misses Gwen Millar and Betty Ann Bagshaw, were endorsed. The two young ladies attended the commission meeting and the members present were: Mrs. A. H. Cooke, Miss Nan Gorrie, Chas. Camsell, L. Gough, O. Hughes and J. H. White.

Mrs. Cooke is working with the playground supervisors, and necessary supplies and equipment have been secured. A platform has been loaned to the Commission by Wes. Hosick, a former resident with interests in the community, and he has received the thanks for this service.

The Commission had a request for \$50 as a grant to the Girls Softball team. This amount had been placed in the estimate of expenditure, and payment of \$10 to cover membership in the Softball Union was ordered. Further details of the needs of the team will be asked, and it was hoped that the group of girls would interest other age groups in the game. Mr. Camsell stated that Basil Treen was doing a "fine job" with the Juvenile boys softball, 16 and under, and he was thanked and asked to submit any requests for equipment to the Commission.

The meeting was told that a number of men and boys were studying means for financing the tennis club, with plans in the making for a series of dances, weiner roasts, etc., as a means of raising money. The club would report to the Commission when plans were completed.

Further work in preparing for the art school, to be held here for two weeks beginning August 13, was discussed. Reservations, registration, etc., are being taken care of by Mrs. McNulty and Mr. Gough, and local people are reminded that they can still register for the two weeks' course at a cost of \$5. Applications to be sent to Mrs. M. R. McNulty, Box 443, Haileybury.

The first printed colored advertisement was for a rug.

### District Softball Schedule

Sun., July 9—Englehart at Haileybury  
 —Cobalt at Latchford  
 Wed., July 12—Latchford at Englehart  
 —Haileybury at Cobalt  
 Sun., July 16—Latchford at Haileybury  
 —Cobalt at Englehart  
 Wed., July 19—Englehart at Latchford  
 —Cobalt at Haileybury  
 Sun., July 23—Haileybury at Englehart  
 —Latchford at Cobalt  
 Wed., July 26—Haileybury at Latchford  
 —Englehart at Cobalt  
 Sun., July 30—Cobalt at Latchford

THE COMMODORES QUARTET— which is heard each Saturday at 9.10 p.m. on stations of the Trans-Canada network. Former members of the Navy Show's Sea Chantey Choir, the four have toured Canada and the United States since the war. Reading from the top, they are John Ringham of Vancouver, baritone; Donald Parrish of Wallaceburg, Ont., bass; Carl Tapscoff of Toronto, second tenor and arranger for the group, and Harvey Redick of Port Simpson, British Columbia, first tenor.

### Complete Reinforcement to Vault in Local Bank

Reinforcement of the walls of the vault in the Bank of Nova Scotia here has been completed and, according to manager Herb Brown, is now as nearly burglar-proof as an institution of the kind can be made. The interior is lined with half-inch steel plates, making it practically impossible to break through, and a series of metal shelves will provide ample space for safety deposit boxes for the bank's clients. The work has been done neatly and thoroughly, as Mr. Brown explains it, and the vault is now as safe as any in the country.

### Monday "Visitors' Day" for Local Rotary Club

Monday was apparently "Visitors' Day" for the local Rotary Club, when a total of eight Rotarians from out of town points attended the regular meeting. One member of the Timmins club was present, another came from Parry Sound, there were three others from Ontario points and three from the United States, who are holidaying in Temagami.

A number of the visitors spoke briefly, bringing greetings from their clubs. The members were told that the boat draw would be held on the annual water sports day, at the conclusion of the swimming classes.

Golfers and bathing girls have the same ambition—to go around in as little as possible.

Physicians are agreed that the first year of life should be the year of immunization. Otherwise, many children will die needlessly of the preventable diseases of infancy and childhood.

Only a few types of mammals sweat.

## NOTES OF THE NORTH

### TEACHER DIES SUDDENLY

Miss Jean McLaren, well-loved teacher at New Liskeard public school, died suddenly yesterday at her family home, Vankleek Hill, near Ottawa.

Miss McLaren had left New Liskeard on Saturday, happily full of her plans to make a long-planned trip to Europe with her niece and niece's husband, and the news of her death has left many friends stunned and saddened.

Miss McLaren, in her twenty years of service at the school has taught several generations of New Liskeard children, and was the favorite of all who felt the gentle impact of her gracious personality.—Temiskaming Speaker.

### NARROW ESCAPE

Cab driver Harry Thom, 354 Lang avenue, is a thankful man today.

Yesterday his three-year-old son and a neighbor's daughter fell out of his car, which was travelling 45 m.p.h. at the time, and suffered only cuts and bruises.

"It was a narrow escape from death", said Mr. Thom. "I'll never know how they escaped being killed."

"It should be a warning to other parents who leave their children alone in the back seat of a sedan auto, and sit in the front themselves. The accident my son Theodore had, should be a warning of what could happen".—Timmins Daily Press.

### MINISTERIAL TRANSFERS

The Rev. Wm. Mustard, D.D., who has been rector of the First United Church for the past thirteen years left Monday, June 25, for Toronto to take a position with North Broadview United Church in the Danforth area.

Dr. Mustard came to Timmins in 1937 to relieve Rev. Bruce Miller, who had accepted a position in St. Thomas, Ont.

The Rev. A. P. Addison of Iroquois Falls United Church, will take over the duties of Dr. Mustard.—Porcupine Advance.

### PLAN OUTDOOR SHOWS

Outdoor shows for people of Kirkland Lake is the objective of Myer Goldstein, district chairman of the Federation of Northern Ontario Film Clubs.

Stating that arrangements have been completed with the school authorities for use of the grounds on open evenings. Mr. Goldstein added that permission had been received from the police and that test runs would be held as soon as weather permits.

Both entertaining and educational movies will be shown, "and it is our hope that the people of Kirkland Lake will give us their full-hearted support." The one obstacle that remains in the way at present is the lack of operators. Mr. Goldstein said "I will need at least eight more operators."—Kirkland Lake Northern News.

### DUCKLING AS MASCOT

The Old Home Week committee has acquired a mascot. A wild duckling was found yesterday in a pond between the O.N.R. and C.N.R. tracks in town, and presented to chairman M. A. Palangio. Duckling and adopted father are doing well, but anyone mentioning the weather as being good for

ducks will be shot. —Cochrane Northland Post.

### MYSTERIOUS BURGLARS

For the third time within the past month, the Hill-Clark-Francois building on Ninth St., Noranda, has been broken into during the night.

Chief C. Y. Charlebois of Noranda force said this morning that it is very difficult to understand why three break-ins should have occurred at the same place with-

in such a short period, particularly as nothing worth while has been taken by the thieves.—Rouyn-Noranda Press.

Until fifty years ago, surgery on the human heart had not been attempted successfully. The first successful operation on the heart was the result of an heroic attempt to save the life of a person with a deadly heart wound.

The first bicycle was made in Scotland in 1840.

### SPORTSMANSHIP IN "CANADA UNLIMITED"

Cinders spurred on the Fallowfield racing oval at Manchester, England. The Commonwealth's swiftest cyclists were streaking for the 10-mile Marathon crown of the 1934 British Empire Games.

South Africa's cyclist—favoured to win—led the field. Suddenly Canada's entry spurred up beside him... then pushed a wheel's length in front. Down the stretch and past the finish he held the lead... bringing Canada its first Empire Marathon victory.

Keen sportsmanship and a will to win have brought Canadians many firsts. And sportsmanship, with teamwork, helps you, too—in work and play. Together they keep your scope for opportunity in Canada...unlimited.
