

You Ought To Know

That if Haileybury and New Liskeard ever get together, it won't be because they agree on holidays. We advise you to study the schedule of store openings carefully before venturing forth with your Christmas shopping list.

That no one seems to have an old watch or an old clock lying around to take to a San patient that he may make idle hours worthwhile studying on a watch-repair course. We don't believe that someone can't lend a hand here

That Mr. Bill Thuerck came in last week and paid for his 35th subscription to the Haileyburian

That Friday night is Commencement night at the High School Grades XII and XIII will receive their diplomas and the entertainment will include a one-act play, girls' dances and a demonstration of gymnastics.

That Mrs. Adams has resigned from the Public School staff as of January 1st. She will be replaced by Mrs. Wm. Hammerstrom.

That the regular meeting of the Y.W.C.A. will not be held on Monday, December 8th as planned, but will meet at the home of Mrs. C. Vachon on Wednesday, December 10th.

That fifteen years ago Wednesday, the late Mrs. J. Gould and Mrs. N. J. McAulay Sr. enjoyed a game of golf. Mrs. McAulay recommends the game for December as the ground is frozen and the ball never stopped going, that is, if it was hit first.

That the Children's Aid Society campaign for this year shows a return of \$1,424.86. This includes the yearly Government grant of \$150.00. The objective is \$1,500.00 in Haileybury, so if you have neglected to do your part, there is still time to help a good cause. Chairman J. E. McDonough has done a fine job.

That a lovely job of re-decorating has been done at the Library. Soft tones of pink and grey lend an atmosphere to book browsing that everyone will enjoy. Furthermore, the Librarian heard a noise on the roof the other day and it's just possible that something is being done up there, but she is afraid to look.

That a capacity audience saw the movie "My Son, John" at the Strand on Monday night—among them was Mayor A. H. Cooke. The story dealt with an American family with two lads in Korea and one enmeshed in

Communist activity. When the picture ended and the scene picture appeared on the screen Mr. Cooke was impressed by the unmistakable reception of the audience. The contrast struck home. On the surface, then we are all proud to be Canadian with such a loyal family to symbolize all that is good.

That we would like to know how the students are chosen from high schools for the Garfield Weston tour. This is just sheer curiosity, but the High School and the Board of Education has never been contacted and if anyone knows how the Department of Education lines them up, we'd like to hear about it.

That Mrs. Olive Bailey won the \$10.00 prize at the Legion Bingo on Tuesday night. The grand prize will be \$65.00 at the next one—and people are thinking Kay McGinley had better stay at home—she won four times on Tuesday night.

Nurses and Visitors Will Enjoy Bus Routing

Since February 10th, 1935, the McIsaac Bus Home Terminal has maintained a service for citizens in this area of the highest efficiency.

That they intend to continue with their good service is evident this week with the announcement of a new move to convenience nurses and visitors going to the new New Liskeard Hospital. Repeated requests from

citizens of both towns are proof that the buses, which will stop right at the hospital, beginning tomorrow, will be filled with enthusiastic commuters. Four buses leaving Haileybury will continue on over the bridge—time of leaving 7.30 a.m., 3.00 p.m., 7.00 p.m. and 8.20 p.m.

It has been estimated that approximately 15,000,000 acres of clay soils exist in the agricultural areas of Canada.

One way or another—from baby bonuses to various types of pensions—two Canadians in every nine are on the Federal government's payroll.

Mr. Treen to Coach Midgets Midgets for a Week

Last Saturday the coaching of the Kinsmen Midgets was taken over by Mr. Treen. Mr. Stollery the regular coach, was away on a business trip. The practice started out with a game of shinny. It was then followed by a short skating practice. After that each player started taking shots at the two goalies. It ended up with another game of shinny.
