## Final Meeting of 1951 Council Held Monday

**Odds and Ends Cleaned up to Finish Years Business; Mayor Thanked Councillors**

At the last council meeting of the year held in the Town office on Monday night, all members were present to clean up business for 1951.

First business on the agenda was the passing of accounts for payment.

It was decided to accept the offer of P. M. Fleming for part of Lot 1 on Plan M-37, with a reservation for possible extension of the filtration plant, to be included in the deed transfer. The price is to be the assessed value of \$900, subject to approval of the Department of Municipal Affairs.

The Ontario Northland Railway was granted an assessment on certain property which they requested, in order to install a drainage culvert.

Official papers were approved regarding the sale of a parcel of land which is now comprised of a crooked lane, connected with Jack Murphy's property and will be sold to him, part of the lane being moved more southerly and thereby straightened.

It was agreed that a 4" water meter would be purchased for use at Misericordia Hospital. The Hospital has had new portions added to the buildings since surveys made and it was felt that the officials should know approximate gallonage used.

The mayor thanked the councillors for their hard work during the year and the harmonious way in which it was carried out.

The meeting then adjourned.

## ROTARY CLUB STAG TOMORROW NIGHT THE LEGION HALL

The local Rotary Club will hold its annual Christmas Stag party tomorrow, Friday night, December 14th, in the Legion hall, commencing at 8 o'clock, to which all men in the community and surrounding district are invited. Last minute preparations are being made today and everything points to a successful event. A feature of the event will be a draw for a man's or lady's wrist watch and a table lamp. Proceeds are for crippled children. All men are invited to participate in this good work.

## A Pioneer of the New Liskeard Area Died Recently

A pioneer of the New Liskeard area died recently in the person of Reuben W. Goddard, 92-year old father of Frank Goddard, well known Temagami business man and curler.

## S. H. GLASSFORD SELLS OUT GROCERY BUSINESS TO PARTNER, O. HUGHES

Stewart H. Glassford, who has been in the grocery business for many years has sold out his interest to partner Orville "Sam" Hughes.

Mr. Glassford came to Haileybury from Midland in 1908 to work in the grocery part of the F. C. Preston department store, a position which he filled until the big fire of 1922. He then started in business with Milt. Austin and carried on until 1930 when Mr. Austin left for Northwestern Quebec.

Orville Hughes, a local man, was taken into the business six years ago, on his return from overseas, and has now bought Mr. Glassford's share, a transaction which takes effect on January 1st, 1952.

Mr. Glassford has no definite plans for the future, but is quite emphatic that he will not remain idle. The Haileyburian wishes Orville Hughes every success in his new venture, and also Mr. Glassford continued prosperity in whatever field he tackles.

## I.O.D.E. MEETING MONDAY EVENING; THANKS EXTENDED

The regular monthly meeting of the Haileybury Chapter, I. O. D. E. was held at the home of Mrs. Wyman Edey Monday evening with Mrs. C. F. Lowery, Regent, occupying the chair.

During the meeting reports from convenors of the Christmas tea were heard, showing the Chapter a very handsome profit. The Regent extended a hearty vote of thanks to Sharp's Bakery. Mrs. R. D. Cumming for use of her home, Mrs. J. E. Dunn for convening the tea, Mrs. J. W. Hughes for shellwork, Mrs. J. E. Grant and Mrs. R. McGillivray for the excellent produce table, Mrs. J. M. Shouldice for convening the turkey draw and all the members who helped to make this such a successful event.

A new member, Mrs. Kendrick Seymour was welcomed and took the Order's oath of allegiance.

Mrs. R. D. Cumming will again convene the Robin Hood Flour Cooking school, which is to be held in April, 1952.

Following the business meeting Mrs. J. E. Dunn had arranged the showing of two excellent films, "Newfoundland" and "The Family Tree". We are indebted to Mr. L. Wiseman for projecting the films.

Christmas carols were sung after which refreshments were served by the hostess, assisted by Mrs. J. W. Lecky and Mrs. H. Jensen.

Envyng a neighbors new car is not too bad if you do something about it—work and save to get one yourself.

## MEETING OF KINSMEN MONDAY NIGHT HEARS COMMITTEE REPORTS

The Regent and members of the Haileybury Chapter, I. O. D. E. wish at this time to thank all who supported their efforts during the year and extend their sincere wishes for Merry Christmas and happy New Year.

Dalton Dean, a Club member, was the speaker at the regular meeting of the Kinsmen on the controversial Kurt Meyer case with which he is thoroughly familiar because of his work as one of the prosecutors at the trial.

There were twenty-four members present for a meeting, which was held in Community Hall in Cobalt. Clair Reece, Morley Molliette and Clary Thib attended as guests.

Mario DeBstiani reported that the Bingo held on Friday was quite successful and there would be ample funds available for the Christmas Cheer project. Arnolc Todd outlined the work to be done in distributing Christmas parcels. He told the meeting there would be about forty-five families to call on with about 150 individuals sharing the parcels. Charles Cammell and Mario DeBastiani were authorized to procure hockey uniforms for two midget teams, one in Cobalt and one in Haileybury. Club members also authorized a donation to the Hospital for Sick Children in Toronto.

## Legion Auxiliary Install New Officers

The regular monthly meeting of the Canadian Legion was held last Thursday evening. A good report of the Remembrance Day dinner was given by the convenors Mrs. Jen Plaunt and Mrs. Joan Hargrave, and they wish to extend thanks to all comrades' help which made this a success. It was decided to have the Christmas party for the members Thursday, December 13th.

The new officers for 1952 were then installed by Mrs. Olive Childs, the retiring president.

They are as follows: President Mrs. Anita Taylor; 1st vice-president, Mrs. Margaret MacDonnell; 2nd vice-president, Mrs. Hazel Adams; secretary, Mrs. Joan Hargrave; treasurer, Mrs. Jer Plaunt; standard bearer, Mrs. Maud Mawhiney. It was decided to elect the executive and other committees at the January meeting. After the session was adjourned, a dainty lunch was served by the social committee.

## I.O.D.E. Tea Was Successful Social Event

**Miss Agnes Chesser Was Turkey; Regent Thanks All Who Helped in Past Year**

The annual I.O.D.E. Christmas Tea was held Saturday, December 8th, 1951, at the home of Mrs. R. D. Cumming. Mrs. C. F. Lowery assisted Mrs. Cumming receiving the guests. The tea table, ably convened by Mrs. J. E. Dunn, looked festive with a Christmas centre piece made by Mrs. S. A. Magee. Mrs. W. R. Lowery and Mrs. M. B. Glazier presided at the tea table while Mrs. K. Seymour, Mrs. W. A. H. Ferguson, Mrs. N. D. McIsaac, Mrs. J. Thompson served and Mrs. L. Nicholls had charge of the kitchen.

Mrs. J. W. Hughes had a lovely display of shell work. Mrs. J. E. Grant and Mrs. R. McGillivray convened an excellent produce table.

The highlight of the afternoon was the Turkey draw by Mrs. J. M. Shouldice and Mrs. G. Eby. The lucky winner was Miss Agnes Chesser. A second draw, a "Gingerbread House" was won by Miss Mary Berry—this draw was convened by Mrs. C. H. Liddicot and Mrs. Wyman Edey.

## Children's Aid Main Topic At Chamber Meet

**Think Increased Grants by Government to Society Would Help in Operations**

There was a fairly large attendance at the Haileybury Chamber of Commerce meeting held in Hotel Haileybury Monday evening, with President J. E. McDonough in chair.

Discussion centred around the troubles of the Children's Aid Society, and in this connection Mr. McDonough introduced Mrs. Nora Fox, superintendent of the society, who gave a detailed account of affairs, which was very instructive. Mrs. Fox said that Children's Aid workers were especially trained to cope with different aspects of child welfare work, and gave some pertinent figures of costs of maintaining a child in a fosterhome, etc. Mr. R. W. Thompson of New Liskeard thought that the district Judge should have authority to place an order on the father of a child that he should contribute a portion of his wages toward its maintenance, and that it was rather difficult for a municipality to keep track of the parent and to collect from him each month. Mr. McDonough felt that the province of Ontario should be approached with the matter of increased grants for children's aid, since the territory is so great that administrative costs were prohibitive.

Bob Herbert, the newly elected Progressive Conservative member for Temiskaming promised to look into this matter.

The amount collected in the Children's Aid campaign in the district was \$1,464.00, with an objective of \$1,500. It was noted that Cobalt and Haileybury met their commitments, but Kirkland Lake and New Liskeard had not.

Leo Gough spoke of the many compliments received regarding the tourist folder which was published last year by the three local district towns.

So much time was taken up by discussion of Children's Aid affairs that there was no time left for further Chamber of Commerce business, which was left over until a later meeting.

The session was adjourned and refreshments were served by the hotel management, which were greatly appreciated and enjoyed by those present.

## Canadian Legion Ladies' Auxiliary Bingo

The Canadian Legion Ladies Auxiliary held their bingo last Tuesday, Dec. 4, with a fair attendance. The special prize of \$30 was not won on the eight numbers, so the door prize next Tuesday, Dec. 18th, will amount to \$35. Mrs. C.F. Tuer was the lucky winner of the ten-dollar special prize.

Mrs. Taylor is convenor for these bingos and invites everyone to participate. She also wished to express her appreciation to the members who helped and to Mr. Percy Hitchen and Mr. Adams for calling the numbers in the absence of the regular callers. See you at the next Bingo in the Legion hall on December 18th.

## SANTA IS COMING TO TOWN!

We have received word from Santa Claus that he will arrive in town on Saturday, December 22, on train No. 47, which, if on time, will arrive here at 11.13, although at this time of year is apt to be much later.

Santa says to meet him at the train. There will be trucks to take the children on a tour of the town, then to the Legion hall, where he will have a treat for all.

## CHIEF ELECTION OFFICER SAYS MOVING BALLOT BOX "QUITE IRREGULAR"

Chief Election Officer A. Lewis at Queen's Park says the action of the deputy returning officer who allowed the ballot box at North Cobalt to be taken from the polling place at the recent provincial election, was "quite irregular" he did not propose to take any further action in the matter.

"The procedure does not appear to have been prompted by any corrupt intent but simply by a desire to afford the old and ill people in question an opportunity to vote, which desire all persons present at the poll apparently agreed to," said Mr. Lewis.

Mr. Lewis said that apparently a discussion had occurred in the polling booth as to what should be done and evidently both the CCF scrutineer and other representatives felt that the box should be taken to the homes of the invalids.

Mr. Lewis' investigation followed a complaint by the CCF candidate that there had been irregularities in the taking of the vote on election day.

## Our Library

Do the people of our town realize what we have in Haileybury Public Library?

There are over five thousand volumes, each book in good condition and readable.

As many as five hundred members, men, women and children enjoy reading these books.

The selection of fiction, non-fiction and children's literature is excellent.

The list of the most popular books read in the larger centres compare favourably with Haileybury's Library. Not a complete selection, but the best can be read here.

The Board should be commended on the choice of interesting volumes, showing a careful and intelligent study of authors and book reviews; also on the efficiency with which the building is kept up as regards heating, salaries, etc.

The town and Provincial grants (though hardly sufficient) are dispensed wisely and well—definitely a non-profit organization.

Some generous benefactor or former nostalgic old-timer, could help out considerably.

## Sanatorium Holds Christmas Party

A very pleasant afternoon was spent at the San. on Sunday last, when a Christmas Concert was held for the patients.

Mrs. MacDonald of New Liskeard acted as chairman and a varied program was put on.

There were recitations and readings by some of the San-patients, a skit by the Youth Club, New Liskeard, music by the Trio Miss Dorothy Hartley, Mr. Jack White and O. E. Walli of Haileybury, song by Miss Ruth Gustafson, accompanied by her father. Several other artists from out of town gave other numbers.

Dr. C. J. Doherty thanked those who assisted in making the afternoon the success it was.

## United Church to Hold Sunday School Concert

The annual Christmas Tree Concert of the United Church Sunday School will be held in the church here on Friday, December 14th, at 6.30 p.m.

Admission for adults will be fifty cents. Children may enter without charge.

## WEEK'S WEATHER

Week ending Dec. 12th, 1951	
Thursday	Max. Min.
Friday	47.2 32.6
Saturday	53.8 36.4
Sunday	33.8 26.0
Monday	24.0 17.6
Tuesday	27.0 10.6
Wednesday	31.8 10.4
Thursday	1.8 * 7.4

Precipitation for week 1.46"  
The temperature this morning was 15.4 degrees below zero.

## International Nickel Option Local Farms

The Toronto papers have been carrying stories about the International Nickel Company signing up options on farm lands in the immediate Haileybury district, and it is said that fairly important money has changed hands so far.

During the past few months Inco has used two airborne magnetometers to carry out a fairly extensive survey over a wide section of ground in the four-mile stretch between Haileybury and New Liskeard.

For years now it has been general knowledge that small quantities of nickel have been associated with the silver-cobalt ores in the Cobalt camp, situated some four to five miles southwest of Haileybury, and it is learned that one producing property in the camp has found increasing amounts of nickel associated with cobalt at its own property. So far, this particular company has not been able to realize a commercial return from the limited 1 1/2 to 2 per cent nickel content in the ore as the material has been lost in the cobalt concentrates.

It is reported that one of these farms on which an option has been taken by Inco is that of Foster Rice, manager of the Producer's Co-Operative Store in New Liskeard, and resident about 4 1/2 miles northwest of Haileybury, and adjacent farms. We have been unable to obtain any further information about this transaction. The Inco solicitor said there was nothing for publication.

## LAKE FROZEN OVER

Lake Temiskaming froze over last night, December 12. Winter is here for sure. Once the lake freezes over we are fairly sure that it will stay that way until next April. Last year the ice formed on December 15 and the official date of the break-up was April 29th, which is only a little over four months away.

## United Church to Hold Sunday School Concert

The annual Christmas Tree Concert of the United Church Sunday School will be held in the church here on Friday, December 14th, at 6.30 p.m.

Admission for adults will be fifty cents. Children may enter without charge.
